CLASSES WILL ROMP AT GIDDY GLEES SATURDAY

Night to be Revel of Costume Affairs; Dropping of Formalities will Characterize Parties

For the first time this term the whole University will run wild when all four classes hold dances next Saturday evening. Advance notices from those in charge of these events indicate that eats and thrills will be features at all the gatherings.

The seniors are dropping their austere and rigid countenances for an evening to don a smile and a "Mary Jane," or a laugh and knickerbockers. Rigorous rules of etiquette will be forgotten once the "campus examples" have settled down to the "kid party" romp in the Commerce hall. Food will be featured and for the first time in a year the "elders" will be allowed to cram something besides exams.

The juniors will rub elbows in the men's gymnasium at their junior cord christening caper. There will be oodles of girls and mystery, music and men, and Jack Myers will be head syncopator. Stepping starts at 8:30, with

no dates ahead. Sophomores will don their freshman initiation rags and jig to the tune of "turkey in the straw" at their hard time affair at the Campa Shoppe. Davy Jones will come up from his locker and pass around a sample of his "cider," and Paul Jones with his "ladies right and left", will rule the romping feet. Dates for "after the

party" are not to be made till 8:30. The freshmen will meet in the Woman's building.

The saving of the difference between "cash prices" and "charge" or "credit prices" is enough to turn the tide of affairs in many families that today are bordering on despair.
