

PLANS FOR GLEE NOW IN MAKING

Deep Mystery Surrounds Biggest Frosh Event of Year; Date to Be March 7

CHAIRMAN NAMES AIDES

Committee Meetings Set For Tuesday Evening At 7:30 in College Side Inn

Mystery—gripping, tantalizing, puzzling mystery. It's all about the freshmen's big social event, the Frosh Glee. Every year the ardent members of the freshman class can be heard, enthusiastically boasting of the wonderful success of their dance and how it had surpassed any former event of its kind in the history of the school, and every time they have spoken with justification. The Glee last year eclipsed the Glee of the year before and that in turn commanded its superiority. But this year the freshmen promise a dance that will make a place high on the social ladder. It is evident from the size, the enthusiasm, and the past successes that the class of '25" is potentially capable of making good their boast.

Plans Kept Secret
The utmost secrecy reigns among the green-cappers and they refuse absolutely to divulge anything about their plans except that the wildest dreams of a co-ed could hardly conceive the ideas that are to be carried out by the committee that Vansel Rose, the chairman, has chosen.

From now until the magic evening of March 7, the whole class will be untiringly occupied in assuring the success of the Frosh Glee of 1925. The committee in charge will be as follows:

General chairman—Foster Rose.
Publicity—Bill Prendergast, chairman; Claudia Fletcher.

Decorations—Virgil Wiley, chairman; George Gardner, Dave Foulkes, Stewart Tuft, Abbot Lawrence, Edwin Koupal, Alice Douglas, Katherine Mutzig, Lois Beth Seoffern, Jack Renshaw.

Refreshments—Myra Belle Palmer, chairman; Dorothy Dougal, Hampton Allen, Fred Joy.

Music—James Elliott, chairman; Mary Clark.

Patrons and Patronesses—Helen Ahearn, chairman; Lou Anne Strong, Phil Sheridan.

Admission—Bob Heitkemper.

(Continued on page three)

Now that registration and laboratory fees are supposed to have been paid, everyone should have a student body ticket, says Jack Benefiel, graduate manager. So bring along the cards tonight for the Washington-Oregon basketball game at the Armory—you'll need them to get in.

F.B. Smith, Campus Visitor Thursday, Is Noted Speaker

Fred B. Smith is to be welcomed to the Oregon campus Thursday of next week by a host of professors and old friends. Mr. Smith was a visitor on the campus five years ago. Dean Straub says of him, "His is a charming personality of great force. I believe him to be one of America's most enlightened college-world speakers."

He was largely responsible for the organization of the early international Y. M. C. A. Last spring he was general chairman of the American Colleges and Universities convention in Washington, D. C. At present he is a vice-president of the Johns-Mansfield Asbestos manufacturing company of New York City; spending a few weeks of each year for a college tour.

Mr. Smith will visit the University of Washington, the University of Oregon and the University of California on his Western tour.

TWO PRIZES OFFERED IN ORATORY CONTEST

Tryouts Will Be Held Monday in Villard Hall

Try-outs for the Old Line Oratory contest will be held Monday at 4 o'clock in Villard hall. Members of the public speaking department will act as judges.

All aspirants are asked to report with a typewritten copy of their speech. It may be on any subject and should be approximately 1,500 words in length.

The Old Line Oratory contest will be held in Monmouth, March 13. Nine colleges will compete for the state championship. Two prizes will be offered for those taking first and second places. E. D. Conway, representing the University, placed second in the contest last year.

"It would be an individual honor for an Oregon man to win," states Oscar A. Brown, debate coach. "Students are taking a renewed interest in oratory this year and we wish to maintain this enthusiasm."

CLASS IN HOME NURSING VISITS CHRISTIAN HOSPITAL

The home nursing class, of the home economics department, visited the Pacific Christian hospital Friday morning. Because there are 18 girls enrolled in the class, it was necessary to divide it into two sections, which were taken through the hospital by Miss Nancy Field, assistant superintendent. Miss Dorothy Gurley, instructor of the class, accompanied the girls.

