Varsity Tennis Team TO LEAVE FOR SEATTLE

Oregon Netmen Beat O.A.C. In Saturday Meet

The University of Oregon tennis team leaves this afternoon for Seattle where a dual meet will be held with the University of Washington on Thursday, May 28. On Friday and Saturday, May 29 and 30, a three man team will be entered in the Pacific Coast conference meet, also held in Seattle.

The five men making the trip are: Harry Meyer, captain; George Hayden, Roy Okerberg, William Adams and George Mead. This is the quintet which has a very successful season so far and should give the Huskies a good meet. The varsity and freshman netmen ably did their part in bringing about the triple victory over the Oregon Aggies last Saturday. The varsity racquet wielders easily defeated the Aggies, 5 to 2, and at the same time the freshman team easily defeated that of the rooks, 6 to 1. The match between Okerberg and Harris was perhaps the

most exciting game of the meet. In the first set Harris won five straight games and then Okerberg came back winning seven in a row, taking the set 7-5. Meyer, captain, played his usual consistent game, winning both sets. The varsity double team played well together, winning one and losing one.

Summary:
Varsity—Singles: R. C. Okerberg, Oregon, defeated Milton Harris, O. A. C., 7-5, 6-2; G. B. Hayden, Oregon, defeated Eekern, O. A. C., 7-5, 6-4; H. Atkinson, O. A. C., defeated G. B. Adams, Oregon, 6-3, 4-6, 6-3; H. L. Meyer, Oregon, defeated Rossman, O. A. C., 6-4, 7-5; G. W. Mead, Oregon, defeated Blain, O. A. C., 6-2, 5-7, 6-1.

Doubles: Okerberg and Hayden, Oregon, defeated Eekern and Allison, O. A. C., 9-7, 6-4; Harris and Atkinson, O. A. C., defeated Meyer and Mead, Oregon, 3-6, 6-2, 6-4.

Oregon Trackmen Win Hotly-Contested Meet With Beaver Athletes

ning of the season when several men were not able to continue with track through various reasons. He had to remake his team and in the remaking he could only do what he could.

"Look at my hair, it's a lot grayer than it was," said Bill yesterday afternoon and he took off that historic white hat that he dons every spring when the sun comes out—track men up and down the coast know about that white hat of Haywards. "That's what this track season has done for me. But I'm tickled that we won the meet."
Big Event Saturday
The big event of the track sched-

ule is next Saturday at Seattle when seven teams in the coast conference compete in the coast conference track meet for honors. Bill is shaping his team for the meet with light work.

Oregon will enter a 14-man team in the coast meet. They will leave Eugene Thursday and arrive in Seattle in time for a light workout before the big meet begins and perhaps run off some of the qualifying heats.

Flannagan's broad jump of 23 feet and ½ inch bettered the coast record by several inches and placed him easily as the foremost broad jumper on the coast this year. Bill Hayward is counting on Proc Flannagan as one of the high placers on the Oregon team in the Conference meet. He will probably set a new record in the event.

The fast quartet of quarter milers, Kinney, Price, Ager and Cash ran a thrilling race last Saturday against the strong Aggie team and won by a good margin. The team with a make shift lineup after the injury of Pen Wilbur, placed second in the Washington relays. The three regulars running failed to make up the loss of the third man. They are out for revenge in the conference meet.

Bill will announce his team this afternoon.

CO-OP STORE DIRECTORS MAKE UNIQUE OFFER

To the Student Body University of Oregon:---

THE increasing faith you have in the co-operative plan of handling text books and supplies is shown unmistakably by the fact that you have given to your store the largest volume of business it has ever had in a school year. Through your co-operation the students' store has furnished text books at publishers' list prices and distributed all other supplies on a fair competitive basis. Furthermore, the store has returned to individual students, under the profit-sharing plan, hundreds of dollars' worth of merchandise and has built up what the board considers a safe reserve for the eventual retirement of the store's indebtedness.

Your board now feels safe in extending further the co-operative idea and to that end announces that for the remainder of this term all articles in the store with the exception of a few consigned and contract items such as fountain pens, portable typewriters, kodak films etc., will be offered to students at prices which are far below the regular retail figure.
