

FROSH HOOPERS PLAY THIS WEEK

Jefferson and Franklin Fives to be Played

PRACTICE TILT SECURED

Other Games Scheduled Include Trip South

The freshman basketball squad is rounding into shape preparatory to tackling two of the fastest Portland high school aggregations here this week-end. The first contest will be with the strong Jefferson high five, Friday afternoon, and the frosh will play the Franklin team the following afternoon. Because of the varsity games, which will be played with the North Pacific Dental college on the same dates, the frosh games will be played in the men's gymnasium in the afternoon.

Both of the Portland teams show early season prospects of having speedy aggregations and each will, in all probability, give the babes good games. The Jefferson team defeated the Willamette freshmen, who in turn took the long end of the score in a game with Washington on the same day. The Colonials are credited with having a strong aggregation, and this makes the showing of the Democrats all the more formidable.

Jefferson Team Smooth

Quigley, the coach of the Jefferson team, seems to have struck a smooth-working aggregation and one which should give its opponents considerable worry. The Democrats are probably the most likely looking squad in the Portland league at this stage in the season. While not much is known at present of the Franklin high squad, it is very seldom that Coach Meek, of the Quakers, does not have a five that is well up in the race in the Portland interscholastic league. It should be no easy pickings for the frosh when they tackle the Franklin bunch, on the day after they play Jefferson.

Frosh Material Good

The babes have been practicing steadily each evening from 4:30 to 6:00 and Coach Evans has some likely looking material for each position with several promising alternates. These games will give Evans a chance to see which combinations work the best together, and to pick his team. The squad has been put through some extensive scrimmage during the last couple of weeks in order to have them in the best possible condition to open the season.

Besides the games with Jefferson and Franklin here this week-end, another contest has been scheduled with the Lincoln high quintet, of Portland, to be played here on January 26. The other games scheduled definitely thus far are the games to be played with the O. A. C. rooks here on February 8 and 9, and the two return games with the rooks at Corvallis on February 29 and March 1.

Trip South Possible

While the other contests are all tentative, attempts are being made to arrange a trip for the frosh in the southern part of the state, where they would play probably the Roseburg, Medford and Ashland high schools. It is doubtful as yet, however, as to whether this trip may be arranged.

A practice tilt will be held today when the frosh will scrimmage against the University high school, who captured the interscholastic championship of the state last year. This will be done in order that the men will be on edge for the game Friday, and to give them a little practise against outside competition.

The lineup Friday evening will probably be chosen from the following men: Westergren, Westerman and Chiles, forwards; Okerberg, Flynn, Shulte and Carter, centers; Kiminki, Reinhardt and Hughes, guards.

HAYWARD WEEDS OUT TRACK CANDIDATES

(Continued from page one)

Astoria; D. Faulkenhager and T. Kjelland of North Bend.

Bill has his frosh proteges reporting at an convenient hour from 11 until four o'clock. He plans, as they increase in efficiency, to place them in the regular 3 o'clock squad, from which the frosh team is to be picked, and thus eliminate these early morning sessions out in the little grey house.

"There are several men of high school prominence on the campus," Bill said, "who could make good in track work at the University. They should be turning out."

Bill also explained that by turning out now these men would not only have a better chance to develop, but it would alleviate any risk they might run by coming out later and hurting themselves by trying to compete with men who have been training all year.

ESTELLE VADNAIS AND HORACE COOKE MARRIED

Estelle Vadnais and Horace Cooke both former students of the University, were married at Albany shortly before Christmas. The couple spent the holidays at Seattle and other parts of Washington, where they also visited with Mr. Cooke's people.

Mr. Cooke, when on the campus has been a resident of Friendly hall and Mrs. Cooke lived in Eugene while attending school.

HIGH SCHOOL STUDENTS TO GIVE THREE-ACT PLAY

THE DRESS REHEARSAL IS AMUSING COMEDY

Stage Life is Theme of Play to be Given This Month

A most amusing comedy of stage life is "The Dress Rehearsal," to be presented by the junior company at Guild hall, January 23, 24 and 25. The fussy stage mother, the typical Jewish stage manager, the querulous playwright, and the lovelorn leading man, furnish the main elements of amusement. Those who have seen the rehearsals predict success.

The leading man, Jerome Belden, falls in love with Bettina Dean, an ingenue. To be near her, he joins the company, and an arrangement is made in which her company is to produce a play which will be a complete failure. "Dora's Dilemma" or "The Drop of Poison" is the play which is chosen. Rehearsals for this are exasperating; all indications point to a complete fiasco. The play has a sudden and unexpected ending. The situation is droll; the lines are clever.

The cast is as follows: Bettina Dean, Gerda Brown; Jerome Belden, David Swanson; Max Rosenbaum, Terva Hubbard; Mrs. Dean, Katherine Pinneo; Tompkins, Paul Krause; Effie, Beth Fariss; Johnny, Henry Sheldon; Smith, Walter Malcolm; Billings, Bernard McPhillips; Night Clerk, Lexro Prillaman; actresses, Helen Mayer, Florence Couch, Florence Grandall; MacGinnis, Clifford Zehring, Goldman, Tom Hines, stage hands, etc., John Ellstad, Gordon Wilson, Virgil Mulkey and Wade Kerr. Mr. Fergus Reddie, head of the department of drama and speech arts, is directing the play.

CONTRIBUTIONS MADE TO FRIENDSHIP FUND

Donations Go As High As Five and Ten Dollars; Checks May be Mailed to Y. W. C. A.