ASSOCIATE EDITOR LEAVES EMERALD STAFF POSITION

Margaret Morrison, who recently joined the staff of "Old Oregon," has resigned her position on the Emerald as associate editor. Miss Morrison last year was editor of the Sunday Emerald and has been connected with the daily for two years.

OREGON MATMEN SHOW PROMISE

Varsity Wrestlers Work Hard for First Match Of Season With Idaho

FIRST MEET FEBRUARY 7

Experienced Men Out in All Weights; Ford and Whitcomb Lettermen

As less than two weeks remain before the opening of the wrestling season, Coach Widmer has begun to tune his men for the initial meet with the University of Idaho, which is scheduled here on February 7. Coach Widmer is finding it a rather difficult task to select the best man in each event as the men are nearly all on a par. The grapplers have been going through hard workouts in order to be in the very best condition for the Vandal meet. Last year, the varsity journeyed to Moscow but were defeated by a narrow margin. Widmer predicts that his aggregation of bone-crushers will carry off the big end of the score.

Ford and Sumption Out

In the 128 pound division, Ford, a letterman of last year, and Sumption are the best bets in the light-weight class. With Whitcomb, a letterman, Davis, and Wingard turning out for the 135 pound berth, Widmer has three good men who are experienced grapplers. Davis wrestled for the frosh several years ago and last year was a member of the Multnomah club squad. He participated in two bouts in Portland recently and on both occasions threw his man. Wingard represented the frosh last year in the 135 pound class.

The 145 pound berth will be filled by either "Ole" Peterson, Woods, or Johnson. Peterson participated in two matches last year but did not win his letter. Woods wrestled as a 145 pounder for the frosh last year but this season he has taken on weight and now tussles with the bigger men. Johnson, a new man, although inexperienced, has been showing up well in his workouts. Laurs, of last year's frosh team, is not out this year because of injuries.

Middleweights Working Out

Harry Leavitt is the outstanding candidate in the middleweight division, and is rapidly rounding into condition. French, who wrestled in (Continued on page four)

SPRING SHRUB PRUNING STARTED ON CAMPUS

Work began yesterday on the spring pruning of campus shrubbery. Many of the shrubs that were thought to have been badly frozen are proving to be in fine shape and are budding clear out to the end of the branches, said Mr. Fisher, superintendent of grounds. The roses were frozen quite badly, he stated, but no permanent harm will result; they will only be later in blooming this spring. The mild weather conditions lately are almost too springlike for the good of the earlier flowers. Mr. Fisher thinks, as buds that should not be showing signs of flowers for a month are developing rapidly already. This is especially true of the daffodils.

CORRECTION IS MADE

Through an error, the names of the following organizations, who are to work together in the canoe fete, were omitted in Thursday's Emerald: Susan Campbell hall, Chi Psi; and Alpha Xi Delta, Oregon Club.

BAND MEN

A special section has been reserved for you at the Armory for tonight. You are asked to be there and help instill the old fight in the team and pep in the gang. Do your part, too, and be there. Help beat Washington. Be sure and get your instruments from the barracks before 5 p. m.

VARSAITY TO MEET HUSKIES IN CRUCIAL GAME TONIGHT

Fees Must Be Paid By 12 O'clock Today To Avoid Penalty

The endurance contest is on! By noon today several hundred students must have made their way to the business office and paid their fees, or suffer an added three dollars as a penalty for delay.

The first nine days of the fee-paying period found little activity among the students, and the bulk of paying has apparently been left until today. As a result the usual serpentine lines are expected to move slowly up to the business office windows, as in previous years.

There will be one difference from the usual procedure, however. Instead of allowing those who are still in line when the time to close the office arrives, permission to pay their fees without the fine next Monday, the windows will be closed at noon. Those who are yet in line will have to pay the additional fee. "No Mercy," is the edict. "Come early, and prepare to stay late."

DOUGHNUT WRESTLING MATCHES COMPLETED

Schedule, Not Followed By Organizations

The doughnut wrestling tournament ended last night with the final bouts. Only one match was run off but the winners in the other scheduled matches were acclaimed victors because of the non-appearance of their opponents.

