## TUCK IS FORCED TO QUIT SCHOOL

**Veteran Track Man Will Not be on Varsity This Year; Hayward Has Hard Job**

## RELAY SQUAD SELECTED

**McCune, Gerke, Mauney and Keating Make Up Group for Two-mile Contest**

Oregon track followers will be sorry to learn that Arthur Tuck has been forced to withdraw from school, because of outside conditions, over which he has no control. This places Coach Hayward in a bad way, for he had been banking on Tuck to win two or three firsts in the weight events. It is late now to develop new material capable of taking his place.

At last night's tryouts, Coach Hayward decided that the varsity half-milers compose a relay team which should have an opportunity to compete in the meet at Seattle. By the process of elimination in one of the fastest half-mile exhibitions run this year, McCune, Gerke, Mauney, and Keating were selected to go. Humphrey lost by a small margin.

## Quarter-milers Named

The 440 tryouts for the fourth place on the mile team was another fast race, and was won by Hermande, with Poulson, Ager, and Ben Lucas bunched close behind. Risley, Kinney, and Rosebraugh won the first three places by their showing in the inter-class contests Saturday. By sending these quarter-mile and half-mile men, Oregon not only will be able to enter the mile and the two-mile relays, but will probably place an entry in the medley.

In some hard races yesterday afternoon the freshmen relay teams which will meet the Rooks Saturday at Corvallis were picked. In the 100-yard dash, Stonebraker was picked from among five entries to make the fourth man in the 440 relay team. Westerman, Extra, and Holt will make up the rest.

## Final Meet Tonight

The mile relay men will run a final heat tonight to pick their fifth man. Wilbur, Swank, Jeffries, and Price have already clinched their places. The 880 team will be composed of Flannigan, Extra, Stonebraker, Westerman, and Holt. Swank, Jeffries, and Michel will run the two-mile relay and those to run the three-mile relay are Conley, Barnes, and Glenn Schneider.

## EUGENE PUPILS PLAN HI-JINKS STUNT SHOW

A Hi-jinks of nine stunts is to be presented at the Eugene high school building on Friday, May 2. The shop department and the Nestoria Debating society have charge of the entertainment, which will be in the nature of an old time county fair, until 8:15 o'clock, when the regular Hi-jinks program is to begin.

The carnival, which was originally planned by the Nestorians to be given separate, is to have sideshows presenting everything from the torture show to the original Georgia Minstrels. A bally-hoo band will promote the general spirit of the occasion.

The Hi-jinks will be composed of a stunt from each of the classes, the Nestorians, the shop, physical education department, and the faculty.

## IDAHO UNIVERSITY TO HONOR WAR DEAD

University of Idaho—The "hall of memories"—in which will be engraved the names of 600 Idaho men who lost their lives in the World War—will be the future of the Idaho Memorial building at the University of Idaho. The building is to be combined armory and gymnasium in honor of Idaho's ex-servicemen.

The United States war department has issued the roll of Idaho's "immortals" who will be honored in the hall of memories. Alumni of the University of Idaho will aid in financing the building.

## Forum to Discuss Rules for Campus Picnics and Hikes

Rules and regulations concerning picnic parties and hikes will be discussed by the Women's Forum at a regular meeting to be held in the Woman's building at 7:30 tonight. Georgia Benson, president of the league, urges all members to be present.

A meeting of the Women's league executive council will be held immediately following the forum meeting.

There will be but one more meeting of the forum for this term. Some of the problems dealt with by the group this year include senior privileges, the question of courtesy to chaperones and patronesses, and vacation rules concerning the matter of late hours.

She did not return to school this term, due to the illness of her mother, but will be back in the fall term to continue her studies. Mr. Archer attended the University of Washington for three years and last year transferred to this campus.

## SKITS PLEASE DIRECTOR

From all reports, the Vod-vil will surpass anything of its sort put on in former years. There are eight big acts with the feature, "Captain Jacqueline," Imogene Letcher's new musical comedy, which is rapidly acquiring finish in the daily rehearsals.

Dave Swanson, director of the Vod-vil, who is in charge of all the acts, declares himself highly pleased at the type of skits on the program.

Students are urged to get their tickets early. The two shows are being put on in order to allow a larger number to see the performance, as a number were disappointed last year because of the limited capacity of the house.

