

### VOLLEYBALL GAME IS WON BY SOPHOMORES

#### Margaret Pepon is Star For Winning Team

The sophomore first team defeated the junior first team, their strongest rivals for the volleyball class championship, yesterday by a score of 26 to 23.

The juniors have in Margaret Pepon, a server whose smashing balls are almost invincible. Defeated by a score of about five points until the last three minutes of the game, the sophomores rallied and by determined, tricky volleying, and swift serving, ran up points enough to outstrip the juniors.

The sophomores now feel that they have a practically clear field towards the class championship. The freshmen last year won the volleyball championship, and the members of that class, the sophomores of this year, are determined to keep the championship to themselves. Their first team composed of Ruth Scott, Geneva Zimmer, Harriet Osborn, Juanita Dietz, Eleanor Marvin, and Nellie Johns is now the only undefeated team in the round robin tournament. However, one more hard fight is promised them when they meet the senior first team on November 23.

The results of the other games played last night are as follows:

- Sr 2-28; So 2-22
  - Sr 3-29; So 3-27
  - Jr 2-29; F 1-24
  - Jr 3-33; So 4-29
- Fr. 4 won by default of Fr. 6 which failed to appear on time.

#### Varsity Hoop Practice Today

Varsity basketball practice will wind up the second week's work this afternoon with the workout at five o'clock. Contrary to the rumor given out, the practice will be held as usual this afternoon, according to a statement by coach Billy Reinhardt.

#### LIBRARY HAS NEW BOOKS

For the convenience of those who do not like to read whole volumes of Cooper, Scott or Shakespeare in the reserve, a new shelf of rent collection books has been placed in the reserve section of the library. The books assigned for class work may be taken out at a charge of five cents a day. This insures the soonest possible return of the book and at the same time permits the student to seek his favorite haunt for reading.

#### COSMOPOLITAN CLUB GIVES OPEN MEETING

Spanish songs by Esther Setters in costume and by Orrin Dawson were features of Spanish night, an open meeting of the Cosmopolitan club held Tuesday evening at the Y. W. Bungalow. Talks on Spain by Miss Rosalia Cuevas and Dr. Ray Bowen, and a discussion of Chile by Miss Mary Dallera teacher in the Romance Language department, were followed by the answering of questions relative to these countries. An informal banquet will be held after the Homecoming game at the Y. W. Bungalow at 6:00 o'clock in honor of visiting foreign students on the campus.
