

OREGON SQUAD TO BE DRILLED ON OFFENSIVE

Inability to Score Is Held Responsible For Defeat By Idaho Team Saturday

Eleven, Unhurt By Vandal Victory Begins Practice For Mix With California

That is the byword, the goal, and the working basis of the three varsity football coaches for the next two weeks. Hard work and speed featured the first day of the grind for the game with the Golden Bears which is barely two weeks in the offing. And it was a drive on offense.

The work began in deadly earnest last night to perfect Oregon's weak attack as demonstrated in the game last Saturday where the team fell down miserably.

The toughest scrimmage was held

The atmosphere on Hayward Field was tense. Coaches and squad were exerting every effort to regain the lost ground. The defeat last week end inspired a determination in everyone to put the team on the uphill grade again.

The fiercest scrimmaging of the year was done last night for an hour by two teams, one a second varsity and the other made up of benches. Up and down the field the teams pounded and smashed. The air was filled with thudding pads and falling players. It was merely the forerunner of the grind that begins tonight for the varsity in preparation for the California game. That is the big opportunity of the Oregon team to get back in the running but it is a mighty hurdle to defeat the premier eleven of the country.

Dick Smith In Action
Dick Smith got into action last night and it was a treat to watch him work out with the players. Under his driving, the men were putting out every ounce they had. Speed is his by word from now on.

Oregon's coaching staff began the year with discarding all bear stories and alibis. The staff is not putting out any alibis on the Idaho game. The game last Saturday, with the 6 to 0 defeat of the varsity by a superior eleven, deserves no alibis. Coach Mathews admits that his team is going at full speed now. The varsity was green and unpolished. There was a glaring lack of team work. Oregon was bested both in line plays and in passes.

The team has two weeks to round into shape before the big game of the season. It will be going at top form on October 24 if it gets going at all this year. It will have reached its peak of perfection and it will not be so difficult to keep from going stale before the end of the season. The team was off color Saturday. Something took all the punch and concerted drive out of the squad and left it comparatively powerless before the Idaho drive.

The game had some high lights

AMERICA NOW ART CENTER OF THE WORLD SAYS FAIRBANKS

"New York is fast becoming the fine art center of the world," said Prof. Avar Fairbanks, instructor in the school of fine arts, who has returned from an absence of a year partly spent at Yale.

"Fifty-seventh street, which a few years ago was dotted with a few art studios, and on which is now situated the American Fine Arts Building, is becoming the fashion and art center of New York."

Today the world's greatest music and fine arts are found in America, he continued. Not only are the Americans developing a fine appreciation of the arts, but the United States is doing more purchasing of art than any other country.

Europe's art has been on the decline since before the war. The modern art which has had a period

Juniors To Choose Two Class Officers At Meet Tonight

With two class officers to be elected for this year, an important meeting of the Junior class will be held in Villard hall tonight at 7:15. The offices of vice-president and sergeant-at-arms are vacant as the students elected to the positions last spring have not entered school this fall.

As candidates for the two vacant posts will be nominated at the meeting this evening, it is important that all members of the class of '27 be present. Mary West was elected vice-president of the class last spring and Cliff Powers, sergeant-at-arms.

Jimmie Johnson, president of the Junior class, has placed Bob Neighbors in charge of the committee working on the class party, scheduled for next Friday evening at College Side Inn. The dance will be known as the "Junior Jazz Jamboree" and the committee are working out plans for an original affair. Neighbors will make a report on the class dance at the meeting tonight.

OCTOBER 14 TO 24 SET FOR PAYMENT OF FEES

Penalty Will Be Imposed For N. S. F. Checks

The cashier's window in the University business office will open Wednesday morning, October 14, for the payment of registration fees and will remain open ten days, until October 24. After that date any student paying fees will be assessed \$3.00 for the first day late and twenty-five cents for each additional day for one week and after which, no student may pay his fee, and will be considered dropped from the University.

Attention is called to the fact that two Saturdays have been allowed for fee payment, this making it easier for those who are working, to get to the business office. The office closes in the afternoons on Saturday, but on all other days, is open until 5:00 o'clock.

There is a much larger student body this year, than in former years, and the congestion at the cashier's window will be very noticeable during the last few days of the ten day period, according to officials of the business office, and every effort should be made to pay fees as early as possible.

The regular fee for students is \$18.75 with the class room fees and laboratory fees added. This amount includes class dues, subscription to the campus daily, student body fees and assessments, and other expenses that have to be met by the student body treasury, such as the Homecoming luncheon.

A warning against N. S. F. checks is issued by the business office. A check written without funds to cover is regarded as no payment and will be treated accordingly by University officials.

