## Today

It's the one way to make yourself felt in student affairs—

The student who votes is usually the good student—and vice versa—

That is, we are speaking of the "good student" from his value as a citizen in the University community—

To be a good citizen should be the aim of every university man or woman—

To neglect the duties incumbent upon citizens is one way not to be a good citizen—

To exercise good judgment in voting is another requisite to good citizenship—

Good judgment in voting says to place the "X" before the best man for the job—

It does not say to vote for the the best looking woman or the best dancing man—

It does not say to vote for a man or woman because the sentiment merely seems that way.

The only way a student can vote intelligently is to use his own intelligence—

Not some other person's intelligence—

The student who uses his own intelligence is usually the good student-citizen—

And the good student-citizen

Votes!

## Y. W. BREAKFAST TAKES PLACE OF HOUSE-PARTY

Plans Are Changed to Enable Girls to Entertain Visiting Mothers; Officials are Here

The annual Y. W. C. A. cabinet and council house-party which was scheduled for this coming week-end has been postponed indefinitely, because of the conflict in dates with Mother's day, according to a decision of the council which met Monday evening. It was decided by the council members to give a breakfast Sunday morning, May 13, for members of the cabinet council, and advisory board, for the mothers of the girls who are on the cabinet and council, and for Miss Henrietta Thompson and Miss Edith Sanderson, two national Y. W. C. A. officials who were to have gone on the house-party trip. University women who have served on the council or cabinet of the Y. W. C. A. in past years are invited to the breakfast which is to be held at 8:30 Sunday morning.

A program consisting of music and a talk by Miss Sanderson is also being arranged for the breakfast.

For those members of the council and cabinet who will not have their mothers visiting them on Saturday, an all-day picnic is being planned at which Miss Sanderson will be a special guest.

## OLSON'S ORCHESTRA TO GIVE EUGENE CONCERT

Harmony and Melody Will Predominate in Dance Music; Orchestra Said to be Best of Pacific Coast

Tonight students will have an opportunity to hear one of the best orchestras on the Pacific coast in George Olson's orchestra of the Hotel Portland. The musicians will give a concert and dance at the Eugene Armory.

The orchestra is unique in that each member of it is an accomplished soloist. Their interpretations of modern dance music will prove to be of interest to music lovers, as well as dancers. The orchestra is rated to be one of the twelve best in the United States. It is in great demand on the coast, and it was a difficult task to obtain the services of this organization for the single night at the Eugene Armory.

The orchestra is not a jazz band and in all the arrangements of the modern music, harmony and melody predominate.

Six of the members play saxophones in all keys. The organization features in its program of music a melophone quartet and a saxophone octette, as well as other novel stunts.

## WOMEN INTERESTED IN SEABECK TO GIVE PICNIC

Affair Will Be at 5 p. m., today in Hendricks Park; Conference Will Be Given as Part of Program

All University women who are interested in the Seabeck conference of the Y. W. C. A., or those who have attended the conference in the past, as well as those who have signed up to take the trip this year, are invited to attend the Seabeck picnic to be held in Hendricks Park at 5:00 o'clock this afternoon. Those who intend to go to the affair meet at the Bungalow near 5 o'clock and the hike will be taken to the park. Each girl is asked to bring sandwiches for herself, and the committee in charge of the picnic will supply the coffee and ice cream.

A miniature Seabeck conference will be presented as a part of the program for the affair. The Seabeck conference is to be held from June 26 until July 6 at Seabeck, Washington, and the picnic tonight is to arouse the interest of the University women over the event.

Some of the more enthusiastic hikers planning to go on the picnic, have decided to take a five-mile hike after the meeting in order to get points for credit.

## INA CLAIRE COMING TO HEILIG

A welcome announcement indeed to local playgoers is that heralding the coming engagement at the Heilig Theatre, for one performance, Tuesday evening, May 15th, of Ina Claire, one of the most charming of our younger American actresses. In Arthur Richman's exquisite comedy, "The Awful Truth," it is a matter of theatrical history that the success attained by Miss Claire at the time of the play's premiere in New York was such that for five months she crowded Harry Miller's Theatre to its capacity, achieving the first real triumph of the season in the Eastern metropolis.

## DR. KIMBALL YOUNG TO RETURN

Dr. Kimball Young, in a letter to Dean Dymont, announces that he will return to the University in September to resume his post as assistant professor of psychology. Dr. Young left last September on a year's leave of absence from the University to be professor of psychology at Clark University, Worcester, Mass. During the year he has had the privilege of meeting many psychologists and attending lectures and he feels that his trip east has been very worth while, the letter states.

## BOWMAN WILL ADDRESS HUT MEETING AT 4:15

Discussion on "The Bible as Literature" Planned for Public Meeting This Afternoon

A series of lectures on the Bible will be given this week-end on the campus by Dr. Harold L. Bowman, pastor of the First Presbyterian church of Portland. The first of the series will be heard this noon at the Y hut, when the popular young minister speaks to a group of faculty men and Y. M. C. A. workers.