The title in the 128 pound class went to Betzer, clever limb twister of Oregon club, when he drew a decision and fall over Forrest of Oregon club. Betzer won his fall in 4 minutes and drew the decision after struggling for a 5 minute period. Veazie won first place in class B with Kelson taking second.

E. Grant, Bachelordon, won the honor in the unlimited class without a struggle because of the non-appearance of Dixon, Friendly hall. Proffit, Friendly hall, won first place in class B when Stevens failed to show up.

Greely, Oregon club, drew a decision from Scott, Friendly hall. Scott was unable to compete because of the soreness of his vaccinated arm.

The winning organization will be announced sometime next week. The final score will have to be compiled and placed on record in the physical education office before it is published.

Weather Forecaster Given Geology Department

Barograph is Only Instrument Of Kind on Oregon Coast

"I'd like to go canoeing Sunday, but it will rain. At least its liable too." The plaint of the Oregon student is common. Never fear, gallant swain, you may consult the geology department and get the low-down on atmospheric conditions.

"The latest on the weather," might be the slogan of the geology department if the department were addicted to the customs of the advertising columns of the dailies. A barograph, the chief instrument used in weather forecasting, has been donated by Professor and Mrs. Sam Bass Warner. It is in operation at present in the office of Dr. Warren D. Smith.

Portland papers depend upon San Francisco for weather forecasting reports. The barograph in the possession of the geology department is the only one known to be on the Oregon coast. A weekly record of the weather conditions of Eugene is sent to the weather bureau at Portland.

FRESHMEN WIN FROM MEDFORD

Fast Contest Played With High School Opponents In Southern Oregon City

HOOPERS IN GOOD FORM

Game With Huskie Frosh Made Certain by Decisive Win in Last Night's Tilt

The freshmen basketball team took a 36 to 21 victory from the Medford high school quintet last night on the Medford floor. The game was fast and hard fought, but the yearlings were in good form and their victory over the high schoolers, who are rated as having one of the best intercollegiate teams in the state, was decisive.

U. of W. Game Planned

The victory makes it practically certain that the frosh will play the University of Washington first year team. The game last night was expected to give the coach a good line on the calibre of his men, and upon the outcome of the tilt was to depend the possibility of the frosh getting games with collegiate freshman teams.

The Medford team includes four lettermen, two of whom were all-state men last year, so the Oregon victory coming after the poor showing of the freshmen last week, is regarded as especially encouraging.

Squad Cut Down

After the Franklin game, Coach Evans continued the pruning of his squad, in order that he could concentrate on developing the most promising men. The past week was spent in passing work and in perfecting the five man defense system of guarding the opposition players. New plays and formations were also introduced, and these, together with some intensive training, produced mid-season playing from babes last night.

The men who made the trip for the freshmen were Walker, Joy, and Beoney, forwards; Eberhart and Sawine, centers; and Hutchinson, Powers and Reichstein, guards.

NEW RECEIPT SYSTEM AT LIBRARY POPULAR

The receipt system installed in the circulation department of the University library during the past few weeks has proved very satisfactory to date, Mrs. Mabel McClain, head of the department, said yesterday. The bulk of the responsibility in the new system, however, is placed upon the individual student, and the ultimate success of the new plan depends upon his acceptance of this responsibility, she pointed out.

The new system provides for the issuance of receipts for all books as they are returned to the library. A special discharge desk has been installed where all due books are handled. Students are urged to preserve the receipts issued as they are the only evidence in case of error in checking off the books.

STUDENTS FAIL TO RETURN PHOTO PROOFS FOR ANNUAL

Some of the students who have had pictures taken at Kennell-Ellis for publication in the Oregana, have failed to return their proofs, according to the photographers. In order to have the desired picture appear in the annual, it is necessary that these proofs be returned immediately, as the printing for Oregana photographs is being done now.

Order of 'O' to Hold Jitney Dance Today At Campa Shoppe

A jitney dance sponsored by the Order of the "O" will be held at the Campa Shoppe this afternoon, beginning at 2 o'clock.

The proceeds from the dance are to be used to pay for a dinner given at last Homecoming for the football men. The Pi-Id Pi-ers will furnish the dance music. Tickets will be on sale at the entrance to the building, states Gordon Wilson, who is in charge of the ticket sale.

