

SIGMA NU WINS TITLE IN HANDBALL TOURNAY

Oregon Club Defeated In Final Contest

The scrappy Sigma Nu team wrested the doughnut handball title from Oregon club in the final play-off game this week. This gave the Sigma Nu's the honor of holding the championship belt for the ensuing year.

The winners, Ed. Taylor and Rupert Bullivant, took the long end of the score with comparative ease, the final count being 21-12; and 21-5. This contest ended the doughnut handball tournament for this year.

Both teams downed their respective opponents by impressive scores throughout the schedule. In the semi-final games Sigma Nu took a win from Kappa Delta Pi by a 21-15, and 21-12 score. Oregon club claimed a victory over Sigma Pi Tau by trouncing them 21-19, and 21-3.

Handball concludes the doughnut sports for this term, but baseball and track will start immediately after the opening of the spring term. The majority of organizations have already signified their intention of entering these sports. The game schedule is being arranged.

CONDON CHAPEL PLANS DEDICATORY SERVICES

Short Organ Recital Part Of Sunday's Program

Condon Chapel in the recently completed New First Congregational church at Thirteenth avenue and Ferry street, will be dedicated to the memory of Professor and Mrs. Condon, Sunday afternoon, March 8, at 3 o'clock.

Professor Condon was a pioneer Oregon religious and educational worker and scientist. He was the first head of the University of Oregon science department and a member of its original faculty. He came to Oregon around Cape Horn in 1852 as a Congregational missionary. He was identified with the University faculty until his death in 1907.

The dedicatory service includes a 15-minute organ recital by John

Stark Evans, of the department of music, a vocal solo by Roy Bryson, University student, and a number of five-minute appreciative talks. Two of the speakers, Judge E. O. Potter, of Eugene, and Professor Frederic S. Dunn of the Latin department, were former students of Professor Condon. The dedicatory prayer will be given by Professor H. L. Bates of Pacific university.
