

HUSKY RUNNERS DEFEAT VARSITY

Jinx Handicaps 'O' Trackmen in Washington Meet

SEVERAL MEN INJURED

Change in Team Scheduled For O. A. C. Contest

Up at Washington there's a star track team that walks around on two legs and whose name is Percy Egtvet. He hasn't failed the Huskies once this year in garnering his usual 18 points in every meet and perhaps he's the one who accounted for the 85 to 46 defeat which the Oregon varsity received last Saturday at Seattle.

Something went wrong on the northern trip. The men had been doing fine work in tryouts and the dope showed that they had a good chance to win, but two or three little handicaps put the whole team on the rocks. Some of the men failed to do what they had been doing in practice.

Chick Rosenberg just before the meet while practicing on Hayward field got a nasty spill when the vaulting pole broke as he was in the air. Luckily he suffered no injuries but the accident prevented him from winning an easy first in the pole vault at Seattle. He had been doing well over 12 feet, 6, until his spill.

Cleaver Makes Comeback
The meet showed some other things which will go a long way in determining the strength of the Oregon team against O. A. C. next week-end—the big meet of the year. Francis Cleaver injured his leg last year, but by winning the high hurdles in the meet Saturday, showed that his comeback was complete. Tom Holder, a new man on the team, almost ran King, the Washington two miler, into the ground before the Husky distance man made a hard pressed finish and won.

Flannigan's leap of 23 feet, 4.5 inches, easily makes him the best broad jumper on the coast, and a sure first place man in the event.

Rosenburg's toss of 175 feet, 9 inches, in the javelin with Beatty a close second, strengthens that event. Westerman was bothered with a bad leg and failed to place. Jerry Extra ran a good race in the century and finished close behind Clarke of Washington. Jim Kinney ran a strong 440 but lost the race on the last sprint after leading all the way.

The lineup of the team will be shifted for the O. A. C.-Oregon dual meet on Hayward field this week-end. The team will be going its best at the end of the season. Bill Hayward is planning to add several men to the team since any number can be entered in each event.

Flannigan Good Sprinter
Proc Flannigan is almost as good a sprinter as he is a broad jumper and Bill is planning to work him in the dashes, in preparation for the O. A. C. meet. Paul Ager will probably enter as third man in the 440 with Don Cash and Pen Wilbur reserved for the relay. Ivan Houston will be working out with Fred Gerke and Guy Mauney as the third man in the half mile. Ralph Staley will be used in the broad jump and low hurdles against the Aggies. Louie Anderson will be entered in the javelin throw.

No tryouts will be held for the meet, with the exception of the weight events, which are to be held Wednesday. Mautz, Stockwell, Kelly and Moore will try out for the shot and discus.

The team returned from the northern trip in good shape. Hard work will begin the first of the week for the last meet of the season before the coast conference championship session in Seattle on May 29 and 30.

PROF. HOWE UNABLE TO RESUME ACTIVE WORK

Professor H. C. Howe of the English department, who is recovering from a serious operation at the Eugene hospital, will not be able to do any active teaching for the rest of this term, his physician says. However, he hopes to be around the campus a little later on and will be able to do a little of the administrative work of his department.

For a few days, his condition was considered dangerous and his recovery is expected to be rather slow.

Mrs. Mary Watson Barnes is taking care of Professor Howe's Ruskin class and the students of his research class are carrying on the work themselves.

BISHOP SUMNER'S VISIT POSTPONED FOR WEEK

Assembly This Week to Be Installation Meeting

The annual visit of Bishop Walter T. Sumner of Portland to the campus as assembly speaker on the campus of Junior Week-end has been postponed, in order that the installation of student body officers may take place at the next assembly. Walter Malcolm, the president-elect, will go as Oregon's delegate to a convention of student body officers to be held in California soon, and he must be officially installed. It has been the custom for several years to have Bishop Sumner give the assembly address just before Junior Week-end. He usually remains on the campus for the festivities and renews old acquaintances. Because of the necessity of the student body meeting, however, Bishop Sumner will appear the following week.

PICNIC SUPPER GIVEN BY MATHEMATICS CLUB

A baseball game, a picnic supper, two talks by University professors, a story of a revolution in Russia, and group singing around the campfire, were the events of the Mathematics club picnic, held in Hendricks park, Thursday afternoon. The members and members-elect left the campus at 4:30, and did not return until late in the evening.

The baseball game was umpired by Dorothy Milne. The score was reported even. Professors Edgar E. DeCou, and W. E. Milne were faculty guests. Vladimir Rojansky, graduate assistant in the mathematics department, related some of his experiences in the Russian revolution. Twenty-four members were present.

Colonel Leader Returns To Campus for Week-end Has Bought House Abroad

to get the movie rights). The scene is laid on Oregon's campus, and its actors are a star cast selected from the prominent figures of the faculty. The plot moves rapidly from the first close-up, through poetically staged scenes, to a final grand climax which is a close-up of John Straub selling John Leader the key to April Frolic. The author said he had cast Dean Straub as Nathan Hale, because Hale was hanged—but decided later, after reading how the Dean libeled him in the Emerald, that he should be Benedict Arnold.

"I hope Mr. Frederick Schlick doesn't read the poetry in the subtitles of my scenario and think it is mine!" laughed the Colonel. Mentioning the recent campus controversies, Colonel Leader shook his head and said, "Oregon used to

be the last hold of Peter Pan and the good old time, and I'm always sorry to see the medieval passing." He asserted he had been shanghaied in the Oregonian editorial rooms in an effort to overcome his refusal to make a statement for publication.

Mrs. Leader is not with the Colonel. He said each trip to Oregon made her so homesick for Eugene that she decided not to come this time. Mrs. Leader was prominent in dramatic work while in Eugene, and played the lead in two plays in Victoria this winter.

"We haven't seen many Oregonians lately. We hope to see more this summer. Two or three people have promised to come and

spend a time in our 'shack' on the beach." He smiled—and, "One hopes to come here again every year."