"This dance will be typical of previous Order of the "O" dances, which made a name on the campus in the past," states Harry Myers.

The floor will be in good condition, the committee promises, and everyone is welcome.

SIXTY ASPIRANTS OUT FOR FRESHMAN TRACK

Competition Will Begin Next Saturday

The sixty freshmen out for track on Hayward field this spring promise much for Oregon's future freshman track team. Coach Hayward has kept the youngsters in constant training, working out in groups, limbering the muscles in the legs and arms, and whipping themselves into general shape.

A list of the freshmen signed up for track is:

Hampton Allen, Dorith Anderson, Stuart Ball, F. Barnes, Ted Becker, Carl Brodersen, Bill Call, H. R. Chandler, Forrest Cooper, Ed Crowley, Paul Clark, Jess Dewey, Howard Dig, Homer Dixon, Merle W. Ellis, R. Epping, Charles Fisher, Hewlett, Eugene C. Howe, George Karshner, F. G. Kelly, John Kuykendall, Ellis Lake, Clifford Leitch, Sam Lockwood, R. Martig, Ben Mathews, T. C. McDonald, Albert Moklofsky, Del Monte, Edmond Morris, Joe Neil, Ray Nash, Ray Nash, Fred Niemi, Bob Overstreet, La Verne Pearson, W. Peterkin, W. R. Padrick, Frank Powell, Bill Prendergast, Elwood Read, Jack Renshaw, A. M. Richmond, D. Robinette, R. T. Ross, Homer J. Salling, Sherman, Chesley Smith, Reg Stewart, Phil Usinger, Stewart Tuft, Harold Veatch, Vic Wetzel, J. C. Winslow, Bill Young, Dayle Zimmerman.

HOOP CONTEST IMPORTANT FOR BOTH QUINTETS

University Alone Remains Undeclared in Coast and Northwest Conferences

TEAMS ARE EXPECTED TO MATCH UP EVENLY

Oregon's Offense Weakened By Absence of Hobson From Forward Position

Depending directly on the outcome of the Washington-Oregon basketball tilt tonight, is the possible championship of the Pacific Coast conference. Oregon is the only undefeated team in the conference, Washington was defeated last night by O. A. C.

True to Oregon tradition, the varsity five on the eve of a crucial contest, is in a precarious position due to the absence of the stellar member of the team. Hobson is out as the result of a rather serious vaccination. The rest of the quintet is little better off, as the whole team was vaccinated and is in poor playing condition.

The showing of the varsity against the Montana team on Thursday night, however, gives the Lem-on-Yellow practically even odds with the Huskies. Four of the second string men were sent into the Grizzly-Oregon fray, and these subs played with varsity-like calibre, but with Hobson out, the Oregon offense is materially weakened, especially when playing against a hard checking quintet.

Comparing the strength of the Washington and Oregon teams by the scores made by these quintets against the same opponents, is rather unsound, yet against the Montana five these two teams were victorious by practically the same margin. Washington beat the Grizzlies by 12 points, while Oregon won by 9 points. Both the Huskies and the varsity soundly trounced the (Continued on page four)

WASHINGTON DEFEATED BY AGGIES

Oregon Agricultural College Jan. 30.—In a fast game, with the score holding almost even until the third quarter, the O. A. C. quintet won over the University of Washington, last night, 27 to 16. Baker of O. A. C. was high point man.

STUDENTS FORGET DULL DAYS AT REVELING CLASS PARTIES

With thoughts of such commonplace things as 8 o'clock classes and fees forgotten, all classes spent last night in carefree revel.

The seniors paraded to the Heilig theatre, attending the first show. However the hilarity of the otherwise dignified upperclassmen was not at an end.

Memories of their childhood returned, oftentimes with a sudden bump, in the skating party at the Winter Garden afterwards. Their old and well worn clothes served to advantage in this wild adventure. Many learned with a painful jar, that the skill of their youth had departed.

Those who regarded discretion as the better part of valor, indulged in dancing and other amusements.

Fashion plates of Vanity Fair of pre-war days were at the Campa Shoppe last night. Junior men as well as women were in costume.
