UNIVERSITY OF OREGON, EUGENE, WEDNESDAY, OCTOBER 14, 1925

NUMBER 11

## WORLD COURT PROBLEM TOPIC FOR ASSEMBLY

**Dean Hale To Inaugurate American Peace Award Nation Wide Movement**

**Congressional favor Toward Adherence To Tribunal Final Aim of Organization**

"America and the World Court" will be discussed by W. G. Hale, dean of the school of law at the assembly on Thursday in the auditorium of the Woman's building. The subject is of timely interest due to the question of America's adherence to the World Court which will come before the Senate on December 17.

### Movement Is National

There is a nation wide movement being conducted by the American Peace Award, an organization composed of eastern statesmen and educators to crystallize sentiment of the American people in favor of America's adherence to the World Court and to bring the fact to the attention of the senators, so as to influence favorable action by the senate in December, Dean Hale said today. The American Peace Award Society has been working primarily through chambers of commerce and various civic and social organizations.

### Dean Hale Is Eugene Chairman

As its part in the progressive movement the Eugene chamber of commerce recently appointed Dean Hale as chairman of a committee composed of local social and civic leaders to conduct the movement in Eugene. Dean Hale and members of his committee have appeared before a number of organizations speaking on the subject and urging them to pass resolutions to be forwarded to the senate from Oregon.

"In speaking before the assembly it is not with the view to ask students to pass resolutions," Dean Hale explained, "but just a part of the progress of education with reference to problems of international relationships and the part America has been playing and can play to establish world peace."

### FRESHMEN WILL HOLD DANCE FRIDAY NIGHT

The chairmen of committees for the freshman dance, which will be held in the gymnasium of the Woman's building Friday night at 9:00 o'clock, were appointed yesterday. They are: Ben Souther, chairman of dance committee, Ray Rankin, chairman of reception committee and Louise Clark, chairman of refreshments committee. Other committee members will be appointed today. All freshmen are urged, by Ben Souther, to attend the dance and are promised an exciting time. "This is a no date dance," says Souther. "But we have no objections to offer if a fellow wants to take his girl home. There will be plenty of cold drinks and lots of surprises. Campus clothes are the thing to wear."

### Remorseful Frosh Remove Green Art From Senior Bench

Poor Frosh! Yes, it's hard on them, but will they never learn that the holy of holies, the senior bench, is not to be smeared with verdant paint? After having been sufficiently chastised for the same act during the freshman introductory exercises, just a little over a week ago, there is slight excuse for the brazen '29s on property publicly known as the seniors.

However, our youngsters must be given credit for the unusually good polish which now makes the old landmark glisten so brightly. A long line of penitent freshmen, gasoline and green-cap equipped, with the assistance of paddles, canes and seniors; removed the offending coloring matter, yesterday noon, while the campus looked on approvingly.

### W. A. A. COUNCIL PLANS MEMBERSHIP DRIVE

### Sports Committee Aims To Reach 225 Goal

Arrangements for membership drive, reports on point systems for class teams and honor organizations, and plans for distributing the athletic handbook, were considered by W. A. A. council, called by Janet Wood, president, last night in the Woman's building.

The voluntary sports committee which is composed of one member from each living organization on the campus will have charge of the membership drive. This committee will meet on Thursday to receive lists of the girls eligible to W. A. A. The membership goal has been set for 225. Any girl having acquired 100 points in competitive sports, or in efficiency tests are eligible. No girl can receive a sweater or small "O" unless she is a member of W. A. A.

The council has adopted the following point schedule for class teams: first team, 100 points; second, 75; third, 50; fourth, 35; fifth and color teams 25; substitutes, five points.

Due to the difficulty in checking up on mileage and the lack of enthusiasm among the women for Mazama hikes, the council decided to drop hiking from the list of sports. Hereafter, no points will be given for hiking. The hiking cup, given to the physical department by the Mazamas, has been won for the last three years by Tau Nu.

