

FOUR MEN VICTORIOUS IN WRESTLING BOUTS

Decision Given on Matches For Non-Appearance

In the speedy wrestling bouts held last night in the men's gymnasium four men came through with victories. Two men cleared the final hurdle as winners in their respective classes, they were: C. Williams in the 178 pound class and Carlson in the 161 pound class. The two other men won semi-final matches, they were: Grant downed Dixon in 3:20 in the unlimited weight and Betzer took a fall from Veazie after struggling two one minute overtime periods.

In the 178 pound class, C. Williams won his match on the fall basis because of the non-appearance of Strauss. In the 161 class Carlson won his match on the fall basis due to the fact that Simmerville failed to make an appearance.

There are three matches scheduled for this afternoon, one final, one semi-final, and one challenge bout. The entrants will be: Unlimited class—Dixon vs. Stevens, challenge match. 148—Oxford vs. Maulding, final. 138—Forrest vs. Kelson, semi-final.

At the Theatres

THE CASTLE—Last day: Ernst Lubitsch's fascinating story of married life "The Marriage Circle," with Monte Blue, Marie Prevost, Harry Myers, Florence Vidor and Adolph Menjou. Comedy: "Present Arms," and Fox News Weekly.

Coming: Richard Dix in his latest Paramount feature, "A Man Must Live."

THE REX — First day: The screen's greatest spectacle, "Dante's Inferno," a lavishly produced, modern version of love, life and conquest through the depths of perdition to the heights of ecstasy, dazzling to the eye and quickening to the pulse; special musical setting by Robert V. Hainsworth, Eugene's favorite organist, at the mighty Wurlitzer; comedy, "Sailing along," with Buddy Messenger.

Coming: "Christine of the Hungry Heart," adapted from Kathleen Norris' widely read novel, with Florence Vidor.

HELL—Today, Friday, Saturday; "Yolanda" with Marion Davies. A charming drama of Accorded one of the season's picturesque French court days, triumphs.

Coming: "He Who Gets Slapped," Andreyev's greatest drama, with Lon Chaney, master of character, in the leading part; "The Thief of Bagdad," Douglas Fairbanks' greatest masterpiece of Arabian Night mysteries; May Robson in person with her own company in "Something Tells Me;" "Bringing Up Father in Ireland," Western Vaudeville with selected acts from Keith and Orpheum circuits; Ackerman and Harris Vaudeville.

OKLAHOMA WILL TEST PREFERENTIAL VOTING

University of Oklahoma. — The preferential system of voting which has been proposed by the state legislature for adoption in Oklahoma, will be given a test in the university mid-year election this week. The voting under this system will have no bearing on the outcome of the university election. It is merely an experiment which was arranged after permission of the student council was secured.

The system calls for the voter's expression of first, second, and third choice candidates in each race, the principle being that if no candidate has a majority of first choices, the second choices will be added to the first choices, and if no candidate then has a majority the third choices will be added. The plan is designed to secure a compromise candidate and to prevent the election of a candidate with only a minority backing.

CALIFORNIA STUDENTS TO MAKE CAMPUS FILM

University of California.—Plans are being formulated for a three-act campus romance, which is to be filmed and presented before the end of this semester. This production will be the first of its kind to be attempted at the university.

Members of the campus public will write the scenario for the film and will take all parts in the production. The plot of the story is to center about the California campus and the picture will contain many scenes of general campus life. A contest which is open to the general campus public will be held to select a scenario, \$50 being the prize offered for the best one submitted.

INTEREST MANIFESTED IN Y.W. STUDY GROUPS

Satyra D. Loompa of India Addresses Meeting

The discussion groups fostered by the World Fellowship committee of the local Y. W. C. A. are fulfilling the expectation of the leaders and the committee, according to Ellen McClellan, chairman of the committee. Almost every meeting has been well attended and interest has been shown by the members of the various groups.

Tuesday night the groups studying Mexico and Poland held supper meetings, the former at the Anchorage and at latter at the Bungalow. Beulah Smith, who leads the group studying Poland, held her second meeting Tuesday. The subject discussed was the history and racial characteristics of the nation. Various girls in the group were assigned to special topics which were reported upon and followed by discussion. The group studying Mexico met for the first time Tuesday. The subject was the geography and natural resources of Mexico. Oneita Wirtz is the leader.

Yesterday afternoon at the Bungalow, LeLores Pearson met for the second time with her group which is studying India. Satyra D. Loompa from Jaloun, India, a student on the campus, spoke to the

group concerning the historical and racial characteristics of his country.

Genevieve Chase also held her second meeting last night at the Bungalow during the dinner hour. Mrs. Anna L. Beck gave an interesting talk on the costumes of the Swiss people. Mrs. Beck has made a special study of the Swiss, having spent some time in Switzerland. At the last meeting of this group, Mrs. Beck spoke on the geography of the country, supplementing her talk with photographs.

The group studying Argentine meets tonight at the Bungalow for a supper meeting. This is the second meeting of the group and the topic for discussion will be the

OLD PIPE TO HEATING PLANT TO BE REPLACED

Permission has been granted by the Southern Pacific company for

a seven-inch section pipe line to be put across their lines from the mill race to the University heating plant, stated Mr. H. M. Fisher, superintendent of grounds.

The old pipe which connects at the sociology building where the old heating plant stood is rusted out and rather than put a new one

in its place the more convenient location will be used. The material is ordered and work will start the latter part of the week.

What's In a Name?

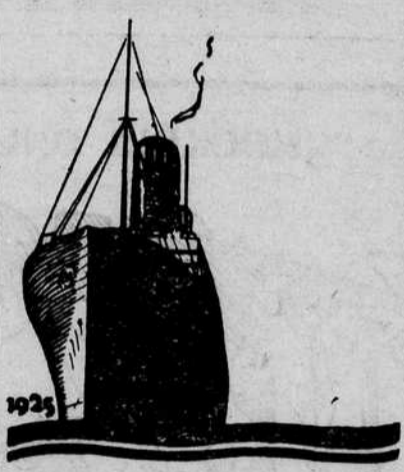

One name is as good as another some times, but in the world of business everything is in a name. A name is not merely a name. It is a symbol and a pledge. It stands for ideals that are always associated with the name, and is a pledge to the public for those ideals.

Through 23 years of serving the public the name of the J. C. Penney Company has stood for uniformly good quality merchandise and prices as low as a conservative business policy permits.

The name of the J. C. Penney Company is a pledge to the public for quality-values and low prices.
