

# WOMEN'S DEBATE TO START TONIGHT

Question Chosen Same Subject as Argued By Men

## SIX HOUSES ENTER LEAGUE

Zeta Kappa Psi Will Award Cup to Winners of Meets

Tonight at 7:15 in the Commerce building will be held the first of the women's do-nut debate series. The question will be the same as that used by the men debaters last week: "Resolved, that the state of Oregon should adopt a severance tax on timber." Six women's houses have signified their intention of debating. Members of Zeta Kappa Psi, national honorary forensic society for women, will have charge of the debates, acting as chairmen.

### Teams Given

Houses which have announced that they will debate tonight, and members of their teams are: Alpha Delta Pi: Affirmative, Mary Raker and Ethnor Ely; negative, Beulah Smith and Cecil McKecher. Susan Campbell hall: Affirmative, Dorothy Dickenson and Eva Nealon; negative, Edna Spenker and Mildred Whiteomb. Delta Delta Delta: Affirmative, Delia Sherwood and Edith Pierce; negative, Katherine Reade and Alma Lawrence. Hendricks hall: Affirmative, Marian Lowry and Margaret Clark; negative, Gertrude Tucker and Ellen McClellan. Chi Omega: Affirmative, Maude Neighbor and Janice Damon; negative, Camille Burton and Louise Bartlett. Sigma Beta Phi: Affirmative, Emily Houston and Viola Thompson; negative, Marian Hayes and Marie Strube. Up to a late hour last night, Oregon club had not definitely indicated whether or not it would have a team.

### Question of Interest

The question is of particular interest at this time, for in spite of unfavorable action taken on it by the last legislature, there are factions in the state which are still advocating it, and it is thought that the issue will probably be revived for consideration again.

Owing to the fact that since the schedule was made out, two houses, Pi Beta Phi and Gamma Phi Beta, have dropped out of the league, a reorganization of the schedule will have to be made to shift teams which were to have debated those houses. This will probably not be done until 7:00 tonight, when all debaters and judges are asked to assemble promptly at room 105, Commerce building, to be assigned to rooms in which to debate.

### Cup Won by Club

Following the debate of tonight, there will be three others in which the women will participate. These will be one for all contestants tomorrow night, each team debating a different one from tonight. From the results of tonight's and tomorrow night, debates, the teams winning the highest number of points will be se-

lected to meet each other. The winning house in this series will be awarded the silver loving cup which is given by Zeta Kappa Psi to the victorious team. The cup was given first year before last, and was won by Oregon club. Last year Susan Campbell hall obtained possession of it.

### New Shield Offered

As a grand finale to the season's work in do-nut debate, the winning house in the women's league debates will debate the winner of the men's series for possession of the Tau Kappa Alpha shield. Last year Phi Gamma Delta, by virtue of winning the shield for the third time, gained permanent possession of it. A new shield will be offered this year.

### "THUNDERGATE" DRAMA OF ORIENTAL INTRIGUE AT REX

"Thundergate," a thrilling drama of Chinese and American intrigue, laid amid the pretentiousness of the Orient, is featured at the Rex theater today.

This play, which has won most gratifying praise wherever it has been shown, is a First National picture, based on Sidney Herschel Small's popular novel, "The Lord of Thundergate." Drama, romance, adventure, and a leaven of comedy have been blended into "Thundergate," a picture which will stand as a criterion of its type.

## STUDENTS MUST SECURE TICKETS TO AGGIE GAME

Admittance to Hayward Field Saturday Only by Pass

All students should secure their tickets for the Homecoming game as soon as possible, Jack Benefiel, graduate manager, announces. Student admissions for the big game are to be given out at the Co-op upon presentation of student body tickets.

There is no charge for the tickets, but admittance to the game will be given out at the Co-op upon presentation of student body tickets. The reason for this action is to keep a record of the number of student attendance at the game. In figuring the gross receipts of the game, 50 cents is allowed for each student attending and

in this manner an accurate tally may be made.

The Co-op has now 4,000 more Homecoming envelopes for sale. The first 5,000 went fast and as there is still nearly a week before Homecoming the rest should find a ready market. Letters to grads should all be enclosed in these envelopes, the Homecoming chairman says. House organs which are now being sent out among alumni should also use the Homecoming envelopes.

The price for the envelopes has been reduced. They are now selling at 12 for 10 cents where formerly the price was 10 for 10 cents.