Women successfully passing tests for swimming honors, given by Miss E. Troemel, for dancing honors, given by Miss Lillian Stupp, and tests for general gymnastic efficiency, given by the faculty of the department of education will be entitled to 50 points for each set of tests.

The council decided to place horseback riding, riflery, and archery on an honor test basis. There will then be no class competition in these sports, but anyone passing specified tests in these sports will be awarded points, the amount of

### OREGON PROFESSOR EX-PITCHER; FORMER MATES IN BIG LEAGUES

The Washington Senators may have their Walter Johnson, and the Pittsburgh Pirates their "Kiki" Cuyles, but the University of Oregon faculty can boast of its baseball hero too, and a record-breaking pitcher, at that.

Over in the school of education Dr. Homer P. Rainey plaidly teaches education, while two of his colleagues, Charles Robertson, pitcher for the White Sox, and Slim Harris, of the Philadelphia Athletics carry off the laurels that he might also have shared.

Dr. Rainey began his baseball career in Austin College, Texas, where he pitched four years with Charles Robertson. "My sophomore was my record year for pitching," he said. "At that time, we made a trip from Austin to play seven games. There were two of us pitching, but in the first game, the other man was hurt. I pitched the last two innings of that game and the

### TENNIS SINGLE FINALS TAKEN BY HENRY NEER

Melvin Cohn Outplayed In Game By Steady-Drives Of Experienced Opponent

**Victor Gains Matches By Score 6-1, 6-3, 6-2; Was High School Champion**

When Henry Neer and Melvin Cohn met across the net yesterday afternoon the tennis singles of the University was decided. Neer won three sets from Cohn: 6-1, 6-3, 6-2. Both men played good consistent tennis with flash at times. The hard drives and steadiness of Neer was too much for Cohn, who was erratic at times and was not playing the brand of tennis which made him stand out prominently in the first matches of the fall tournament.

#### Neer Brother of Champion

Henry Neer, the winner of the singles title, is a brother of Phil Neer, the national intercollegiate singles champion and also member of the national champion doubles team. Phil Neer is a student at Stanford University. Henry Neer is 1925 champion of the Portland Park league. He was a member of the Washington high school tennis team for four years and as a student in the University is majoring in pre-law.

Melvin Cohn attended Washington High School in Portland and later played in Pasadena, California. While in the south, he held the city championship of Pasadena in addition to several junior titles. This last summer, Cohn played under the coaching of Bill Tilden, National tennis champion.

#### Match Reveals Skill

The match between Neer and Cohn was an excellent display of consistent and steady tennis throughout. Henry Neer had the advantage in his slashing curving serve, which was difficult for Cohn to return. Playing up to the net, Neer was master, placing his return with veteran ability. At times, Cohn was slightly erratic, but would quickly recover.

The final match between Neer and Cohn was proceeded by the semi-finals between Neer and Coffin. The score was 4-6, 9-7, 6-3, 8-6 in favor of Neer, however, Coffin displayed exceptional ability and should make real varsity material.

The results of the double matches were as follows: Westerman and Hartman defeated Harding and McIntosh, 6-1, 6-2. Powell and Knight were defeated by Meade and Coffin, 6-2, 6-1.

The matches for today are: Johnson and Mitchell meet Henton and Adams. Westerman and Hartman meet Cross and Mertz.

### JOBs LOST THROUGH CHANGE OF ADDRESSES

"Please notify us when you change your address," is the plea Mrs. C. R. Donnelly, director of the employment and housing bureau at the "Y" hut, is making of students seeking employment there. "When we get jobs for these students we can't find them," says Mrs. Donnelly.

Due to the increased registration at the University, the employment and housing bureau has been busier this year than ever before, says Mrs. Donnelly. Practically four-fifths of the men who come to the campus aside from those in fraternities, get their rooms through the "Y." Those houses near the campus that have single beds and steam heated rooms are the most in demand.

"As far as possible, all the rooms are inspected. This year we were so busy we were not able to get all the way around, but a check will be made on all the rooms a little bit later," she added. An effort was made to get the listing of the rooms done early in September, but this was not accomplished, causing the delay.

