

INTEREST IN WRESTLING GROWING, SAYS WIDMER

Present Prospects Favorable For Varsity Squad

Wrestling at the University is gradually growing from a minor to a major sport, under the guidance of Coach Widmer. Although only one letterman has been turned out in the past three years, it is almost certain that some will be adorned with a wrestling "O" this year.

According to Widmer, the prospects are favorable for so early in the season. Robertson, Chatburn and Sumption of last year's squad are turning out regularly. Akers, Terjesen and Kirtley also last year men, are out for football and will considerably strengthen the squad when they appear in wrestling togs. It will not take long for them to get in condition as they are in good shape at the present time.

Other strong men of last year who wrestled in the do-nut matches or were out for the squad are playing football and will probably turn out for the varsity this year. The men are L. Anderson, Mills, Burton, Sinclair and Mautz, all heavyweights, who will help this division.

Baird, Simola and Morelock of last year's frosh squad are working hard in order to land berths on the varsity. Several promising freshmen are working out, but they are lightweights. Beyond a doubt the heavy division will receive some men when the frosh football schedule is ended. Every year there is a lack of candidates for the weights of 155, 165 and 175 pounds, but this year the coach expects to have a large harvest of big men.

Wrestling is gradually developing from a sport where brutal strength is used to one where strategy is required to win. Year by year wrestling is getting to be more of a scientific sport. It is not necessary that the strong man make the best wrestler but the one who is quick and uses his head to apply the different holds.

OREGON CLUB IS VICTOR IN HARD FOUGHT BATTLE

Sigma Nu Beaten by 19-16 Score; Sigma Pi Tau Defeated Easily by Kappa Sig, 37-5

Oregon club defeated the Sigma Nu five yesterday afternoon in the first overtime period contest of the year, 19 to 16. The contest was close and hard fought from start to finish and it was necessary to play a five-minute extra period to decide the winner.

The Sigma Nu's had a slight advantage in the first period and led at the half-time, 11 to 9. This advantage was soon cut down by the club in the next half and the two teams battled "nip and tuck," neither having any decided advantage. The whistle at the end of the second half found the two teams tied at 15 all. In the overtime period Oregon club scored 4 points to their opponents' 1, and clinched the victory. Beatty, Taylor and Young were the shining lights for the winners, while Lee with 12 points was the star for the losers.

The Kappa Sigma quintet had everything their own way in their game with the Sigma Pi Tau team and scored an easy victory, amassing 37 points to their opponents' 5. The winners outplayed the losers in all departments of the game, and worked the ball down for basket after basket. Fraser with 20 points and Johnson with 15 scored all but two of the Kappa Sig points. Miller and Houser were the mainstays for the losers.

The games for today: Phi Kappa Psi vs. Chi Psi at 4 p. m. Phi Gamma Delta vs. Sigma Chi at 5 p. m.

GIRLS' FORUM TO HOLD PRELIMINARY MEETING

President Campbell and Dean Esterly Will Offer Suggestions as to Purpose of Organization

An introductory meeting of the Forum, which is being organized by Women's league, will be held Thursday evening at 7:15 in the south room of the Woman's building. At this meeting, President Campbell and Dean Esterly will talk to the members, telling of the advantages of such an organization and offering suggestions and ideas as to work that may be done.

Members of the Forum are: Presidents of women's living organizations, the president of Girls' Oregon club, presidents of the Women's Athletic Association, Young Women's Christian

Association, Mortor Board and Kwama, the vice presidents of the classes, and the elected and appointed members of Women's league executive council. Georgia Benson, president of Women's league, will act as president of the organization.

The Forum is being formed for the purpose of handling problems and questions arising on the campus which the women of the University are interested. Arrangements for regular meetings will be made at this time.

BIG SISTER TEA DRAWS HUNDREDS OF CO-EDS

Record Breaking Attendance at Sponsor-Sponsee Affair Bespeaks Success of New Plan

The first sponsor-sponsee tea, held in the sun parlor of the Woman's building yesterday afternoon under the auspices of Woman's league, proved very popular. Hundreds of "big and little sisters" called during the afternoon, drank tea, danced and learned to know each other better. Many of the house mothers were guests at the affair also.

These teas will be given once a month throughout the year, as one of the regular Women's league teas. The list will be revised at the beginning of each term, thereby affording a better opportunity for the freshman to become acquainted with the upperclass women. Luella Hausler is chairman of the "Big Sister" committee.

MANY TAKE WORK BY MAIL

Extension Work Made Basis for Study by Douglas County Teachers

Correspondence courses in educational measurements and psychology given by the University extension division are being used as a basis for study by teachers in Douglas county, says Miss Moz's'le Hair, secretary of extension teaching in the University. Almost all teachers in the county are taking the course and much enthusiasm has been shown, according to Mrs. O. C. Brown, rural supervisor of Douglas county, in a letter to Miss Hair.

"This is the first time that a whole county has used correspondence courses for study," Miss Hair declared "and the results are being watched with interest at the extension division."

R. H. WHEELER CONFINED TO HOME BECAUSE OF ILLNESS

Dr. Raymond H. Wheeler, professor in the psychology department, was unable to be on the campus to meet his classes yesterday and may be confined to his home for several days with a severe attack of quincy from which he is suffering. Dr. Wheeler became ill on Monday and although his condition is not thought to be serious he will be obliged to remain at home until the condition of his throat is improved. Announcement of when he will again meet his classes will be posted in the main hall of the psychology department in McClure hall today and tomorrow.

DEAN ESTERLY TO ENTERTAIN; TEAS WELL LIKED BY WOMEN

Dean Esterly will be at home to the women of the University this afternoon at 667 East Twelfth street. Tea will be served from 4 to 6 as usual. A large number of girls are enjoying these informal affairs given by the dean.

REPORTERS DAZZLED BY NEW TYPEWRITERS

The Fate of Old Mice a Question; Proposed Museum May Welcome Them as Antiques

Emerald reporters and all students who haunt the "shack" received the shock of their lives during the past two days when upon entering the news-writing room they were confronted by the dazzling spectacle of fine new typewriters standing in bright and shining array in the place of the time-worn and dilapidated old friends which have been the cause of the untimely corruption of so many journalistic vocabularies.

What the fate of the ancient relics of the craft will be is unknown. Perhaps the proposed new museum on the campus may welcome them as reminders of the good old days when the Emerald appeared cautiously every week minus messages from communicative members of the student body, a full column of campus announcements and editorial wisdom on the propriety of bobbed hair.

But—the new order welcomes the inviting looking array of noise makers in the news room and it is hoped that they will prove as inspiring as they look to the weary inhabitants who pound out their daily quota.

FINAL SHOWING TODAY AT REX THEATER OF "WOMAN-PROOF"

The final showings of the Paramount picture, "Woman-Proof," starring Thomas Meighan, with Lila Lee playing opposite, which opened at the Rex theater on Monday last will take place there this afternoon and evening. The story is by George Ade, produced by Alfred Green. It is a melodramatic comedy. Starting tomorrow, Tom Mix will hold the screen at the Rex in Zane Grey's new novel, "The Lone Star Ranger."
