UNIVERSITY OF OREGON, EUGENE, WEDNESDAY, NOVEMBER 21, 1923

NUMBER 42

## WEEK-END PLANS NEAR COMPLETION

### Welcoming Committee to Have Booths at Both Depots to Direct Incoming Alumni

## CAMPUS "HELLO" IS FIRST

### All Trains to Be Met and Grads Taken to Administration Building for Registration

Plans for greeting and housing the grads at the big time this week-end are complete, the committee chairmen announce. The students will have to do their part in making the alums feel that they are back at home, that this is a real Homecoming. The old campus "hello" is the first thing. The welcoming committee asks that every student remember to say "hello" to the guests whenever they meet them.

The welcoming committee have planned for a booth at both the O. E. and S. P. depots to help the incoming alums. These booths are to be in charge of the Kwamas. The Oregon Knights will meet the trains.

Autos will be at the depots to meet all trains and bring the grads out to the administration building to register. The rooms and accommodations committee are placing a booth in the Ad building for this registration of guests. The booth, which will be open from 1 o'clock Friday afternoon to before the game Saturday, will also take care of information, badges and tickets.

## Cars Needed

Alumni of Oregon and visiting alums will be provided with free admittance tickets to everything except the game. Every living organization on the campus will be asked to provide one car for use Friday afternoon and evening and Saturday morning until 1:30 p.m. Houses or individuals who wish further information should call the welcoming chairman, Douglas Wright, at 127.

The housing committee reports that townspeople are slow to call up about available rooms, but that a room list has been worked out and the grads will be adequately taken care of. The committee are planning on providing 400 rooms for guests. Requests by letter and telegram have come in for 100 rooms already.

Students should see that guests go first of all to the administration building to register. There will be no other way to secure a room than through the committee during the week-end, for all hotels are reserved for the entire time.

## Townspeople Cooperate

The mayor of Eugene and the Eugene chamber of commerce have promised to lend their support to this year's Homecoming and secure the cooperation of the townspeople. They plan to stage a special "clean-up" day before this week-end in order that the city may look its best. The downtown section is going to have some special decorations in the way of flags and special street lighting. Extra window displays will also be a feature for Homecoming.

On account of the big game Saturday afternoon, which practically everyone will attend, the city merchants will close their doors on Saturday from 1:30 p.m. until 5:30 p.m. The committee wishes to warn the students to be sure and secure tickets for the game at the Co-op and not try to get into the bleachers on their student body tickets. The special student tickets are the only means of admission. There is no charge for them, they are merely an aid in figuring gross receipts from the game.

## New Shrubs Are Being Planted on Campus Grounds

Fall planting has been actively going forward on the campus under the direction of Mr. H. M. Fisher, superintendent of buildings and grounds. Some 800 new shrubs are being put in about the various buildings, including Hendricks and Susan Campbell halls, the woman's, Oregon, commerce and art buildings, and the new heating plant.

Fifty each of English Laurel, Sumac and Wigellia, and 25 each of Hydrangea and Cotoneaster Franchetti plants are only a few of the varieties which will beautify the campus. A special list contains European White Birch, Betula, Azaleas, Golden Glow and Forsythia.

The row of scarlet oaks on University street is to be continued with the planting of another dozen trees.

A Japanese plum tree which stood in the way of the conveyor being built to the heating plant has been moved to a spot at the west end of the Woman's building. The tree, which is over 18 years old, was difficult to move on account of the amount of dirt it was necessary to take with the roots. It is pruned and bare of leaves now, but in the spring has a decorative bronze foliage and deep red flower.

## DR. E. T. WILLIAMS TO SPEAK AT ASSEMBLY

### Meeting Announcing Museum Opening to Be Friday

This week's assembly, which will be held on Friday at 11 o'clock instead of Thursday, will be devoted to the formal opening of the new collection of old Chinese paintings and other gifts recently presented by Mrs. Murray Warner to the Murray Warner Memorial Collection of Oriental Art, in the Oregon Museum of Fine Arts.

Dr. E. T. Williams, former secretary of Far Eastern Affairs, will give the address of the morning.

The date of the assembly has been changed to enable campus guests who would probably not be able to come down as early as Thursday to attend the exercises, which will be held in the Woman's building, where the art collection is to be housed. Both the art collection and Women's league rooms will be pressed into service for exhibition of the art treasures.

Dr. Williams, the speaker, is reputed to be an exceptionally fine one. He is an authority on Oriental art, having spent a large part of his life in the Orient.

After his ordination as a minister of the Disciples of Christ church, he held several important pastorates in the United States, and then went as a missionary to the Orient. He spent nine years in missionary work, and at the end of that time became an interpreter to the American consulate-general at Shanghai. After this he held numerous other positions with the Chinese government and representatives of the American government in China. He was translator to the Chinese government at Shanghai, Chinese secretary to the American legation at Peking, consul-general at Tien-tsin, secretary of the American legation at Peking, and chief director of Far Eastern Affairs of the department of state.