### Special Train For Students Attending Cal.-Oregon Game

Round-Trip Fare Will Be \$3.81 for Fans

Plans are rapidly nearing completion for the Portland rally to proceed the California game, according to James Forestel, rally chairman. A special train leaving Friday afternoon will carry 1000 students to Portland. The train will be complete in every respect—a baggage car will be used for dancing, while food will be served on board, with many other forms of entertainment provided for the students traveling on this "special." The round-trip fare will be \$3.81, an exceptionally low rate due to the large number going on the train. For the convenience of the students that have afternoon classes, the train will start back of Villard Hall, according to present arrangements.

### DOUGHNUT GAMES WILL START SOON

Intra-Mural Questions Are Discussed At Meeting

### LEAGUE RULES ADOPTED

**Committee Will Decide On Problem of Awards**

Questions regarding the formulated rules which regulate intra-mural athletics were taken up at a meeting of organization representatives yesterday.

The feasibility of offering awards, either individually or to the entire team, was taken up and discussed pro and con. Some of the members present voiced their approval of the plan to offer awards for each event and do away with the one award for the organization making the highest total of points during the year. This plan seemed to meet with favor. However, several other members were desirous of keeping the spirit of the game above the award offering. This would place doughnut activities upon the same scale as last year.

The outcome of this argument was the appointment of a committee, consisting of Del Obersteiner, Don Parks and Frank Reinhart, to take up the matter and discuss the probability of creating some way to furnish the necessary awards.

The committee is to reveal its findings at another meeting of the representatives, to be announced later.

Basketball, the opening event on the program this year, is scheduled to appear on or about November first, it was decided at the meeting. The schedule was drawn and each organization has an equal chance to make application at the department of physical education for some definite time in which to practice.

The list of rules was taken up individually by the members present and each expressed his view. Rule number one, regarding the awards was vetoed for the present. This ruling will come up at the next meeting. All other rules were voted sustained. However, a ruling regarding protesting of members of the teams was formulated. This rule reads: No protestation of any player will be allowed after the termination of said contest or event. This means that when two teams enter a contest and one team has an ineligible player and the opposing team does not protest before the game is over, it will not be allowed to protest at all.

The basketball schedule drawn up includes all organizations present at the meeting only. If others desire to enter teams they may do so upon application at the office of the department of physical education, it is announced.

The tentative schedule for this year is:

Phi Delta Theta vs. Oregon club, first game; Chi Psi vs. Beta Theta Pi, second; Alpha Beta Chi vs. Sigma Chi, third; Psi Kappa vs. Alpha Tau Omega, fourth; Theta Chi vs. Friendly Hall, fifth; Sigma Alpha Epsilon vs. Phi Kappa Psi, sixth; Sigma Nu vs. Sigma Pi Tau, seventh; Phi Gamma Delta vs. Lambda Psi, eighth; and Delta Tau Delta, bye.

As far as possible, all the rooms are inspected. This year we were so busy we were not able to get all the way around, but a check will be made on all the rooms a little bit later," she added. An effort was made to get the listing of the rooms done early in September, but this was not accomplished, causing the delay.

"Please notify us when you change your address," is the plea Mrs. C. R. Donnelly, director of the employment and housing bureau at the "Y" hut, is making of students seeking employment there. "When we get jobs for these students we can't find them," says Mrs. Donnelly.

### FINANCIAL DRIVE OF Y. INITIATED WITH LUNCHEON

Drive For \$600 Scheduled To End Today According To Bob Hunt, Chairman

Malcolm And Gillenwaters Address Fifty Workers Who Will Solicit Houses

A flying start was made in the annual Y. M. C. A. drive for funds from men students of the University at a luncheon in the Y "hut" yesterday noon and by solicitation work at the various fraternity houses and among independent Oregon men, last night.

The drive, headed by Bob Hunt, general chairman, is scheduled to end tonight unless some few of the men on the campus have yet to be interviewed by the teams conducting the drive, in which case the campaign will extend until Thursday.