AMERICA NOW ART CENTER OF THE WORLD SAYS FAIRBANKS

of unstable popularity is suggestive of the degeneracy of ideals that have come out of Europe. The modern art schools which sprang up and which had unusual success for a short space of time are now going out of business.

Modern art grew out of a desire for something new and different; something novel. Jazz was an offshoot of it. Those artists who were interested in the movement, thought that by going back to the primitive, they would be able to evolve a new type of art. The whole thing was aimed toward freedom, but the movement was not successful. The leaders are now advocating a change—a return to the antique.

The old school of art however,

Y. M. TO START DRIVE AT LUNCH AT 'HUT' TODAY

Campus Men Will Speak At Organizations In An Endeavor To Raise Funds

Plans For Intensive Two Day Drive To Be Carried Out By Appointed Teams

Luncheon for all members of the teams who will carry on the annual Y. M. C. A. drive will take place today noon at the "Y" hut. A rousing program of instruction will be given for those connected with the soliciting work, the feature event being an address by John B. Seifert who will impress upon the fifty five or sixty men at the luncheon, the importance of the work and the necessity of obtaining the quota of \$600.

Following a thorough explanation of the drive by Bob Hunt, general chairman, talks will be given by Walter Malcolm and Bob Mautz who are vitally interested in the service provided for the University by the "Y" organization.

Appeal Is Made
"I desire to make a personal appeal," said Bob Hunt yesterday, "to each man student of the University to give the merits of the campaign proper thought and consideration. They will then back it up to the limit of their financial ability."

Tonight, and Wednesday night campus men will speak at the various fraternity houses in an endeavor to raise the funds necessary to carry on the work of the worthy organization. During the two days of the drive, every man on the campus will be approached for a contribution of at least one dollar.

TO-KO-LOS TO GET PINS AT MEETING TONIGHT

Pins will be distributed at a meeting of To-Ko-Lo, men's sophomore honorary organization at the College Side Inn, 7:15 o'clock to all active members of the group. Other business and future plans of the organization will be taken up. Arthur Prialux, president; Walter Cushman, vice-president; Jack Hempstead, secretary-treasurer; Fred Joy and Robert Stenzel, guards, are the heads of the club.

Men to receive their pins tonight are: William Call, Alpha Tau Omega; Bill Pendergast and Bob Benjamin, Sigma Alpha Epsilon; Fred Joy, Beta Theta Pi; Abbott Lawrence, and Victor Wetzel, Phi Delta Theta; Bill Roberts and Walter Cushman, Kappa Sigma; Arthur Prialux, Sigma Pi Tau; Benoit McCroskey, Phi Gamma Delta; Jack Hempstead, Chi Kappa Psi, Calder McCall, Chi Psi; Robert Stenzel, independent.

Reginald Mortimer, Sigma Nu; Bob Keeney, Delta Tau Delta; Ronald Robinette, and Clifford Kuhlen, Lambda Psi, John Sherman, Friend Hall; Bruce Fenton and Fred Zeebuth, Kappa Delta Phi. Functions of To-Ko-Lo by long tradition handle the frosh parade and caring for trophies, among other duties.

DRAMATICS CLUB FORMED

About thirty students of the University High are forming the new Dramatics club. The club is formed with the purpose of instruction for its members in dramatics and will undoubtedly give several plays before the student body after it is running smoothly. Mr. R. U. Moore, the principal, is enthusiastic over the future of the club and hopes for much good to come from it. Several University students from the dramatics department have volunteered aid.

Tune of 'Madelon' Urged By Alumnus For Varsity Song

'Mighty Oregon' Poet Brings Idea

"There is still one perfect tune, admirably fitted for use as a college song, that has never, so far as I know, been adopted by any college," said DeWitt Gilbert, author of our 'Long, Long, Trail' and other war songs. It has the fire and the spirit of the Marseillaise with an additional care-free lilt which would be ideal for an Oregon college song.

"It is 'Madelon,' the tune most sung by the 'poilus' in France during the war. It corresponds to our 'Long, Long, Trail' and other war songs. It has the fire and the spirit of the Marseillaise with an additional care-free lilt which would be ideal for an Oregon college song.

"Some student should get the music and write appropriate words," Mr. Gilbert believes.

FIRST DOUGHNUT MEETING CALLED

Representatives Convene At 4:00 P. M. Today

SCHEDULE TO BE MADE

Present Rules Under Fire Vote To Be Taken

Intra-mural athletic representatives of the men's organizations on the campus will meet the first time this year at 4:30 this afternoon in the men's gymnasium to settle various questions regarding eligibility of players and matters of schedule.

Letters giving the purpose of the meeting were sent to the 19 men's organizations last week by the officials of the physical education department and 100 per cent attendance is expected. Representatives are asked to bring this letter which will take the place of an entry blank.