Upon his return to the United States, he was sent as a technical delegate to the peace conference at Paris in 1919, and was a member of the committee

## CAMPUS LUNCHEON WORKERS NAMED

### The Men's Glee Club and Band Will Furnish Music During the Serving of the Meal

## MENU STILL KEPT SECRET

### Alumni and Upperclassmen to Be Served on Main Floor of Men's Indoor Gymnasium

The campus luncheon at Homecoming this year will be half again as large as any luncheon in the past. The committees for taking charge of the various phases of feeding the crowd were announced last night by Georgia Benson, chairman of the luncheon committee.

The transportation committee, of which Hank Maier is chairman, includes Hubert Agee, Bob Officer, Arthur Sutton, Ralph Tuck, Harry Watson, Bart Kendall, George Hinkle, Walter Carrington, Clifford Powers and Wilbur Wester. This committee is asked to report to Hank Maier at 9:30 Saturday morning.

## Serving Committee Named

The serving committee for the campus luncheon is under the head of Marjorie Hazard, with Wenona Dyer as assistant chairman. Supervisors are to be Clare Wheelhouse, LaVerne Spitzberger, Vera Hughes, Betty Honkanen and Lillian Flint.

Servers in the indoor gym for the alumni and upperclassmen are Genevieve Phelps, Edna Murphy, Helen Sherwood, Helen Stephens, Virginia West, Phyllis Coplan, Freda Goodrich, Margaret Smith, Hilda Chase, Augusta Hamilton, Florence Huntress, Maude Neighbor, Areta Littlejohn, Emmy Lou Douglas, Josephine Rice, Clara Meador, Frances Cochran, Wave Anderson, Winifred Graham, Helen Reynolds, Dorothy Cushman, Emily Houston, Helen Kiblan, Alberta McMonies, Gertrude Harris, Miriam Schwartz, Crete Gray, Ralph Hamilton, Delbert Finnigan, Maurice Kinzel.

## Underclassmen to Help

Those who will have charge of the serving in the outdoor gym where the underclassmen are to be served are as follows: Bess Edwards, Ninon Trenchmen; Margaret Hyatt, Marjorie Merrick, Helen Webber, Virginia Bryant, Gertrude McIntyre, Letitia Capell, Margaret Cleveland, Marlyne Andrus, Alice Olson, Mary Crombie, Elizabeth Donald, Kate Rutherford, Lenore Baldwin, Grace Chapman, Josephine McCarty, Pauline Wright, Florette Janelle, Melba Macy, Isabelle Tremayne, Helen Wagner, Thama Barnard, Dorothy Dickinson, Catherine Inwood, Lois LaRoche, Lillian Wilson, Henry Hall, Robert Neighbor and Wilton Roberts. The members of this committee should meet the chairmen at 9:30 Saturday morning.

Clean-up is under the supervision of Bob Gardner. His committee will meet at 1 o'clock and be assigned to their various tasks. They are Jerry Gunther, Charles Colistro, Charles Stockwell, Bud Pearson, George Mansfield, Maurice Warnock, Ken Stephenson, Jerry Young, Bob McCabe, Fred Gerke, Jimmy Garland, Tom Graham, Art Gale, Al Skinner, Fred Harrison, Ed Casey, Steele Winters and Laird McKenna.

## Plans Now Complete

The plans for the luncheon are now complete. The menu will not be announced until Saturday morning. Alumni and upperclassmen will eat in the main floor of the men's gym. They will enter on 13th street and use the exit on University street. The underclassmen will eat in the outdoor gym, entering by the 13th street door and leaving by the four handball courts.

There will be posters to indicate where to go and what to do. The men's glee club and the band will furnish music during the hours of serving.

## LIBRARY ADDS NEW BOOKS

### Volumes Have Been Purchased by C. W. Smith, Librarian

The first volumes of a collection of \$1,000 worth of scientific journals have been received by the library recently. These journals were purchased in Europe this summer for the University by C. W. Smith, associate librarian for the University of Washington, while he was on a buying trip for books and journals.

From a German dealer, a set of "Archives De Biologie" was purchased. The set consists of volume 1 to 29. "Revista Di Psicologia," volumes 1 to 15 and volume 17; and four books of "Psiche" were bought by Mr. Smith while in Italy. The new journals are to be placed in the regular stacks of the circulation room.

