

**CAMPUS BUILDINGS
OPEN FOR MEETINGS**

All university classes, organizations, committees and other groups are free to use rooms of the Uni-

versity buildings for their meetings when there are no classes in them but arrangements must be made in advance for the use of these rooms, according to Mrs. Clara Fitch, secretary to Dean Gilbert. Any organization wishing to use

a room up to 6:30 o'clock should make arrangements with Mrs. Fitch at the president's office. Telephone 27. For use of rooms after 6:30, call the University Depot, Telephone 1113. This does not include the use of the Woman's gym or of the social

end of the Woman's building. For use of the social part of the building and Alumni Hall, call Mrs. Elizabeth Wilson, telephone 596. For use of the Woman's gym, call Dean John F. Bovard, telephone 1595. These rules for using rooms of the University have been in effect for

some time but Mrs. Fitch. If arrangements for the use of University rooms are made properly and through the right people, according to Mrs. Fitch, there will be confusion and the janitor will be sure to have the rooms opened for use at night.
