

HOOPERS BUSY ON RUDIMENTS

Reinhart Stressing Value Of Fundamentals

FAST THINKING NEEDED

Barnstorming Trip Planned For Coming Holidays

Basketball practice is now on in full force, with three practices being held each week. The practice days are Monday, Wednesday, and Friday from five to six o'clock. The men are still being put through the fundamental drills which include pivoting, stopping, turning, and passing. No basket shooting has been held as yet. This will come after the fundamentals are well learned.

Two new baskets have been put up in the gymnasium, one on each side. This will enable the men to get more practice at shooting baskets. Practices will be held in the men's gym until the first of the year when the varsity squad will practice in the armory down town.

Team Practice Needed

"The knowledge of fundamentals is the most important thing to a basketball team," Coach Reinhart said. A successful team must have a thorough knowledge of these in order to have any kind of team work. A player must be taught to use the right play at the right time. The rest of the team must be taught just what play to expect.

"Too much time and effort cannot be given to the study of fundamentals, even at the expense of basket shooting," said Coach Reinhart. A player well versed in the basic points of the game is much more valuable to the team than a good shot. Almost any player can shoot well enough if given the ball in a scoring position.

Strong Squads to be Met

The mental efficiency of a basketball player must be of the highest order. A slow movement, a hesitation or a miscalculation will throw the whole team off. All these fine points of the game can only be obtained by hard and consistent practice.

A barnstorming trip will be taken during the Christmas holidays. This tour will cover games with all the strongest club teams in the Willamette valley including the non-conference teams; Chemawa, Mt. Angel college, and North Pacific Dental college. The strong Columbia club of Astoria will also be met on this trip.

Men turning out for practice are: Hobson, Gillenwaters, Jost, Gunther, Kiminki, Westergren, Reinhart, Westerman, Flynn, Okerberg, Dallas and Chiles. Stoddard will be out as soon as football season is over.

PHI BETA KAPPA ADDS SEVEN NEW MEMBERS

(Continued from page one) in the spring term, when 25 are usually selected.

Initiation of the pledges will take place some time this term, on a date set by the executive council of Phi Beta Kappa.

The Phi Beta Kappa fraternity was founded in December, 1776, at the Williams and Mary college, Williamsburg, Virginia. At this time it was a secret organization, having for its badge a square silver medal with the Greek letters Phi Beta Kappa upon the face. Later, this was replaced by the familiar key, bearing the same Greek letters.

In 1831, under pressure of the agitation prevalent against secret organizations, the Harvard chapter gave up its mysteries and after that the fraternity became an organization to which only those who attained an unusual scholarship record were elected.

The Alpha chapter of the University of Oregon was installed in 1922. Several chapters have been granted other universities since that time, bringing the total to 99 Chapters for chapters of Phi Beta Kappa can be granted only to those Universities and colleges in which students receive B. A. degrees.

EIGHT DEBATERS CHOSEN FROM SQUAD OF FIFTEEN

Out of a squad of 15 debaters eight were chosen for the debate squad, and out of this number four will be chosen later for the contest with O. A. C. Those chosen last night were Sol Abramson, Robert Creamer, Herschel Brown, Jack McGuire, Benoit McCroskey, Lincoln Erwin, Ernest Henriksen and F. Reid. O. A. Brown, debate coach, requests that the group meet at 5:15 o'clock today in 206 Sociology building on important business.

VARSITY GRIDSTERS ARE KEEN FOR TOUGH GAME

(Continued from page one) good chance to tie or possibly beat the powerful Huskies.

The varsity is still intact, injuries, not having affected the squad to any considerable degree, and playing with the Old Oregon fight, the Lemon Yellow gridsters will cause the northern eleven no little worry.

Although the wet field will slow and hamper the Oregon offense, it will do much the same to the Huskies. It will be hard for either team to make any spectacular or even respectable yardage gains through or around the line. Passing will be rather difficult and dangerous to use on such a muddy gridiron, so it will no doubt develop into a steady game with each team striving to out-wit the opposition and get a "break" that will decide the issue.