Contributions to the amount of \$274.50 have so far been received from students and faculty for the student friendship fund for the relief of student conditions in Russia, according to an announcement made last night by Florence Buck, local treasurer of the fund.

Although but slightly more than a hundred persons have contributed, nearly every donation was at least a dollar and a half. Some ran as high as five and ten dollars. A gift of \$50 was received from Mr. and Mrs. Walter Barnes, members of the Oregon college.

Eastern colleges and universities with larger student bodies than Oregon have contributed as much as \$6,400 each, for the same fund.

Pledges or checks may still be mailed to the Y. W. C. A. bungalow, according to Miss Buck. Payment for pledges need not be made until the first of March.

W. A. A. HAS MEETING OF EXECUTIVE COUNCIL

Letters Awarded for 500 Points Can Be Worn on Anything But a White Sweater

Winners of the small yellow "O," awarded for 500 points under the point system of W. A. A., will be allowed to wear the emblems on anything but a white sweater, it was decided at the first meeting of the executive council of the Athletic association, held last night in the Woman's building.

This decision was reached after several months of debate as to the fairness of allowing winners of

letters for 500 points to wear them on white sweaters which would resemble the awards given for 1,000 points. The official women's varsity sweater is the white sweater with the large "O."

Another membership campaign will be conducted soon for the women who entered college this term and for those who neglected to join during the week of the campaign last term. After this membership will be open only during the first two terms of the school year, and closed the last.

Plans for appointing song leaders among the girls in the various classes were discussed. The purpose of such a move is to further interest in class teams. Arrangements for this will be completed before the class games in swimming and basketball start.

STATE HEALTH BOARD VISITS AT UNIVERSITY

Four Men Are Entertained on Local Campus; Report Received on Living Conditions

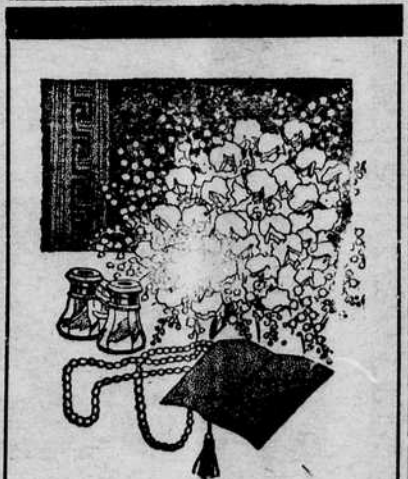

A committee of four members of the state board of health spent the day on the campus yesterday in the interest of learning the status of health conditions at the University. The visitors arrived at noon and were entertained at a luncheon at Hendricks hall preceding the conference with University officials at the president's office in the afternoon.

Although this session occupied the entire afternoon, no action was taken and the committee will make its report to the board of health on the basis of the discussion which took place. This was in the nature of reports from University health service on its work among the students of the University and general discussion of the problems which confront the administration in this work.

Members of the committee of the board who met with the president, the staff of the University health service and several regents, were: Dr. Frederick D. Stricker, of Portland, chairman; Dr. C. J. Smith, Portland; Dr. W. B. Morse, Salem; Dr. George E. Houck, Roseburg.

IDAHO ICE RINK RUINED BY ENERGETIC GOPHERS

University of Idaho—(By P. I. N. S.)—With gloomy faces the students of Idaho survey the diminishing prospects of an ice skating rink and a winter carnival. The big rink which was constructed under the supervision of the university "I" men has been spoiled by the activity of some energetic gophers. Three times the rink has been flooded and each time the water has run down the gopher holes. At the present rate, say the student engineers, it will take until the spring thaws to freeze the gophers out.

SENIORS' FIRST FORMAL PLANNED FOR FRIDAY

Affair to be Women's Choice With Men Arranging Dance Program

For the first time since it has been at the University the class of 1924 will dress up to attend one of its own dances, was the decision of the fourth year students at a meeting last night. After a great deal of discussion, it was decided that the party to be held at the Osburn hotel next Friday night, was to be formal for the women and the men were to use their own discretion as to whether or not they would wear formal clothes.

The committee on the dance reported its decision to make the affair one of women's choice. There was a great deal of discussion on both sides of this question, but it was finally decided that the women would once more have the privilege of inviting the men to a dance. The committee wishes it understood, however, that the responsibility of the women ends there, and that the men will attend to the trading of the dances after they arrive at the party.

Patrons and patronesses for the first senior formal will be Dean Esterly, Dean and Mrs. Colin Dyment, and Miss Madeline McManus.

The University recently purchased a set of Community silver for use in the home economics department. The set consists of a dozen pieces of each article and is stamped with the University seal.

More luncheons and dinners will be served from now on, according to Miss Tingle, and in the spring, breakfasts will be served also.

CO-EDS TO GET LETTERS FOR STUDENT ACTIVITY

University of Idaho—(By P. I. N. S.)—Co-ed letters for participation in college athletics and other things are to be awarded to the Co-eds at Idaho. Although it is almost impossible for a girl to get one except through four years work, this same plan was voted down by a large majority last year.

Sanitation and Cleanliness

has been our hobby for a number of years. It is part of our service to you, and your protection. All of our help is in white uniforms, and they are kept clean. Our food is kept under glass cases—150 feet of cases for the purpose of sanitation. In the summertime, when the season's pests—the flies—flourish, the flies are kept out of the store by means of electric fans. The food is kept cool during warm temperatures by the same means. All of these are precautionary measures we have taken to insure your health and the purity of your food.
