

MU PHI EPSILON TO GIVE CONCERTS

First Program on Saturday
in Alumni Hall

ALL WOMEN ARE INVITED

Organization to Make Trips
Again This Year

Mu Phi Epsilon, women's national musical fraternity, recently announced their program for the year. There will be eight programs, four of which will be for the University, and the remainder for the townspeople. The majority of them will be held in the reception room of the school of music.

The year's program is as follows: October 20, miscellaneous, chairman, Virginia Owens; November 17, ultra modern music, chairman, Aurora Underwood; December 15, lecture on the "Passion Play" by Mrs. Anne Landsbury Beck and Dr. Landsbury; January 19, "The Music of the Slav," chairman, Mrs. Jane Thacher; February 14, program for University assembly, chairman, Gwendolen Lampshire; March 15, "American Music," chairman, Virginia Owens; April 19, "Russian Music," chairman, Frances Pierce; May 17, "Folk Music," chairman, Bernice Yeo.

First Program Saturday
The first program will be held Saturday, October 20, at Alumni hall. Tea will be served from 2:30 to 4:00 p. m., and as it is the first program of the year, all the women students of the school of music are invited, and are urged to attend for the miscellaneous program is considered by Beulah Clarke, president of Mu Phi Epsilon, as one of the best of the year. There will be six or seven numbers including piano, vocal and instrumental numbers, also a trio. Concerts were given last year by members of the fraternity in Cottage Grove and Wendling, Oregon. It is thought by Miss Clarke that this will be repeated again this year, and that they will also make another more extensive trip.

Scholarships Are Given
Two scholarships were awarded by the fraternity last year. The two women in the music department honored were Mary Burton, student of violin, and Bernice Yeo, student of piano. These scholarships entitled them to one year's lessons at the University of Oregon school of music.

Mu Phi Epsilon is considered by the faculty of the University as one of the finest scholastic fraternities. It serves as an inspiration for the many women in the school of music to accomplish finer things. At present there are 26 members, including the faculty members.

Personnel Named
The personnel of Nu chapter of Mu Phi Epsilon is as follows: Beulah Clarke, president; Aurora Underwood, vice-president; Virginia Owens, recording secretary; Frances Pierce, corresponding secretary; Mrs. Dixon, treasurer;

L. Campbell, patroness.

FELIPE GAMBOA TO HEAD FILIPINO ORGANIZATION

New Members Chosen at Club Meeting;
Dr. Warren Smith Elected
Adviser for Men

Felipe Gamboa was elected president of the Varsity Philipinenses at the first meeting of the club held last Saturday night at the Y hut. There are several new members in the club this year.

Other officers for the year are: Manuel Alcidi, vice-president; Lazaro Tateo, secretary; C. Cruz, treasurer. Dr. Warren D. Smith, professor in the geology department, was elected adviser.

One of the new members of the club, Julian Bocobo, is a graduate student in the University, having received his A. B. degree at the University of the Philippines several years ago. During his travels, he spent a year in South America where he was a newspaper correspondent.

In response to a welcome to the new members, Mr. Bocobo said, "The main reason why I came to the University of Oregon was that I had been informed that a spirit of friendly association and democratic ideas prevailed among the students."

The Varsity Philipinenses, an organization of Filipino students registered in the University, was formed a year ago to enable its members to take part in such athletic, forensic, and social activities as the club should undertake and to help promote a better understanding between the Filipino and American peoples.

The next meeting of the club will be held tonight at the Y. M. C. A. to outline the plans for the celebration of the Filipino flag day, October 30. All members are urged to be present.

Y. W. C. A. MEETING TODAY

Speeches and Music to Feature First
Gathering at Bungalow

At the first Y. W. C. A. meeting of the year, to be held at the Bungalow today at five o'clock, there will be two special speakers, also some good musical numbers according to Miss Florence Magowan, secretary. Mrs. Bruce J. Giffen, wife of the student pastor, will talk on the place of the Y. W. C. A. on the campus and why it should have a place in our lives. Miss Florence Buck, undergraduate representative, will explain the purpose of the organization and what it aims to do for us.

Miss Magowan is especially anxious that the new girls as well as all the old members be present as this meeting precedes the membership drive that begins next week.

PHYSICAL ABILITY TEST TO COME OCTOBER 25

Aspirants Urged to Sign Names
for Event at Men's Gym

The regular physical ability test will be given on October 25, one week from today. This will be the last test given for some time, and the staff of the physical education department urges that all men wishing to take the test take advantage of this opportunity.

In order to take the test the aspirants must sign the sheet on the bulletin board in the men's gymnasium before Wednesday evening, October 24. Any man not on the sheet will be allowed to take the test.

The department will be pleased to help anyone who wants to practice on the test if he will report to the office in the men's gymnasium. With a little practice and with a certain amount of skill almost anyone can pass the test.

The advantages of passing the test are of particular interest to freshmen because it permits them to choose their own sport and enables them to develop in that sport under expert instruction. This value has been very great in the last year because many physical ability men have become really proficient in their elected sports. These sports include swimming, tennis, boxing, wrestling, handball, basketball, and several minor sports.

In addition to this advantage physi-

cal ability men are permitted to choose their own hours of attendance and to take care of their own time.

At the end of the year when the physical ability pentathlon test is over the high point men in each class will be selected and their names placed on a large plaque which Mr. Arthur Hendershott, a local merchant, has donated to the department of physical education for men. Thus physical ability men have an added incentive to raise their present score, and the new men will have a chance to take the test and see how they compare with other men in the University. The test may be taken as many times as the student desires—either in an attempt to make it, or to raise his score.

ACTUAL SIZE

You like to grasp a pen like this. It's big. It's husky. It looks strong, reliable, long-lived. And it is.

This new Wahl Signature Pen is a wonder for college work. It never needs prompting. You don't have to shake it. Touch that flexible point to paper and the ink starts with your thought.

The Wahl Comb Feed regulates the flow so perfectly that the ink never floods. The ink capacity is enormous.

And the everlasting nib—it's a marvel. It suits itself to any writing style. Just seems made for your hand. It is heavy

14-karat gold. Tipped with the hardest and finest grade of iridium that money can buy. Experts say this everlasting nib is the finest made.

Another big idea—clipped in pocket, purse, shirt-front, or notebook, the Wahl Signature Pen will not leak. The patented cap-construction assures this. The gold band you see around the cap prevents splitting.

There are two big sizes at \$7 and \$5—one for men, one for women. Ask for the Wahl Signature Pen. Other Wahl Pens from \$2.50 up.