Awards To Be Considered

The question regarding the feasibility of awarding championship teams with suitable prizes will be taken up, it is expected. Many of the houses are said to be in favor of awards to winning teams while others are said to disapprove the idea as heartily. A definite decision will be made today, however, it was said.

The eligibility of men transferring from other institutions, the matter of consolation tournaments and other rulings now in vogue will be taken up and voted upon, according to present indications, or otherwise rules used last year will be enforced.

Credit To Be Given

The purpose of doughnut activities is to give men students a chance to enter competitive sports, according to the officials in charge. For this reason, they have asked that all men not affiliated with any organization who wish to enter the contests leave their names at the men's gymnasium office. Credit in physical education will be given for participation in the doughnut games, Harry Scott, head of the department, has announced.

This year is expected to be one of the biggest in doughnut athletic history. At present 19 teams have made known their approval of the system and will enter competition. This number will be increased materially with the addition of local teams.

SCORES TAKEN BY RADIO

The students at the University High have been laughing silently to themselves at the college student who is rushing to the phone to discover the score of the day's World Series baseball game. During the noon hour those who care to take their lunches into one of the class rooms where they have a student-made radio receiving set. While they are eating, they listen to the games play by play as they are broadcasted by radio KGW The Oregonian, Portland.

ENTRANCE TEST OF FRESHMEN GIVEN GRADES

Men Gain Over Women In Arithmetic Experiment; Girls Win Other Honors

Students May Soon Secure Individual Scores Filed In Psychology Offices

The scoring and checking of the intelligence tests given to all freshmen entering the University of Oregon this fall have been completed, and the papers are now filed alphabetically in the psychology department. The freshmen will be notified shortly as to how, and when they may secure their rankings in the tests.

"The test scores are now available for use by the registrar and the deans of men and women, in giving advice to students and helping them get placed in the kind of work in which they are likely to be most successful," says Prof. Howard R. Taylor, in charge of the testing. "One main purpose of a test of this sort is to study the local situation, and see what the scores indicate regarding the ability to succeed in different lines of work."

Mental Alertness Tested
Three things are tested: the degree of mental alertness, the breadth or range of ability, and the ability to do difficult tasks.

Comparisons are being made between the relative scores of the men and women. A total of 863 persons were used in the results now ready. There will be a few more added later.

PYTHIAN DELEGATES GUESTS OF UNIVERSITY

Delegates of the Knights of Pythias and Pythian Sisters lodges who are here to attend the state convention, this week will be guests of the University of Oregon this afternoon, where they will be formally welcomed. A musical program and other features will be presented for their entertainment, according to Professor E. E. DeCocq, chairman of the committee in charge of entertainments.

The guests will be shown the collection of art work on display in the Museum of Fine Arts in the Woman's building.

The committee in charge of entertainment includes Professor DeCocq, chairman. Dean John Straub, Dean John Landsbury, Dean Virginia Judy Esterly, Professor Fredrick Dunn and Mr. Gilbert Tyson of the University business office.

Darwin Yorlan, head of the local lodge will head the delegation visiting the University.

DRIVE FOR MEMBERS LAUNCHED BY Y. W.

The Y. W. C. A. drive for membership is being launched this week and will probably continue the rest of the month. This year the committee aims to enroll those who are activities of the organization rather vitally interested in the work and than insisting on 100 per cent membership of sororities and halls.

In presenting membership cards the girls are making an effort to make the venture educational by explaining the purpose and the scope of the organization. The purpose, as framed by University women at the last national conference is: To unite in the determination to live unreservedly Jesus' law of love, in every relationship and so to know God.

UNDERGOES OPERATION

Miss Eve Forstrom, who recently underwent an operation for appendicitis at the Pacific Christian hospital, is reported to be improving, but will be unable to continue her work at the University for the remainder of the term. Miss Forstrom became seriously ill last week and the operation was performed immediately. She is a sophomore and a member of Delta Zeta.

Costumes, Masks, Order of Evening At "Scribes Jam"

Journalists will be given an opportunity to disguise themselves as mere mortals at the "Jamboree" Saturday night in the men's gymnasium. Costumes and masks will be worn. Yes sir, this will be some party. Stunts such as only clever newspapermen can stage will be a feature of the evening's program. Entertainment of a new type is to be introduced, according to the committee in charge.

Prizes will be given for the most original costume. The most graceful waltzers will also be rewarded for their efforts. A special orchestra has been imported for the occasion.

Interesting happens as seen by reporters will be flashed forth in the scandal sheets.

CLASS HEADS NAMED FOR WOMEN'S SPORTS

Swimming And Volleyball Teams To Be Selected

Miss E. Traemel, swimming coach, and Miss M. E. Shelly, volleyball coach, with the aid of the heads of these two sports, have appointed the class managers for each sport, set the date for the initial meets and are now holding practice by definite schedules.

