

## MANY GAY EVENTS FILL SOCIAL BOOK

Only One House Plans Picnic for Memorial Day; Opera to be Given May 31

The "days of warm sport," such as are found only on real spring afternoons and evenings, have arrived if one is to take the outings, picnics and dances scheduled, as indication of this fact.

The junior class will give a picnic on June 2 with Coburg as the favored location for the revel. Definite plans as to the mode of reaching the grounds, and the entertainment to be offered, are being formulated, but it's to be a big affair they promise. An old-clothes, hard-times affair is the nature of the dance which the freshman class will stage May 25 in the men's gym.

Contrary to former years, but one house so far has arranged a picnic on Memorial day. The entire Phi Gamma Delta house with as many guests, the required chaperones, the necessary ice cream freezers, and other picnic para-

phernalia, will board a vehicle bound for Coburg bridge on that date. Nimrod Inn and the adjoining territory will be the scene of the Delta Tau Delta house party on June 2 and 3.

The members of Sigma Upsilon fraternity, composed of young campus authors, will be the hosts at a dance at the Anchorage on the evening of May 26. It is also on that night that the University of California Glee club will give a concert at the Woman's building. The underclassmen of Gamma Phi Beta sorority have invited guests for an informal dance at their residence on May 25, and on the following evening Sigma Pi Tau will entertain likewise with an informal dance at their house.

The Swiss opera in which many University students, prominent in musical circles, will participate, is an event of May 31 that is being eagerly awaited. Mrs. Anna Landsbury Beck is the author, composer, and director of the opera which is declared to be exceedingly effective.

Beta Theta Pi will entertain with a sister dance at Ye Campa Shoppe on May 29, and on the same night Kappa Sigma will give a dance at its house. A dinner dance to be given by Kappa Delta Phi will be an event of June 2.

Other organizations are planning dances, picnics, and musicales, but their plans are indefinite as yet and consequently have not been scheduled on the social calendar.

## FROSH WILL PLAY ROOKS THIS WEEK

Games Friday and Saturday to Bring Campus Ball Season to a Close

The campus baseball season will be brought to a close this week-end when the frosh tossers tackle the Aggie rook nine in the second half of the annual four-game series on Cemetery Ridge, Friday and Saturday. After these two games the yearlings will take a trip to Portland with return games with Columbia before putting away their uniforms for the year.

The babe tossers are working out on the Ridge diamond every night this week preparing for the two tilts with the rooks and will be in excellent shape unless unforeseen accidents occur. The two weeks layoff since the games with Salem has whetted their appetites for further action, and they are anxious to reverse the two defeats handed them at Corvallis. From the way the frosh performed against Salem, it appears that the chances are good for squaring the count with the Corvallis yearlings.

In the absence of Coach Bohler, who accompanied the varsity tossers north, the babes are working under Captain "Cutie" Slade. About a dozen men still remain in the squad after the last cut. They are Carson and Harrison, pitchers, Bliss, catcher, Scriptures, Bittner, Slade, and Hobson, infielders, Terrill, Frame, Toole and Mills, outfielders. Ashby, a hurler is also working out although he is ineligible for outside competition this year.

In the first duo of games with the rooks, the frosh blew up in terrible fashion. This may have been caused by the fact that the babes were playing away from home for the first time this year. Some critics lay it to over confidence. At any rate neither of these two factors should handicap them in the coming tilts. Both games promise to be the best that have been billed on Cemetery Ridge this season with neither team appearing to have much of an edge.

### NEW BINDING PLAN USED

Campus Library Staff Says Method of Covering Pamphlets Satisfactory

A new binding for the numerous pamphlets which flood the University library is being used by the bindery and is proving very satisfactory according to library officials who are in charge of the handling of the loose

pamphlets. By means of the binding facilities at the University Press, the pamphlets are made to resemble books, a stiff board cover being used. The title page of the pamphlet is neatly and skillfully used on the cover of the binding for the pamphlets, thus eliminating the necessity for the name to be written or typed on as was the case when the Gaylord binding was used.

The pamphlet collections at the University library are a steadily growing feature of the printed material handled by the institution. They are for the most part the gifts of business associations, governments, states, cities, schools and other organizations, and prove a useful source of information for the solution of an infinite variety of problems as well as providing desired information on many subjects.