#### Workers Meet Friday

A final meeting of the fifty-five men taking part in the work will be held at a luncheon Friday noon at the "Y" hut, to obtain a final checkup on the work.

Addresses by Walter Malcolm, Ted Gillenwaters and Rev. Bruce Giffen followed the explanation of the plans at the luncheon yesterday.

Teams and captains were announced by Roland Davis, in charge of independent solicitation. Bart Kendall, president of the Y. M. C. A., is in charge of the fraternity speakers who started last night, and continuing throughout today, will conduct the campaign among the fraternity men.

#### Bart Kendall Justifies Drive

"Due to the increasing size of our school," declared Bart Kendall, "the work and service of the Y. M. C. A. is steadily increasing. In order to render this service to the campus, we must have financial support. It is a worthy cause, and we must first realize this ourselves, before we can give the others the idea."

The quota of the drive is set at \$600. It is desired by the directors of the drive that the amount be raised by tonight. The budget follows:

Intercollegiate work in the Northwest, \$50.00; speakers for campus, \$150.00; telephone, printing and entertainment, \$150.00; office, stationery and magazines, \$65.00; "Oregon In China" Harold Round's work, \$50.00; employment, \$50.00; conferences and miscellaneous, \$60.00. Total, \$600.

#### Speakers Named

Men who will speak at fraternity houses are:

Theta Chi, Paul Ager; Phi Delta Theta, Elam Amstutz; Phi Gamma Delta, Ted Gillenwaters; Friendly Hall, Bob Mautz; Sigma Nu, Sigma Chi, Douglas Wright; Sigma Pi Tau, Delta Tau Delta, Jack Hempstead; Lambda Psi, Steele Winterer; Alpha Beta Chi, Oscar McKenna; Alpha Tau Omega, Bart Kendall; Phi Kappa Psi, James Johnson; Chi Psi, Bob Hunt; Kappa Sigma, James Johnson; Beta Theta Pi, Bob Hunt; Kappa Delta Phi, Bart Kendall; Sigma Alpha Epsilon, Benoit McCroskey.

#### Campaign Workers Listed

Other men who are taking part in the drive are:

Boland Davis, William Schultz, O. Hipe, Byron Serfling, Robert Lemon, Ted Mueller, Claude Crumb, Romayne Brand, Kirk Bollinger, D. Patterson, Jerry Ackler, Everett Hornell, Lynn Miller, Delmar Boyer, C. Lucas, Wade Newbegin.

Hershell Kidwell, Bert Nelson, James Stewart, Bob Love, Arthur Baines, John Galey, Pete Motschenbocker, Carl H. Hempill, Wilbur Peterking, O. E. McKinney, Milton Simmons, Bill Call, Al Westergren, Bill Adams, Campbell Church, Ronald Beattie, Orr Pindexter, Arthur Farlow, Francis Reider, Orville Menet, Wayne Veatch.

Runer Rasmussen, Ralph Highmiller, Jess Dewey, Brook Colt, Joe Holladay, Willard Brunk, Frank Hair, Claude Addison, Davididaas.

#### Financial Drive

Saturday night beginning at 8:00 o'clock the campus journalists celebrate their annual jamboree. According to the crowds and fun at these affairs before, this ought to be "one grand party."

As usual, the jamboree will be a masquerade, masks and all. At 10 o'clock Ed Miller, general chairman, will ask everyone to unmask so that each person may know if his newest "secret sorrow" is male or female, and if the noisiest one in the crowd is really as bad as he pretends.

Harold Kirk and Betty Cady who are on the committee for music, promise an orchestra "imported" for the affair.

Old timers at the "shack" say there never was a journalism jamboree that didn't have fun in it from the word go. All journalism majors, new and old, are invited to come over to the men's gymnasium Saturday evening and join the "gang."

### Lucille Pearson And Bob Neighbor In Junior Offices

Lucille Pearson as vice-president and Robert Neighbor as sergeant-at-arms were elected at the Junior class meeting held last night at Villard hall to fill vacant offices left by students who did
