

OLD GRAD TO ADDRESS THURSDAY'S ASSEMBLY

Community Singing of Oregon Songs Will Be Feature

Edward Bailey, graduate of '13 and for three years right tackle on the Oregon football team, will be at the first meeting of the A. S. O. U., Thursday morning, to tell University students the meaning of Oregon spirit and to impress upon them the opportunities of living up to the Oregon traditions in the future. Bailey was also a track star while on the campus, and for three years was on the all-star northwest eleven, and during his senior year served as president of his class. He is a Lane county representative to the state legislature and very active.

Bailey's theme is to be the inspiring note throughout the assembly. Shy Huntington is going to give a few words on football; Bill Hayward will tell all he can about track for this year; and Virgil Earl will make a talk on his new football school.

"One of the biggest features of the student assemblies for this year, we hope, will be the musical part of the meetings," said Claude Robinson, president of the A. S. O. U. "We want to make the assemblies as interesting as possible, so for his coming Thursday we are undertaking the first development of our plan and will have some time given over to community singing, under the direction of John Stark Evans," he said. It is probable that there will be an Oregon song or two sung by the men's glee club quartet.

The first report on Homecoming will also be given at the assembly, by Haden Rockhey, chairman of the Homecoming committee.

DO-NUT BASKETBALL TO START OCTOBER 15

Organizations to Schedule Practice Hours with Hank Foster; Four Divisions to Vie for Honors

Do-nut basketball for men starts next Monday, October 15. Practicing must be done immediately if the various teams desire to be in shape for the opening games. Hank Foster is in charge and hours of practice should be arranged with him.

Each participating organization must send in a list of its players within two days in order that proper credit may be given.

"The floors are open at all hours during the day," says Foster, "and if any team wishes to practice, it may do so." He further states that any man practicing or playing with a do-nut team may substitute that for his regular gym work, provided the practice takes place the same day as his gym class. He must report to his instructor if such change is made. Any physical ability men may sign for basketball beginning next week.

The two teams placing highest in each of the four divisions will compete for the championship in a final round-robin, and the teams placing low will play for their position in the ranking, thus eliminating a too heavy schedule of games.

The first week's schedule follows:

Monday, October 15

4 p. m., Friendly vs. Phi Delta Theta.

5 p. m., Kappa Sigma vs. Sigma Chi.

Tuesday, October 16

4 p. m., Bachelordom vs. Sigma Nu.

EXTEMPO SPEAKING TRY-OUTS THIS WEEK

University Representative in League to Be Chosen

Tryouts for the extempore speaking contest of the convention of the Pacific coast public speaking league at the University of Oregon November 16, will be held Saturday, October 13, between 9 and 12 a. m.

"Extempore speaking is becoming an unusually popular activity at all the larger universities and colleges," said Elam Anstutz, forensic manager. "And with such strong institutions as the University of California, the University of Washington, the University of Southern California, Oregon Agricultural college, Washington State college, and Stanford backing up the Pacific coast league, Oregon must have the strongest possible candidate to represent her at the contest next month; the competition will be great," he added.

At the conference of the public speaking league here in November, the general subject for the contest will be adopted, and each candidate will be given some phase of the subject one hour before it is held. The speeches are to be limited to 10 minutes.

Those who plan to participate in the try-outs Saturday should see Debate Coach H. E. Rossen as soon as possible before then. His office is on the second floor of the Sociology building.

WHITMAN TEAM LOSES STAR FOOTBALL PLAYER

WHITMAN COLLEGE, Oct. 6.—(P. I. N. A.)—Whitman gridiron prospects for the coming season took a decided slump last week when Earl Tilton, captain for the 1923 team and for the past three years backfield star on the Missionary elevens, turned in his suit. He will remain as assistant coach.

He is kept out of the game on account of an injury to his knee, received last spring.

U. OF C. THANKS OREGON FOR OFFER OF RELIEF

Those Affected by Recent Fire Able to Face Loss Without Great Need of Help, Says Letter

The following letter has been received by Jack Benefiel, graduate manager of the Associated Students, upon the offer to assist the University of California in the emergency caused by the recent fire in Berkeley:

"Thank you for your letter of September 21, extending sympathy to the students of the University of California, and offering assistance in their emergency.

"The fire, of course, came as a shock to all of us, and it has wiped out one of the most beautiful residential districts of Berkeley. Fortunately, the majority of those people who lived in this section are able to face the catastrophe without great need of outside assistance, and I am sure that the program of rebuilding will be carried out immediately. Everyone has taken the catastrophe in good spirit, and I do not believe that we shall have to call on your for other assistance than the moral support which you have already offered. I want to thank you again for your kind offer, both on my own behalf and on behalf of the Associated Students.

"Very truly yours,
L. A. NICHOLS,
General Manager A. S. U. C.