This afternoon at 4:15 a public meeting for both men and women will be held at the hut. A discussion on "The Bible as Literature," will be held. On Thursday morning as assembly speaker his subject will be "Science and the Bible," and in the afternoon he talks at the Y hut on "The Bible as Autobiography."

The girls of the Y. M. C. A. are co-operating with the Y. M. C. A. in holding meetings. Wide interest is being shown by members of Rev. Bruce Giffen's classes in Bible literature and among the members of Dr. Fish's class in first year world literature.

Dr. Bowman is a well known figure on the Oregon campus and his appearances have always caused an awakening of interest along religious lines, according to those in charge of the work.

Bruce McConnell is in charge of Dr. Bowman's appointments.

## CITY AIDS TENNIS PROJECT

Plans for the new tennis courts in the two blocks north of Hayward field, between Agate and Emerald streets, will be aided by the city council's permission to condemn Beech street, which lies between the two blocks, and also to include the alleys of both blocks in the construction of courts. An ordinance probably will be passed at the next council meeting to close the streets. Present plans include the laying out of ten courts. More may be built later. It is expected that two will be finished by the middle of May.

## LANE WINS FAVOR ON SCREEN

Never in the history of the motion picture industry has an actor won such instantaneous success on the screen as has Lupino Lane. Lane came to America a little more than a year ago in the stage spectacle "Afgar" and his ability won instant recognition. A short time after he came here he signed a contract with William Fox and produced a series of short-reel rib-tickers. His first feature length comedy special is called "A Friendly Husband," and is now showing at the Heilig.

## CLASS VOLLEY BALL STARTS

Volley ball practice for class teams will begin Thursday at 5 o'clock and all girls who are planning to turn out for this game are urged to attend the first practice, according to Helen Campbell, head of this sport. Volley ball started during the latter part of the winter term, but was discontinued because of conflicting sports schedule. Practice for this week will be at 5 o'clock Thursday and Friday, and Monday, Wednesday and Thursday at 5 o'clock next week.

## WORD OF MARRIAGE RECEIVED

Word has been received of the marriage of Florence Skinner, 22, and William Lewis Clark, ex-'23, at Emmett, Idaho. Miss Skinner was head of Susan Campbell hall during her senior year and was on the Emerald and Oregon staffs. Clark spent one year at Stanford University and two years at Oregon. He was on the Varsity basketball squad, and is a member of Bachelordon. They will make their home in Emmett, Idaho.

Admission for the matinee will be 35 cents, while tickets for the evening performance will cost 50 cents. The Burton orchestra will furnish music at both performances.

## TWO MORE DO-NUT TEAMS TAKE COUNT

Sigma Chi and Beta Theta Pi House Athletes Are Winners of Hot Contests

The Bachelordon baseball team lost to the Sigma Chi team in a close game Tuesday morning by a score of 10 to 7. Until the fifth inning the Bachelordons held the lead, then Shumway, the Sigma Chi pitcher, commenced to tighten up and they were unable to get another hit. Before that they were hitting Shumway all over the field.

The feature of the game was a double play in the fifth inning. Anderson Sigma Chi at bat, knocked a hot ball to second where Meyers grabbed it and threw home. Garner, the Bachelordon catcher, put out Shumway and then snapped the ball to first in time to get Anderson. Anderson, the heavy hitter of the Sigma Chi's, made a home run in the third. Meyers, the Bachelordon's pitcher also clouted a three-bagger in the first part of the game.

Shumway pitched a loose game until the first of the sixth. He was hit only five times, however, and made up for it by striking out 8 men. Palmer caught a good game for the Sigma Chi's while Bradison, incidentally, brought in three scores—the highest number made by any individual in the game.

Day, pitching for Bachelordon played an airtight game and was hit comparatively few times. Garner, catching for the losers, did some good work, while Martin, at short, also did some excellent fielding.

The Beta Theta Pi do-nut nine won a comparatively easy victory from the Delta Tau Delta team in the game played Tuesday afternoon by a score of 10 to 3. Gowans, pitching for the losers, by walking several men in the first part of the game gave the Beta's a substantial lead, which they were able to hold.

Patterson, pitcher for the winners, was the star performer of the game. He showed a mean eye and a neat arm when he struck out 11 men in the 7 innings and allowed only three hits. Phillips, officiating at the backstop, did his stuff with genuine completeness. The winners had a trio of heavy hitters in Foster and Gunter, who knocked the pill for two base hits each. Chapman knocked it for a three bagger.

Gowans was replaced by Spearow in the last part of the game. Spearow played the old ball game when he did not allow a man to reach first. Sherman at the home plate for the Deltas also did some good playing.

Two double plays were made—both by the Deltas. Gowans to Sherman and Sherman to Jost putting out Patterson at first and Edlunds at home. The other time the combination was almost the same. Walters, Beta, at bat, bunted the ball. Sherman threw it to first and Jost, first sacker, snapped the ball back in time to get Gunther as he slid in.
