

### ANNUAL Y. M. C. A. DRIVE STARTS NEXT TUESDAY

Solicitors to Canvass Entire Campus for Quota

Next Tuesday, the annual Y. M. C. A. drive for funds from University men will begin with a two-day period of intensive soliciting for the \$600 necessary to carry on the year's work of the "Y" organization, according to Bob Hunt, chairman of the drive.

A luncheon on Tuesday noon at the "Y" hut will be held for the fifty-odd representatives who will conduct the actual work of the drive. The group will be composed of ten teams of five men each who will canvass the entire campus on Tuesday and Wednesday of next week. About ten other men will take charge of the soliciting work in the nineteen fraternity houses. The financial drive of the Y. M. C. A. necessitates \$600 to meet the

budget, funds to be used for employment service, campus speaker, papers and magazines, and the general upkeep of the Hut. The features are for the benefit of all men on the campus and provide a service that aids the University more than is generally realized.

With increasing demands and needs of the Y. M. C. A. funds due to a growing student body, the increase of two hundred dollars over the amount raised last year is made necessary.

"We plan this year," said Bob Hunt yesterday, "to get to work putting on a short, snappy drive and get the quota of \$600 raised as quickly as possible. Tuesday and Wednesday night there will be a speaker at each fraternity house explaining the needs of the drive and securing memberships and contributions to the Y. M. C. A. for the coming year."

Besides Hunt, general chairman of the drive, and Roland Davis, in charge of non-fraternity soliciting, other officers of the Y. M. C. A. are: Bart C. Kendall, president; Roland Beattie, vice-president; Kirk Bolinger, secretary; Wilfred Long, treasurer.

The "Y" cabinet includes: A. E. Hunt, meetings; Oscar McKinney,

finance; Romayne Brands, freshman commission; James Stewart, new student work; Roland Davis, deputations; Ralph Highmiller, foreign work; and Jack Hempstead, publicity.

### OREGON CLUBS PLAN GET-TOGETHER DANCE

Campus togs, no-dates, strict informality, such are the rules for the get-together dance to be held Saturday night, for all unaffiliated men and women on the campus. The Girl's and Men's Oregon clubs, who are sponsoring the affair, invite all students who are not members of a living organization, or who are not residents of any of the halls, the Woman's building, Saturday, October 11, at eight o'clock.

#### ANNOUNCEMENT!

The "Get Wise Party" which had been planned by Women's League and W. A. A. will be postponed on account of the rally tonight. No definite date has been set for it in the future, but it will probably be given within the next two weeks.

#### MOORE U. H. S. PRINCIPAL

Ralph Moore, who succeeds Harold Benjamin as University high school principal, is a graduate of the University of Oregon, class of

'23. Mr. Benjamin has gone to Stanford to study for his doctor's degree. From 1918 to 1921 Mr. Moore was principal of McMinnville high school and came from there to finish his work at the Uni-

versity. After completing his college course, he served for two years as assistant principal of Salem high school. He is a member of both Phi Beta Kappa and Phi Delta Kappa, honorary societies.

### Do You Know? "HOW TO STUDY"

The Students' Hand-Book of Practical Hints on the Technique of Effective Study

by WILLIAM ALLAN BROOKS

A GUIDE containing hundreds of practical hints and short cuts in the economy of learning, to assist students in securing **MAXIMUM SCHOLASTIC RESULTS** at a minimum cost of time, energy, and fatigue.

**ESPECIALLY RECOMMENDED** for overworked students and athletes engaged in extra curriculum activities and for average and honor students who are working for high scholastic achievement.

#### SOME OF THE TOPICS COVERED

- Scientific Shortcuts in Effective Study
- Preparing for Examinations
- Writing Good Examinations
- Brain and Digestion in Relation to Study
- How to Take Lecture and Reading Notes
- Advantages and Disadvantages of Cramming
- The Athlete and His Studies
- Diet During Athletic Training
- How to Study Modern Languages
- How to Study Science, Literature, etc.
- Why Go to College?
- After College, What?
- Developing Concentration and Efficiency
- etc., etc., etc., etc., etc., etc.

#### WHY YOU NEED THIS GUIDE

"It is safe to say that failure to guide and direct study is the weak point in the whole education system." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M.I.T.

"To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

"HOW TO STUDY" will show you how to avoid all misdirected effort.

Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.

### THOSE STAPLE THINGS Common Little Jap Rice

You can't use those staples too much. They are inexpensive and healthy and taste good. If you buy them in large quantities you will always have them on hand. Only vary the way of serving.

Rice for instance. Have you ever tried rice and raisin pudding with a

spoon of tart jelly on it, and that rice pudding with fruit in it and a fluffy marangue on top,—rice served with meat balls and Mexican sauce,—meat soup filled with rice and vegetables.

Your cook knows all of the good ways. Ask her to help you or inquire of us.
