IDAHO INVASION TO BE ACID TEST

Game Saturday to be Crucial One on Webfoot Schedule in Coast Championship Race

OVERCONFIDENCE FEARED

Vandal's Strength Underrated by Many is Opinion While Oregon Possibly Overrated

By Monte Byers

The Idaho Vandals will invade the Oregon stronghold Saturday and from what we have heard it is going to be some invasion. Fresh from a victory over the Washington State Cougars, they are coming here in hopes of smearing varsity gore all over Hayward

Floating around in this Eugene atmosphere there is a feeling that Idaho is easy, and all that the varsity will have to do is step on the field, notify the referee and he will concede them the victory. Some may say that feeling isn't prevalent, but when one closely connected with the football situation feels it in the air, it must be there. Shy has the feeling that someone is underrating the Vandal horde. There is a possibility that the showing of the Oregon team in the first three games has carried someone too high in

Eleven men will be loing battle on the field with the Vandal invaders. Some dozen and a half more will figure in every play on the bench along with the coaching staff. They will need reinforcements to the number of 2000 leather lunged rooters in the grandstand, fighting with them, figuring in every play.

Idaho has not only the great Fitzke, a triple threat man, but a well balanced line and a backfield that plays up to

Campus to Greet Popular Colonel at Homecoming

It's a fortunate thing that football is with us again, for with football comes Colonel Leader, one of the University's most faithful friends, as well as one of the most enthusiastic Oregon rooters, that ever called encouragement from the bleachers. The colonel has promised to visit the campus at Homecoming in order to take in all possible football games.

Colonel Leader, accompanied by his family, intends to remain in Eugene for about a month. The trip will entail a tearing away from the thrills of oil promotion enterprises, and real estate deals that the Colonel is now interested in at Vancouver, B. C.

For the past three or four weeks he has been confined in bed with neuritis which has bothered him frequently since he suffered exposure during the war.

Surprised Students Are Pained by Library Delinquent Fines

"Oh, now listen, this is all a mistake!"

These were the general outbursts of surprised, and in some cases indignation among students, as they were confronted with their delinquent library fees last week in the business office as they serenely walked up to pay their fees.

Even though some few decided that the line farthest away from the stationed library official was the most attractive to stand in, and others denied having names when asked for identity, the plan adopted this year for reminding careless and forgetful ones proved very successful. Fines collected amounted to about \$90 in all.

Offensive Power of Backfield Revealed in New Formation: **Rooters to Turn Out Tonight**

The Whitman game is history. The next barrier in the conference gridiron steeplechase looms in the form of a vandal crew whose one idea one the coming week-end will be to break the unbroken string of Oregon victories over Idaho in past years. It looks as if the best chance in years was presenting itself to the bloodthirsty Idaho squad as they have been bowling over conference opposition in a manner that would seem to indicate that the varsity will have plenty of entertainment next Saturday.

Shy is drilling away every night whipping the team into a machine upon

which Oregon is depending to stem the rushes of the Idaho backs. There are but two more nights of actual grinding and it's no mean little job ahead of Shy against the Idaho offensive and at the same time

Victory Means Much to Oregon

The big fellow is a veteran and a letter man from last year's line which performed so nobly, but as yet he is sadly out of condition and it is doubtful whether he will be in shape for the contest with the Vandals. Offensive is Revealed

More of the real offensive power of the Lemon Yellow backfield was revealed last night when several new formations were used in scrimmage against the scrubs. Split bucks, desmashes all went off with equal precision and for good substantial gains.