Probable lineup will be as follows:

Oregon	Washington
Mautz.....RE	Seivers
Kerns.....RT	A. Wilson
Bailey.....RG	McRae
Wilson.....C	Walters
Shields.....LG	Bellman
Reed.....LT	Kuhn
Bliss.....LE	Cole
Anderson.....Q	Guttormson
Terjeson.....LH	G. Wilson
Vitus.....RH	Hanley
Jones.....F	Tesreau

MEMBERS NAMED FOR NOMINATING COUNCIL

Five of the seven members of the nominating committee of the alumni association have been appointed, according to word from the alumni office yesterday. James Gilbert of Eugene is chairman. The other members are: Mrs. John F. Bovard, Eugene; Ray M. Walker, Independence; Dorothy Collier, Eugene; and Lyle F. Brown, Portland. The other two will be appointed tonight from the alumni who come back today. This committee will nominate the president and vice-president for the coming year, the alumni council having been elected by ballot.

There will be a general alumni meeting at 10 o'clock Saturday morning in Guild hall, where the two officers will be elected; preceding this meeting, the alumni council will meet at 9 in the office of Jeanette Calkins, alumni secretary.

SIDLIGHTS ON PHASES OF BIG HOMECOMING

(Continued from page one) won't be the usual affair of tramped toes, as the three dances, the two upperclass at the Woman's building and the Campa Shoppe, and the underclass one at the Armory will relieve the congestion.

Homecoming is the time when the band works to its fullest capacity. It will play in the noise parade, and the rally on Friday and at the luncheon and at the game on Saturday.

Palmotors will be quite handy things to have around for the game tomorrow.

The peculiar sounds which already rent the air are good evidence that the noise parade will be a howling success tonight.

EBBA FREDERICKSON TO APPEAR IN RECITAL

Mu Phi Epsilon Will Have Charge of Concert

Miss Ebba Frederickson, 20-year-old violinist, will be presented in concert at Villard hall, November 12, under the auspices of the local chapter of Mu Phi Epsilon, national honorary musical organization.

Miss Frederickson is considered one of the most promising of the younger American musicians. The following review concerning her work appeared in the Chicago Musical Leader: "One of the most gifted artists who has appeared in a Chicago recital. There was character, charm, and beauty in every passage, good bowing, true rich tone, direct, free and authentic interpretation which left nothing to be desired in the way of a finished presentation."

Students and townspeople will be given a chance to hear the young musician at popular prices. Members of Phi Mu Alpha, men's honorary organization, will assist in the ticket sale which will start the first of next week.

PLEDGING ANNOUNCED
Alpha Delta Pi announces the pledging of Dorothy Jane Baxter of Walla Walla, Washington.

SEND THE HOMECOMING EMERALD HOME.

FINAL PROGRAM FOR RALLY DECIDED UPON

(Continued from page one) entries must be at the starting point before 7 o'clock.

The fireworks display on Skinner's butte will start when the head of the parade reaches Willamette street. Pete Brooks has charge of the distribution of the \$250.00 worth of pyrotechnics to the various noise machines and has also charge of the display on the butte.

The Oregon Knights will handle the traffic in cooperation with city and state police who will also assist with traffic on Saturday. All noise machines must absolutely keep off of Alder street between Elev-

enth and Thirteenth when proceeding to the start of the parade. They are asked to take some circuitous route to the corner in order to avoid causing traffic congestion on Alder street.

OREGON CLUB WILL HOLD BANQUET MONDAY NIGHT

Monday evening at six o'clock there will be a banquet of the men's Oregon club at the College Side Inn. This is not restricted to men belonging to the club at the present time and any unaffiliated men may attend the function. Plans for debate and athletics will be discussed. Anyone interested either in debate or doughnut athletics is urged to be present. Those expecting to attend the banquet are requested to sign at the "Y".

Chrysanthemums De Luxe

Of course you'll want to show your colors at Homecoming. We are headquarters for the best Chrysanthemums obtainable, and just at your door, so to speak. Three blocks west of the Campus.