## FIRST OF DEBATE SERIES FINISHED

### Susan Campbell-Hendricks Tie For High Score; Chi Omega is Second With Four Points

## NEW SCHEDULE IS MADE

### Winning Teams Will Compete in Finals for Shield Offered by Forensic Organization

The first of the women's debate series was held last night in the Commerce building with seven houses represented. Scores as made by respective houses were as follows:

Affirmative	Score
Alpha Delta Pi	2
Delta Zeta	1
Susan Campbell Hall	3
Hendricks Hall	2
Delta Delta Delta	1
Chi Omega	1
Sigma Beta Phi	0
Negative	Score
Delta Zeta	1
Sigma Beta Phi	2
Alpha Delta Pi	0
Delta Delta Delta	1
Chi Omega	2
Susan Campbell Hall	2
Hendricks Hall	3

Totals are as follows:

Alpha Delta Pi	3
Delta Zeta	2
Susan Campbell Hall	7
Hendricks Hall	7
Delta Delta Delta	2
Sigma Beta Phi	3
Chi Omega	4

## Third Place Undecided

No teams are distinctly out of the finals, as seen by the results, though Susan Campbell and Hendricks decidedly lead the lists. It is entirely possible for any team to have third place in the finals.

The second of the series will be held tonight at seven o'clock at the same place. At that time the three winning teams will be picked and arrangements made for the final debates between the three men's and three women's teams.

## The schedule for tonight's debates are:

Affirmative	Negative
Delta Delta Delta	Delta Zeta
Sigma Beta Phi	Alpha Delta Pi
Alpha Delta Pi	Susan Campbell Hall
Hendricks Hall	Delta Delta Delta
Delta Zeta	Chi Omega
Chi Omega	Hendricks Hall
Susan Campbell Hall	Sigma Beta Phi
Delta Zeta	Delta Zeta

Delta Zeta is a new entrant in the contest having sent their representatives last evening for the first time.

## Two More Planned

Following the debate tonight, there will be two others in which the women will participate. From the results of last night's and tonight's debates, the teams winning the highest number of points will be selected to meet each other. The winning house in this series will be awarded the silver loving cup which is being given by Zeta Kappa Psi, women's forensic society, to the victorious team. The cup was given first, year before last, and was won by Oregon club. Last year Susan Campbell hall won it.

The final debate between the men and women will determine the possession of the Tau Kappa Alpha shield. Last year Phi Gamma Delta, by winning the shield for the third time, gained possession of it. A new shield will be offered this year.

## PLEDGING ANNOUNCED

Sigma Pi Tau announces the pledging of Tau Coon of Tall Timber, Oregon.

## Theta Sigs to Be "at Home" Thursday for Entire Campus

All campus tea hounds and sofa snakes will have an opportunity to haul out the old golf knickers and bold-headed canes tomorrow, as the members of Theta Sigma Phi, women journalists will be at home from 3 to 6 p.m., to receive their friends and well-wishers in the Theta Sig room of the old shack. Dancing will be part of the order of the day, say the scribes, since the floor will be nicely smoothed off with a liberal coating of soap chips. Music is being furnished through the kindness of the "chief scribe," Miss Grace Edgington, who has lent her phonograph for the occasion.

This is the second time that the pen-pushers of the campus have held open house, the first occasion having been last spring. At that time a goodly sum of filthy lucre was poured into the coffers for the purpose of furnishing a rest-room for all the women of the journalism school.

Tomorrow's occasion will be similar to that of last spring. A coin box will be placed in a convenient place and visitors will be asked to contribute to the worthy cause of making the furnishings more complete.

## UNDEFEATED FIJIS LEAD IN BASKETBALL LEAGUE

### Bachelordon and Kappa Sigma Win Tuesday's Games

STANDING OF LEAGUE "A"	W.	L.	Pct.
Phi Gamma Delta	2	0	1000
Phi Kappa Psi	2	1	.666
Friendly Hall	2	1	.666
Phi Delta Theta	1	1	.500
Beta Theta Pi	1	1	.500
Sigma Chi	1	2	.333
Delta Tau Delta	0	1	.000
Oregon Club	0	1	.000

Bachelordon of league "B" defeated the Sigma Nu five in a fast and hotly contested game yesterday 23 to 20. The Sigma Nus started with a dash and led at half-time 15 to 8. The Bachelordon quintet came back in the second half, however, tied the score and forged into the lead in the last two minutes of play. They held the slight three-point lead throughout the remainder of the contest. Martin and Myers starred for Bachelordon and Lee showed up especially well for Sigma Nu.

In the second contest yesterday, the Kappa Sigs mistook the contest for a track meet and ran all over the Chi Psis to the tune of 50 to 2. Fraser, with 26 points, was the leading scorer of the game, while he was closely followed by Okerberger with 20. Burke annexed both of the Chi Psi counters on converted fouls.

The games for today will be: Beta Theta Pi vs. Phi Delta Theta at 4 p.m.

Phi Gamma Delta vs. Phi Psi at 7 p.m.

