MRS. GIFFEN SPEAKS AT Y. W. BUNGALOW

Florence Buck Explains the Purpose of the Organization; Drive to Start on Monday

"We are always receiving but we should learn to give, and this is one of the things the Y. W. C. A. teaches us," said Mrs. Bruce J. Giffen at the bungalow last night when addressing

the girls on the place of the association on the campus. Mrs. Giffen also explained the place in the world and other campuses that the Y. W. C. A. is taking, and other things that it does for the student who gives it her support. Florence Buck, undergraduate representative, spoke on the aims and purposes of the association. The musical selection was Dett's "Magnolia," a piano solo by Frances Strange.

About 125 girls were present and were welcomed by Mary Clerin, president of the association this year.

With the membership drive beginning next Monday, according to Florence Magowan, secretary, all girls will be given a chance to show themselves in sympathy with the work of the Y. W. C. A. by signing the pledge and the membership card. No fee is required to be a member of this organization.