### STUDENTS TO REPEAT PLAY

Charm School to be Produced at Springfield by U. H. S. Seniors on May 25

Definite arrangements for the Springfield performance of "The Charm School," the senior play of the University high school, have been made. The play will be given in the auditorium of the Springfield high school next Friday. The next event on the senior calendar will be a senior assembly featuring the class will, prophecy, and history, to be given in the high school auditorium at 9 o'clock tomorrow. After the assembly, the class will leave school for the day, and picnic at Seavey's ferry.

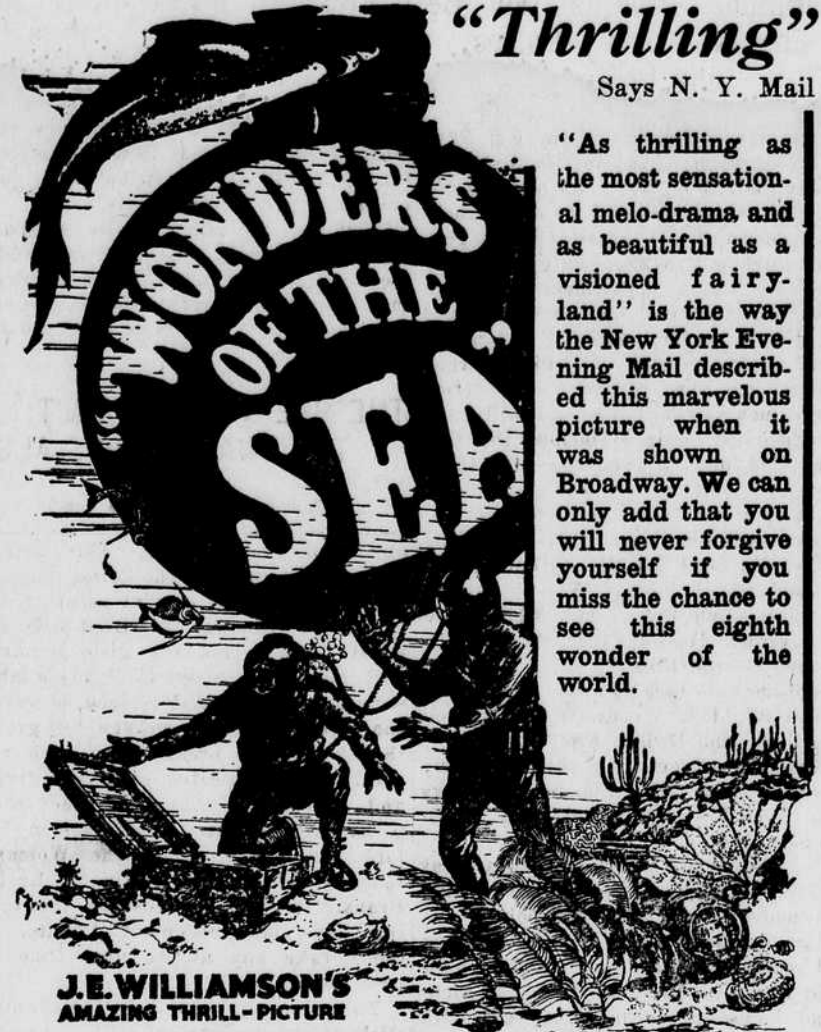

A dinner dance to be given at the Osburn hotel June 2, will be the last social event of the school year. The baccalaureate sermon, to be delivered in the Presbyterian church, will be given by the Rev. Bruce Giffen, student-pastor of the University. The graduation exercises will take place in the Methodist church. Dean H. D. Sheldon of the school of education will deliver the address.

LOST—At Anchorage landing between 4:30 and 6:00 Sunday afternoon. Brownie No. 2 camera. Reward. Call 793. 302-M-22-23

### CLASS HEARS DR. PARSONS

Faculty Member Talks on Social Service Work as a Profession

"Social Work as a Profession and the Opportunities for Women in the Field of Social Work," was the topic of an address given by Dr. P. A. Parsons of the University school of social service, to the members of the practical ethics class yesterday. Dr. Parsons outlined the history of social service work, the present phases of the service, the requirements of study for a social worker and the courses that the University offers to any one desiring to take up such work. His address was the second of its nature to be given this year, as Miss Elnora Thomson, also of the social school in Portland, spoke earlier in the year. On account of Dean Grace Edgington, who has charge of the ethics class, being out of town yesterday, Mrs. George Fitch presided in her place.

### UNIFORM COLLARS TO BE WORN

The members of the Home Economics club are making collars uniform in style, to be worn on the gowns of the girls of the graduating class. This is the first year that there has been any attempt to make the collars the same. They are made of heavy white material and sell for 25 cents. So far 70 orders have been placed.
