Gordon N. Kelso is beginning his second year of graduate work here, his major being professional accounting. Last summer he spent working in the state laboratory of the Oregon State Highway Commission.

Gibson F. Wright, who graduated from the university last year is a member of Beta Alpha Psi, honorary accounting fraternity.

Marion A. Pike took his undergraduate work at the University of Pennsylvania and Butler college, from the latter of which he received a B. A. degree.

**Expert Cleansing is a Saving**  
Do you know it actually saves your clothes—having them cleansed often?  
To put off necessary cleansing is to sacrifice much of the charm and effectiveness of the articles themselves.  
Dirt is an enemy to your health as well as your peace of mind.  
But be careful in the selection of your cleaner. Send your garments to a reliable establishment where they are scientifically cleansed, not just "surface" cleaned.
