WHY YOU NEED THIS GUIDE

"It is safe to say that failure to guide and direct study is the weak-point in the whole education system." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Cooley, Yale.

"Misdirected labor, though honest and well intentioned, may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this, his labor may be largely in vain." Prof. G. F. Swain, M.I.T.

"To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

"How to Study" will show you how to avoid all mis-directed effort. Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.

When You Dine Or Dance

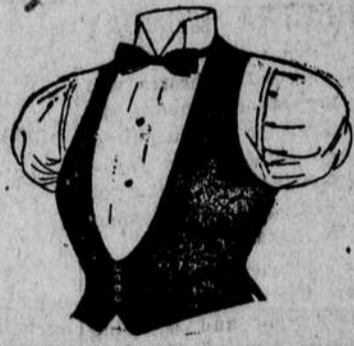

Stein Bloch Smart Clothes

Evening dress is right or 'way off; there's no half way about it. Whatever sort of day clothes you may wear, choose only a Stein-Bloch Tuxedo Suit. Its style is thoroughbred, not half-baked. It's enduringly hand-tailored. It's luxuriously silk-lined. It's fashioned of Plain Black Worsted or Rich Reverse Twill. It fits trimly; drapes symmetrically; balances gracefully. It's not just a piece of fabric, but a masterpiece of fashion. And—you'll like the figure on the price-ticket quite as much as you will like the figure in the suit.

Important Incidentals

The little incidentals of your evening clothes are almost as important as the big essentials. We know and show what's what in Waistcoat, Shirt, Collar, Tie, Hosiery, Handkerchief and Hat.