Margaret Dobbin was appointed class manager for senior volleyball for which sport there were 20 volunteers; Nellie Best, junior manager, 33 volunteers; Eleanor Maryin, sophomore manager, 50 volunteers; Katherine Kershaw, freshman manager, 75 volunteers.

Competing games will begin November 9th. Miss Shelly estimates that there will be from 20 to 25 teams competing in class round robin tournaments, and that it will take at least four weeks to run off all the games.

Practice for upperclassmen will be held Monday, Wednesday and Friday hereafter, and for underclassmen on Tuesday and Thursday. Eight practice periods are required for underclassmen and seven for upperclassmen. Upperclassmen are being tested at present in serving, volleying and knowledge of rules, in order there may be some basis of distributing them in first, second and third class teams. These tests will be given to underclassmen soon.

Dorothy Evans has been appointed senior class manager for swimming, for which 20 girls have signed up; Margaret Pepon, junior manager, 21; Nellie Johns, sophomore manager, 30; Dorothy Brown, freshman manager, 84.

Under the definite practice schedule arranged by Miss Troemel, seniors will practice on Tuesday; juniors, Wednesday; sophomores, Friday; and freshmen on Thursday, at five o'clock.

Competition will start about the first week in November. Tests are now being held for speed in back; crawl; free style; side and breast strokes. Coaching for diving and the plunge for distance is also being given.

HOMEcoming SLOGANS WANTED; CONTEST STARTS IMMEDIATELY

Homecoming slogans, one of which will be the "war-ery" of the 1925-26 Homecoming, scheduled for November 13 and 14, are wanted! The contest starts today and the committee in charge expects 3000 suggestions, more or less, from which to select the prize winner, one suggestion, at least, from every student in the University.

The prize, incidentally, will be two grand stand seats to the Oregon-O. A. C. football game, the feature of Homecoming week-end.

Rules for the contest are simple. Students, alumni, faculty members and all others will be allowed to submit slogans—as many as they wish. Just clip the Homecoming Slogan coupon from the Emerald, jot down the "bright ideas" and see that they reach the Homecoming committee.

WORLD FIGURES TO FEATURE IN LECTURE SERIES

Amundsen, David S. Jordan, Sherwood Anderson, To Appear Before Students

One To Speak Each Term Is Plan Made By The Committee In Charge

David Starr Jordan, Roald Amundsen, Sherwood Anderson, three outstanding world figures are to be brought to the campus this year for lectures, if plans tentatively made by the faculty committee on free intellectual activities and the A. S. U. O. concert committee are worked out. Never, in the opinion of the committees in charge, have the students of the University of Oregon been privileged to meet such a group of noted men in any one college year. It is the idea of the committee to have one of these men appear before the students each term.

Roald Amundsen, discoverer of the South Pole and noted also for his Arctic explorations, is perhaps the most famous living explorer.

Since his discovery of the South Pole in 1911, he has made numerous trips in both regions, the last being his unsuccessful attempt to reach the North Pole by airplane this summer, when he was lost for several weeks.

Wins Peace Prize
David Starr Jordan, chancellor emeritus of Leland Stanford University, is an educator of note and an authority on zoology and evolution. He recently won the Bok prize of \$25,000 for the best essay on World Peace.

Sherwood Anderson is one of the most widely read and discussed authors of the day. Extreme and revolutionary in his writings, he is known as one of the most modern.

LARGE NUMBER TRYOUT FOR GIRL'S GLEE CLUB

Fifty-two girls were successful in the tryout for the Girl's Glee Club last night. According to reports, the competition for positions on the club will be very keen, especially in the soprano section. The following girls are asked to appear for the second tryout this afternoon at four o'clock, in the music building, and to bring with them a solo with which they are familiar: Rolston, Howe, Bell, Lucille Pearson, Freeman, Caldwell, Taylor, Palmer, (Benson, Poill, Horsfall, Plymate, Pearce, Helms, Peters, Fasching, Mary Clark, Black, Wright, Barton, Biggs, Johnson, Alexander, Harden, Stockton, Julia Wilson, Inez Jones, Bartle, Aehterman, Gas-kill, Gasman, Normile, Godlieb, Osburn, De Loris Pearson, Young, Ulrich, Maxine Edmonds, Mackey, Heuer, Marguerite Hill, Jensen, Florence Elliot, Hoover, Ferrell, LaVerne Rieh, Pauline Jones, Stor-Long, Woodside, Carson, and Hickman.

Competition will start about the first week in November. Tests are now being held for speed in back; crawl; free style; side and breast strokes. Coaching for diving and the plunge for distance is also being given.