## COMMITTEES CHOSEN FOR PICNIC AND DANCE

## CONFERENCE OF DEANS WILL BEGIN TONIGHT

## Tentative Program Given by Committee Head

The first meeting of the conference of deans of men and student advisors of the Pacific coast, will be held tonight at 8 o'clock at the Hotel Osburn, when the preliminary discussions will be held. A tentative program of procedure for the conference has been given out by Dean Walker, University of Oregon student advisor, who is in charge.

The formal program will be held Friday and Saturday of this week with the men's room of the Woman's building as the headquarters. A special luncheon Friday noon at the Anchorage will give the visitors a chance to meet and confer with University of Oregon student leaders.

At a dinner to be given Friday evening, various members of the faculty will meet the visiting deans. A tour of the campus will probably be included in the program of entertainment, and it is possible that the sessions of the conference will be adjourned in favor of the O. A. C. Oregon baseball game Friday afternoon.

A complete list of those who have signified their intentions of attending are: G. W. Peavy, O. A. C.; Fred Farley, College of the Pacific; W. E. Nicholl, Pomona college; G. A. Alden, Willamette university; J. E. Gould, University of Washington; F. T. Barnard, W. S. C.; George Culver, Stanford; Henry Price, Pacific university; Dean Straub and Dean Walker, University of Oregon.

Another matter to be discussed at today's meeting is the policy of the organization regarding the applications of other institutions for chapters in Phi Beta Kappa.

## MISS MADELINE McMANUS TO LEAVE OREGON CAMPUS

Miss Madeline McManus, secretary and assistant professor in the school of business administration, will not be back next year. She is planning to return to her home in Chicago, and may take some work at the University of Chicago, of which she is a graduate. Miss McManus is well known on the campus, having held her position in the school of business administration for the last four years.

## Two More Enter Ring Today for Vice-President

## Milton Brown and Edward Sox Make Triangle with Hesden Metcalf; Mary Jane Hathaway Will Oppose Ruth Akers for Secretaryship

By Arthur S. Rudd

This office was an interesting place last night. Rather bewildered-looking candidates were trotted up by worried self-appointed "campaign managers." Qualifications were presented in rapid-fire order by brusque young promoters, as the candidate stood, perhaps a little self-consciously, in the background.

The campus waited a long time before it began talking politics; but when it got started—and it did not really get well-started until yesterday—how the candidates did pour in!

Interest in the race for student presidency held through from the first. It was not until 8:30 last night that friends of Randall Jones came forward with the announcement that he would oppose Clyde Zollars, who entered the race yesterday.

Jones will draw his strength from the fact that he is an old and experienced head in executive work and his four years on the campus have given him an acquaintance and a reputation for efficiency which will stand him in good stead in the coming week.

The race for vice-presidency came into prominence yesterday, too. Edward Sox, who is a transfer from Albany college this year, and a junior in law, came forward as a possible running mate for Zollars or Jones. His entrance was not a surprise. The entrance of Milton Brown early last evening, threw a bomb, however, into the speculations of the swarm of evanescent politicians that have gathered on the campus this week. He too, seeks the vice-presidency, as does Hesden Metcalf, who announced yesterday.

## League Election a Factor

The effect of the Women's League elections, Tuesday, worked out a situation which is about what the campus dopesters predicted, especially in the instance of the secretaryship of the student body. Mary Skinner, who

## SENIORS TO BE NAMED FOR PHI BETA KAPPA

Election of seniors who are eligible for membership in Phi Beta Kappa will be considered at a meeting of the Oregon chapter of the national honorary scholastic fraternity in room 8, Commerce building, at 4 o'clock this afternoon. A committee has been working for several weeks for information regarding probable new members. The lowest possible average which entitles a student entrance into the organization is 2.25. titles a student entrance into the organization is 2.25.

Another matter to be discussed at today's meeting is the policy of the organization regarding the applications of other institutions for chapters in Phi Beta Kappa.

## MOTHERS HONORED BY GIRLS' RESERVE CORPS

Different divisions of the public school Girls' Reserve corps united in giving a mother and daughter banquet last night at the Christian church. Miss Helen Price, national secretary of the organization in the Northwest region, spoke at the affair. The reserve work is a part of the community work done by University students. Girls who are advisors for groups are: Elizabeth Phelps, Winifred Andrews, Thelma Kimberling, Emily Houston, Lois Easterbrook, and Bernice Rasor.
