

JOURNALISM ASSEMBLY WILL BE HELD TODAY

Professor George Turnbull to Preside at Meeting

The first journalism assembly of the year will be held this morning at 11 o'clock in room 105 of the Journalism building for all journalism majors, and everyone taking a course in that department.

Professor George Turnbull of the school of journalism will preside. The following members of the Emerald and Oregon editorial staffs will be introduced: Arthur Ruda, editor of the Emerald; Leo Munly, business manager of the Emerald; Freda Goodrich, editor of the Oregon, and Myron Shannon, business manager of the Oregon.

Short talks will also be given by several members of the faculty. Those to speak are W. F. G. Thatcher, professor of advertising, Ralph D. Casey who has Dean Allen's classes during his absence, and Superintendent Robert C. Hall of the University press.

The various journalism activities and policies are to be explained for the benefit of the new students in that department. This will be the first of a series of events which are expected to develop the school spirit among the students of the journalism department.

DEBATE PLANS BEING LAID FOR GREAT YEAR

by Christmas. Paul Patterson who was a member of the University debate teams for four years, is to manage the do-not work this year. These contests are always received with enthusiasm by university students, and wish so much good material as is on hand this year, they promise to be unusually lively. Susan Campbell hall won the cup for the women's living organizations last year, while Phi Gamma Delta not only won the series among the men's houses, but captured the campus championship too.

VARSITY IS RAPIDLY GETTING INTO SHAPE

waiting for the old zipper to flow back into his injured knee.

The advent of Tiny Shields to the

coaching staff has meant the development of a third team which is being piloted by "Scrap Iron" Toole. This insures the varsity plenty of "Chopping block" material of a variety which shows fight—if lack of football knowledge at times.

In all probability "Shy" Huntington's men will go against coach Williams' frosh babes for a practice scrimmage on Saturday morning.

GET ACQUAINTED PARTY FOR FRESHMEN TONIGHT

Woman's Building to be Scene of Yearlings Festivities; Music and Stunts on Interesting Program

Tonight has been selected as the date for the freshman get-acquainted party, which is sponsored jointly by the Y. M. C. A. and Y. W. C. A. The party will be held in the Woman's building at 7:30 and will be just what the name implies. At the beginning of each year there is a need for the freshmen to become better acquainted, for every frosh to know every other frosh, and this party is for that express purpose.

Bob Mautz, Bernice Meyers, and Marie Meyers are in charge of the arrangements and a committee of this calibre is capable of great things. They promise a rare program of music under the personal supervision of Maude Schroeder and Christine Heckman. Both campus and outside talent of vocal and instrumental varieties will be featured and lively stunts and games are planned. Decorations are in charge of Bus Byers and he will offer an unusual display of gay autumn leaves which give an appearance of festivity.

All freshmen are not only invited

and urged to attend, but also expected to be there, wearing their best bibs and tuckers, for President Campbell will be on hand and he wants to meet you all.

ACTUAL SIZE

You like to grasp a pen like this. It's big. It's husky. It looks strong, reliable, long-lived. And it is.

This new Wahl Signature Pen is a wonder for college work. It never needs prompting. You don't have to shake it. Touch that flexible point to paper and the ink starts with your thought.

The Wahl Comb Feed regulates the flow so perfectly that the ink never floods. The ink capacity is enormous.

And the everlasting nib—it's a marvel. Its itself to any writing style. Just seems made for your hand. It is heavy

14-karat gold. Tipped with the hardest and finest grade of iridium that money can buy. Experts say this everlasting nib is the finest made.

Another big idea—clipped in pocket, purse, shirt-front, or notebook, the Wahl Signature Pen will not leak. The patented cap-construction assures this. The gold band you see around the cap prevents splitting.

There are two big sizes at \$7 and \$5—one for men, one for women. Ask for the Wahl Signature Pen. Other Wahl Pens from \$2.50 up.