The Fijis are leading the league with two victories and no defeats and seem to have arrived with a bang, in mid-season form. They are not only hitting the basket with great regularity but are showing excellent teamwork and passing in working the ball down under the basket for their shots. They are a slight favorite over the Phi Psis in tonight's contest.

The Phi Psis, after making such a

(Continued on page three.)

## VARSITY ELEVEN SCRIMMAGE FROSH

### Battle Stops at Dark; Latham and Chapman Display Best Offensive Work of Season

## CAMPBELL IN SHAPE AGAIN

### Ex-Stars See Practice; Team Expects Professor Howe and Umbrella Every Night

The football men homeward plodded their weary way, last night—long after the sun had quit for the day, and several of them limped as they dragged their mud covered brogans toward the dressing room, for they had had a real battle with a contingent from Baz William's crew of freshmen football artists.

The varsity seems to be going again for the first time since the Whitman contest put several of the best men on the crippled list. While Vonder Ahe is not yet out in a suit, and probably won't be for the O. A. C. game, he is out on the field a portion of each night getting the signals and plays so that he will be able to fit into the aggregation that goes against Washington. Cogs Campbell and Dick Reed are playing the game of their lives at the tackle berth.

## Varsity Shows Fight

Last night's scrimmage showed the varsity is developing the dash and fight that characterized their playing before injuries sent their hopes of a championship aggregation tumbling. Hunk Latham was tearing off yardage against the Freshman squad that compared favorably with the distance covered by some of the cross-country men—only he did it sooner. In fact, there were several times that the whole interference and runner co-ordinated so successfully that the whistle was all that kept them from crossing the goal line.

Chapman is playing his real game. He realizes that this is his last opportunity to go against the Aggies and he has no intentions of finishing with a defeat chalked against him. He has a habit of calling the plays where the opposition don't think they will come—and then making yardage. Terjesen is also back in the line-up; not as a cripple with orders to watch his leg; but as the fighting fullback that got him the name of the "Great Dane."

## Anderson Fast Back

Louie Anderson has been working out as a halfback. Anderson is fast and heavy. He made yardage several times against Stanford and with seasoning will develop into a demon back field man. Anderson isn't a Dane, but he has the fighting instinct of the Scandinavian.

The ends are still unproven. Since Risley's injury Zimmerman and Williamson have been working out at left end and Mautz and Kinney playing around the extreme right end of the line. The coming contest will give them a chance to redeem themselves and show Oregon football followers that there are men on the squad who can learn to play end if they are not natural born wing material.

## Old-Timers See Practice

The center of the line will be about the same. Several minor strains are slowing up some of the men, but time and Bill Hayward will have them in shape by next Saturday's contest. Since O. A. C.'s sensational comeback in the game with Washington State, campus crepe hangers have been bemoaning their lack of faith in Oregon's chances. As long as Oregon fight lasts, she has always got a chance against anybody, and at present even the L. N. P.'s on the squad have ceased to grumble and are eager to work late and get there early to get the varsity in shape for the fray. Baz Williams was even on the firing line, last night, directing the maneuvers of his grey clad battlers. Spike Leslie and Skeet Murphy were out watching the practice, as was Athletic Director Earle. Professor Howe is always out. The players consider that he brings them luck and that if his umbrella should ever be mislaid so that he would be unable to come, consternation would strike the varsity squad. Three more practices and then the big time is here.

## REGISTRAR GIVES NOV. 23 AS

## LATEST DATE TO WITHDRAW

No student will be permitted to withdraw from school later than Friday, November 23, without petitioning the faculty. These directions are given in compliance with section 38, of the University regulations. The rule will be strictly enforced so that any student intending to withdraw should do so previous to that date.

## Noise Carnival Friday Night Will Be a Howling Success

If old fiddling Nero and his gang of Roman lounge lizards could be in Eugene Friday night, and could get an earful of the noise carnival, they would blush for shame and pull their togas over their heads when they thought of the crash of the city walls, and the shrieks of the mob as the eccentric fiddler hurled a firebrand into the haymow of Caesar's livery stable and then squealed gleefully on his ancient Strad.

That noise gabosh which starts at the school and shrieks, grumbles, groans, roars and howls its way to the armory, is going to make the deceased roll about in the cemetery and heap curses on all mortals. The noise fest

is going to knock the peaks off the neighboring buttes.

The hoof beats of Attila's Huns will be a murmur in comparison with the procession that steams down Eleventh avenue and disturbs the silence of the little city for a couple of hours. The clash and clatter at Waterloo will have nothing on our little howl fest.

Everything from a crochet hook to a steam callopie is going to be commanded for the gloom dispelling performance. Band saws, circle saws, meat saws and any saws that ever sawed will have a welcome place in the ordeal of screech. The saw has always been an instrument of music and
