

FRESHMEN-ROOK GAME SATURDAY

Edwards and Morton Out Because of Injuries

ROOKS FAST AND HEAVY

Williams Works Team Hard On Passing Practice

The annual Freshman-Rook football fracas will be the center of attraction on the campus this weekend when the two teams meet on Hayward field Saturday afternoon.

"Baz" Williams is priming his scrappy frosh outfit to take the measure of the rival visitors and thus redeem the defeat the yearlings met in the lair of the "Baby Aggies" last year. Scrimmage was held against the varsity Tuesday night, and "Baz" worked on his passing attack. The frosh have a fast backfield, and a pair of ends and should cause the visitors no slight bit of worry with their passes Saturday.

The Babes scrimmaged among themselves last night, and had a fairly hard workout. Considerable time was spent in running formations and perfecting the offense to be used against the Rooks. The Rooks have a fast, heavy team and they are coming over here with the avowed open challenge that they are going to carry the scalps of the frosh back to Corvallis with them. The yearlings have probably the best material out this year that they have had for several seasons and so the indications point to a hard, fast contest.

The freshmen have lost the services of two of their best men. Edwards, a halfback, and the best kicker and passer on the team is out for the season with a badly dislocated shoulder. This man is one of the best prospects for varsity seen out there on the field this year, and his actions remind one of Bill Steers in a way. He is also a consistent fifty yard kicker and they are scarce and far between these days. Morton, a promising candidate for a fullback berth broke his shoulder in practice last week and is out for the remainder of the season. The chances of Wetzel, the big, smashing star fullback, getting into the game are slim. He sprained his ankle in the game with Mount Angel last Friday and has not been able to put on a suit this week. He and Edwards are the Babes' best bets in kicking and so this may weaken the team in this department.

Oregon Takes Neutral Stand in Football Row of Californians

(Continued from page one) termine the winner of the southern section as all of the three teams will not play each other. Last year the southern teams played a round robin and the winner played Washington, champion of the northern conference. This year California will play Stanford. But who will Southern California play? Who will be the champion of the southern section if Southern California refuses to play the winner of the California-Stanford game and the winner of the California-Stanford contest refuses to play Southern California?

Southern California May Come to Grief by Stand Says World of Sport

(Continued from page one) ready been defeated 10 to 0 by Lafayette.

Columbia, hampered by the loss of its famous coach Percy Haughton, lost a hard fought game to Cornell, 14 to 0. Gil Dobie and his Cornell team has not been going any too good this season, and Dobie has met his first two defeats since he started at Cornell, losing to both Williams and Rutgers. Dartmouth has one of the best teams it has had for several years, and so far has only a single tie, 14 to 14 with Yale, to mar its record. The Green de-

feated Harvard 6 to 0 and won from Brown, Saturday.

The day of professionals is becoming larger. Now the idea of a professional basketball league in the northwest is being considered. Professional basketball has been tried in the eastern states and has proven very successful.

Plans are now under way for a professional basketball league which will include teams from Longview, Washington; Portland, Oregon; Aberdeen, Washington; two teams from Seattle, Washington; and possibly one in Leavenworth. An organization meeting is to be held in Seattle on November 8. E. L. Higgins of Tacoma and Stan Riddle of Seattle are leading the movement to form the new circuit.

Varsity Football Squad Leaving at 2 O'clock For Camp of Vandals

(Continued from page one) this week, Maddock has spared no pains in developing a formidable defense against the passing offense of the Idaho squad. Due to the lack of time, heavy scrimmage has not been attempted to prepare the team for Idaho, Maddock being contented in spending most of his time in helping the varsity to work up a good defense against open field and passing offense.

Twenty-two men will make up the squad leaving for Moscow. This will leave ample material for reserves, with at least one extra man to each position. With a very speedy game assured for Saturday, reserve will be necessary to help the varsity keep pace with the fast Vandal attack.

The men making the trip are Wilson, Bailey, Shields, Reed, Kerns, Mautz, Bliss, Belshaw, Dills, Stockwell, Kjelland, Smith, Johnson, Anderson, Terjesen, Vitus, Jones, Mimnaugh, Stoddard, Blake, Burton and Leavitt.

The team will arrive in Moscow some time on Friday, which will allow the team to hold a light signal workout on their opponents' tilting grounds.

IOWA UNIVERSITY MAN TO BE CAMPUS VISITOR

Dean C. E. Seashore, of the graduate school of the University of Iowa, will be a visitor on the University campus on Saturday, November 8. He is a representative of the National Research council.

A faculty dinner, to be held at the Anchorage at 6:30 o'clock, is being planned for the night of his visit. Dean Seashore will speak on the topic which he is particularly interested in—"The Gifted Student—Both in Graduate and Undergraduate Work."

CLASS WITHDRAWALS PERMITTED ANY TIME

As a result of a new plan, used for the first time this year, students will be allowed to withdraw from classes during the entire quarter. The permission of the student's advisor is the only thing necessary for withdrawal. The rule which requires students to take a minimum of twelve hours of work has not been changed, however,

and withdrawal will be permitted only to that minimum, if the student wishes to remain in the University.

DEAN ALLEN TO GIVE TALK BEFORE ADVERTISERS

Eric W. Allen, dean of the school of journalism, is to speak Friday noon at the Multnomah hotel, Portland, on the "Place of Books on the Busy Man's Program" before the Advertising Men's association.

ATHLETIC RELATIONS SEVERED BY COLLEGES

University of California.—(By P. I. N. S.)—All athletic connections between the University of California and the University of Southern

California have been severed. The announcement was made after a meeting of the California athletic body Friday. The cause of the break makes no definite charges, but that of circumstances relating

to undesirable athletic relations. Stanford University has also broken all athletic relations after this season. Both colleges held their respective meetings unknown to each other.
