

# FROSH BEATEN BY ROOKS, 9-7

### Aggie First Year Men Give Yearlings Hard Fight

## MAPLE IS WINNERS' STAR

### Burnell, Woody, Martin and Flegel Oregon Stars

By Dick Syring

Eleven red-shirted Oregon Aggie rook football players and the superstitious "Friday, 13th," were all too much for the Oregon yearling team yesterday afternoon, and as a result they were defeated 9 to 7 in a hard fought game played on Bell field, Corvallis.

The game started with a rush. Flegel kicked off to the Corvallis lads. Maple, quarterback, returned the ball with a fifty yard run. From here on until in the latter part of the quarter the game was just a punting duel, both teams showing good defensive and little offensive.

### Maple Does Good Kicking

In the last part of the quarter the ball was Oregon frosh's on their 20 yard line. Martin, tackle, booted the ball 40 yards. Maple returned it 20 yards and then through a series of line bucks and end runs the Aggies worked the ball down to the 25 yard line where Maple made a well directed place kick.

The Oregon yearling eleven started the second quarter with new fight. A series of line bucks brought the ball to the 25 yard line where a bullet-like pass from Woody to Pope, left end, went over the goal line for the Oregon babes only score. Woody made the try for point kick.

At the third quarter the Aggies marched the ball down towards the Lemon-Yellow frosh's goal line and were held one foot from the goal. Here Martin booted the ball 25 yards, from behind his own goal posts. The ball was returned five yards and worked down to the 30 yard line where a pass from Whitlock to Maple scored the Rooks only touchdown. Maple failed to kick goal.

### Burnell, Woody Outstanding

Burnell, fullback and Woody, quarterback, were the outstanding men behind the line for the frosh. Martin, tackle, and Flegel, guard played a good game on the line.

Maple, quarterback, was the greatest ground gainer for the Aggies while Luce, left tackle, was the outstanding man on their line. The rooks made five first downs from scrimmage for gains of 67 yards to the frosh's two first downs from scrimmage and four from passes for total of 87 yards. The Aggies attempted three passes, completed one. The frosh attempted 11 passes, four incomplete, one intercepted and six completed. Burnell, fullback, was Oregon's greatest ground gainer with 28 yards. Whitlock, rook, booted the ball for an average of 39 yards to the 32 yard average of Woody and Martin.

# EXTENSION DIVISION ATTENDANCE IS HIGH

### Psychology Courses Have 403 Enrollment

Registration in the Portland center of the extension divisions shows a heavy increase over previous years, according to information just released by the extension office. The total enrollment in Portland is 1911, exceeding the number last year by 131.

Two courses in psychology and tests, under Dr. B. W. DeBusk, are the most popular, having a total enrollment of 403. English composition courses come next with 268, and the banking courses with 265, enrolled.

Other popular courses with their enrollment are: psychology, 105; physical education, 112; recent developments in fiction, 80; elementary Spanish, 85; elementary French, 82; elementary short story writing, 64; magazine writing, 55; modern social problems, 54; and European history, 47.

The Portland center conducts most of its classes at night in the Lincoln high school and the central library building. Sculpturing courses under Avar Fairbanks are given in the Dekum building.
