

# MEET PLANNED FOR SWIMMERS

### Competition is Thursday in Women's Building

### FAHL WILL PICK TEAM

### Varsity and Frosh Aquatic Stars Will Compete

The first swimming meet of the season will be held Thursday evening, instead of Wednesday, as previously announced, at 7:30 in the tank at the Woman's building. This meet, according to "Rudy" Fahl, varsity swimming mentor, will determine what candidates will make the team and will also show the present ability of the men in competition.

#### Distances of Swims Reduced

As the varsity and freshmen swimmers are not in the best of condition, the distances of the events have been reduced. Don Park, who has been in charge of the yearling aquatic stars, has been working his proteges overtime in order that they will be able to carry off the meet. Fahl isn't saying much before the fray, but is confident that the freshmen will receive a neat drubbing. By the way that the varsity swimmers have been getting down to business and training, there may be such a thing as several records lowered.

#### Seven Events Listed

Seven events have been put on the program, consisting of the 40-yard dash, backstroke, 80-yard dash, diving (4 required and 3 optional), 200-yard dash, plunge for distance and relay, six lap medley. The varsity and frosh entries are:

40-yard dash—Varsity, McCabe and Gardner; frosh, Lombard, Stone, Marshall and Dills.

Backstroke—Varsity, Palmer, Yoran, Gardner and Angell; frosh, Lombard.

80-yard dash—Varsity, McCabe, Palmer and Yoran; frosh, Lombard, Stone, Boyden, Marshall, Alderman, Dills and Bonbright.

Diving—Varsity, Horsfall, McCabe and Angell; Frosh, Stone and Lee.

200-yard dash—Varsity, Yoran, Herrin, Horsfall and Mauthe; frosh, Lombard, Boyden, Alderman and Bonbright.

Plunge—Varsity, Wiswall, Heider and Sousa; frosh, Alderman.

Relay—Varsity, McCabe, Herrin, Horsfall, and Palmer; frosh, chosen from the following, Lombard, Stone, Marshall Alderman, Dills and Bonbright.

#### Scott Will Referee

Harry A. Scott, director of the physical education department, has been chosen as referee for the meet. As there is a lack of anyone in school who understands the technical points of diving, "Hank" Foster, "Rudy" Fahl and Don Park will judge the dives. J. Cossman and "Hank" Foster will judge the finish, while "Rudy" Fahl will act as the clerk of course. Dave Evans and Earl Widmer will be on the job as timers.

### PHYSICS LABORATORY VISITED BY PREPPERS

#### Students From Cottage Grove High See Departments Under Dr. A. E. Caswell

About a dozen students from the Cottage Grove high school were visitors of the chemistry and physics department last Thursday, according to Dr. A. E. Caswell, professor of physics. "Some of them are expecting to attend the University next fall as freshmen," and Dr. Caswell, "and they came over to see the equipment of the physics and chemistry department. Superintendent Hayes of the Cottage Grove public schools and a former assistant in the local physics department, came with the students."

"The preppers spent several hours on the campus. They looked over the physics laboratories and lecture rooms." Dr. Caswell explained the work of the department to them. "They seemed to appreciate their visit very much and took special interest in the research work," continued the physics professor.

In the chemistry department they were especially interested in the laboratory work and research work being carried on there. A great number of the visitors are hoping to make either chemistry or physics their major.

### NEW TENNIS COURTS ACCOMODATE MANY

#### Average of Fifteen Person Play Every Day of Week; Nets Are Rarely Down

Although sixty-nine people took advantage of the ten new tennis courts last Saturday, there is room for a great many more, according to Mr. C. W. Starr, who collects the fees and keeps the courts in shape. The courts, with a capacity of forty persons, have never been used at one time by more than thirty-two persons. During the week an average of fifteen a day have been playing.

An interesting fact is that four times as many men as women have been taking advantage of the courts.

All the courts are swept practically every day in order to provide a sure footing. The nets are never taken down, except in extremely stormy weather, and early risers will never find the courts locked. A fee of ten cents an hour is charged to assist in defraying the maintenance cost.

### Y. SECRETARY WRITES

#### Mrs. Donnelly Receives Card From Worker in Orient

A very curious and unusual letter was received by Mrs. Donnelly at the campus Y. W. hut yesterday from Ben H. Schmidt, ex-'17, who is a Y. M. C. A. secretary at Nanchang, China. The envelope as well as the card within was a very deep blood color. At the top of the card was a large Chinese character done in brilliant gold. Beneath were the words: "This Chinese character for happiness and success is my wish to you for the New Year."

Mr. Schmidt while a student on the Oregon campus, was the boy's secretary of the city Y. M. C. A., and was later sent to Washington State to do Y. M. secretarial work. From Washington he was sent to China, where he now is.

### 'SCHOOL FOR SCANDAL' NEXT PRESENTATION

#### Popular Farce to be Given by Senior Company

The senior company will present Sheridan's "School for Scandal," at Guild hall, February 21, 22 and 23. "School for Scandal" is considered an "all-star" play, and the cast includes many well known campus stars.

The play deals with eighteenth century life, and it to be presented as a classical comedy. It is a brilliant farce which has never lost its popularity. A satire of the foibles and follies of that society, its wit is sparkling and its appeal so universal that it is always enthusiastically received. It had a very successful run in New York last year, with such stars as Walter Hampden and John Drew in the cast.

"A departure from the usual production will be made," said Mr. Reddie, head of the dramatic department, who is directing the play, "in that modern realism will be done away with." Simple back drops will be used in place of elaborate stage settings, and the stage technique will be formal. Interesting period costumes will be worn.

Prominent roles will be taken by Elizabeth Robinson, Kate Piane, Wenona Dyer, Betty Belle Wise, Bernard McPhillips, Darrell Larsen, Dave Swanson and Virgil Mulkey. They will be supported by a large cast made up of both junior and senior company members.

### CLASS BASKETBALL SEASON COMMENCES

#### Sophomore Team Defeats Junior Squad in Fast Game by Score of 21 to 16

In the first class basketball of the season, played last night, the sophomores, team 1, beat the juniors, team 2, with a score of 21 to 16. It was a fairly fast, exciting game, considering that the teams are new and are not yet used to working together.

Mildred Onslow, a sophomore, showed up especially well with excellent basket shooting. The juniors were a little slower and were heavily guarded.

The schedule for the class games for the rest of the week is as follows:

Tuesday, January 29—Junior (1) vs. Sophomore (2).

Wednesday, January 30—Freshman (1) vs. Freshman (3).

Thursday, January 31—Senior (1) vs. Freshman (2).

Friday, February 1—Freshman (3) vs. Sophomore (2).

Next week's games will be played between the classes' first teams.

The University high school lost a basketball game to Roseburg this week-end, by a score of 25 to 34. The game was fast and most of the baskets were made from the center

of the floor. Powers, center of the University high team, was their main star. This is the third game the high school has lost this season, and all of them were played on foreign courts.

The next game to be played will be at Cottage Grove, with the Cottage Grove team.

### MONEY FOR Y.W.C.A. DUE

#### Committee Will Be Organized For Collecting Funds

A large portion of the money pledged to the Y. W. C. A. last term by University women is now due. It has been coming in very slowly, says Miss Florence Magowan, secretary of the Y. W. C. A.

Margaret Seymour, newly elected head of finance on the Y. W. council, is picking a committee with which she will work out plans for collecting the pledges. All women are urged to pay their money as soon as possible.
