

TWO GRADUATES WIN RECOGNITION

Bain and Solve Honored at U. of Michigan

FORMERLY ON FACULTY

Men Among 48 Winners of Ann Arbor Awards

In the list recently published of 48 graduate students at the University of Michigan, who have been awarded scholarships, occur the names of Read Bain and Melvin T. Solve, both from Eugene. Mr. Bain, who taught in the sociology department here last year, now holds a \$430 fellowship. Mr. Solve, who was a member of the faculty in the English department here last year, holds a \$550 fellowship.

Bain Gets M. A. in 1921

Read Bain instructed in the sociology department of the University in 1921 and 1922, and held the position of graduate assistant in sociology in 1920. He received his B. A. degree in 1914 from Willamette university, and his M. A. degree from the University of Oregon in 1921.

During the war Mr. Bain instructed flying in the U. S. army, having received a flying cadet certificate from the S. M. A. at the University of Texas in 1918. He taught in the Eugene high school before coming to the University. During his second year here Mr. Bain was vice-president of Phi Delta Kappa, educational fraternity. In 1920 and 1921 he had several articles along sociological lines published.

Solve Has B. A.

Mr. Solve, who took his B. A. degree from here in 1918, received a graduate scholarship from the University of Christiania, Norway, which he attended in 1920. The year before he was an instructor of English in the University of Oregon.

On his return from school in Norway, Mr. Solve married Norma Dobbie, also a teacher in the English department. Mrs. Solve took her B. A. degree here in 1914, and four years later joined the faculty.

FACULTY VOTES DOWN USING CAPS AND GOWNS

Annual Commencement Question Settled as Usual; Advisory Council Chosen

The faculty will not wear the academic cap and gown at commencement. This was decided after much discussion, at the faculty meeting yesterday. The question has come up several times in previous years, always with the same result. In many western colleges the practice of wearing the costume is optional, but at Oregon, for the last two years, the president and deans appearing upon the platform are the only ones who have worn them. In many of the old eastern

colleges, all the faculty members appear in the cap and gown at commencement.

At the meeting, Deans H. D. Sheldon and E. C. Robbins, and Professors J. H. Gilbert and E. L. Paekard were re-elected to the advisory council, which meets with the president to discuss University policies. The council membership includes three deans and three professors not deans. One dean and one professor hold over from the last council. This year, Dean W. G. Hale and Dr. J. D. Barnett held over.

Debate Tryouts to Be Saturday

All aspirants for varsity debate see H. A. Rosson, 206 Sociology building, before Saturday to arrange for tryout Saturday morning between 9 and 12.

The tryout speeches are to be eight minutes in length. Women are to take the severance tax question and men the world court but speeches on the severance tax will be acceptable for men also.

Teams selected at these tryouts will participate in the men's triangular debate to be held with Idaho and British Columbia, January 18, and the women's Oregon-O. A. C.-Willamette debates February 15.

SHY'S SUCCESSOR BIG QUESTION

city of assistant coach if he so desires. It would not be taking a great deal of leeway, however, to say that he would leave for a head coaching job providing the monetary consideration were great enough.

Nibs Silent Partner

Nibs Price is the silent partner of the great Andy Smith and it has been said of him by well versed observers that he has contributed as much as Smith to the success of the California eleven. Price first attracted attention as a coach when he guided the San Diego high school eleven to a sectional championship. Shortly afterwards, he went to California, and a majority of his championship interscholastic aggregation followed him and became members of the "Wonder Team" of 1920.

Virgil Earl, Jack Benefiel, and Prof. Howe left for Berkeley yesterday noon to attend the meeting of the Pacific coast conference which is meeting at this time for the purpose of drawing up next year's schedules, and until they return, no official action in the direction of obtaining a coach can be made.

FOOTBALL RECEIPTS HEAVIEST IN HISTORY

Heavy Losses at Seattle Offset Other Gains

Although the returns from this year's football season will probably be the heaviest in history, they are not as much as they should be, says Jack Benefiel, graduate manager. Throughout the season the financial returns have been better than was expected.

Although at the early season games and the Stanford and O. A. C. games, the gate receipts were high, the loss incurred at the University of Washington game will just about offset the gains from the other games. The greatest difficulty in this part of the country, is the lack of covered grandstands.

The one at O. A. C. holds a little over three thousand, the University grandstand has capacity of not quite 4,000, while at the Multnomah club, about three thousand can be accommodated. Thus, Oregon's share from a good crowd will amount, at the most, to about \$7,000. At the University of Washington, a game that will draw the crowd, a good date is necessary to insure profit.

Although the totals are not final, the season's receipts will amount to about \$25,000. The expenses of the football season will approximate \$24,000. This includes coaches, salaries and expenses of all the trips. Seven thousand is paid for salaries alone. "The receipts for this season," says Mr. Benefiel, "will just about pay the expenses and put the new roof on the Hayward bleachers. Contrary to the popular student opinion, football does not pay the expenses of the other athletics during the year."

SONG WILL BE REVISED

Committee Appointed by Council to Change Oregon Refrain

Some minor changes in the Oregon "alma Mater" song may be put into effect in the near future as a result of an action taken by the

student council, last night, in voting to appoint a committee to confer with John Stark Evans and others especially interested in Oregon music in regard to the proposed changes.

The dance committee of the council reported that January 4 had been given to the Oregon Knights for a student body dance and that regular student body dances would be held February 9 and April 11.

SUSAN CAMPBELL TEAM WINS 30 TO 0 VICTORY

Game With Kappas Not as One-Sided as Score Shows; All Contests Must be Over Next Week

Although the score indicates a one-sided contest the game played last night between Kappa Kappa Gamma and Susan Campbell hall, 1, resulting in a 30 to 0 victory for Susan Campbell, was one of the fastest, cleanest games so far this season. There were few fouls, with both teams putting up a hard, plucky fight.

The work of Golda Boone, center for the winners, was especially good. Adah Harkness played her usual good game as Susan Campbell forward, while Dorothy McKee, Kappa guard, gave her a hard struggle with excellent guarding.

Other games scheduled last night were called off, making an already serious situation more difficult. Florence Baker, head of basketball, stated. All games in both leagues must be played off before the end
