

### SYNCOPIATION FEATURED AT CAMPUS LUNCHEON

#### Great Quantities of Food Is Consumed By Crowd

Three thousand Oregon enthusiasts enjoyed the campus luncheon at the men's gymnasium yesterday. Everyone obtained a big plate of delicious hot food and coffee without delay, while Burton's Coted Harmonizers added to the gaiety.

Mrs. Edna Prescott Davis supervised the preparation of the food, while Edith Sorenson had charge of the serving. The efficiency with which the meal was served was the result of their efforts. The cooks at Friendly and Hendricks halls worked steadily for three nights and days without extra pay in order to get the food prepared in time.

The menu consisted of creamed chicken on large, fluffy biscuits, cabbage and celery salad, bread and butter sandwiches, ice cream sandwiches and coffee.

More than 1200 pounds of chicken were obtained for the main dish. The 3000 large biscuits required six sacks of flour and 35 pounds of baking powder. The gravy for the creamed chicken contained 70 gallons of milk, and two sacks of flour. Five hundred pounds of cabbage, 144 bunches of celery, and 15 gallons of mayonnaise were used in the salad.

Besides this, 200 loaves of bread, 90 pounds of butter, 40 pounds of coffee, 20 gallons of coffee cream, and 100 gallons of brick ice cream were consumed by the ravenous crowd.

Governor Walter M. Pierce and about 25 other special guests, including members of the board of regents of the University, were received by Dean Virginia Judy Esterly as hostess and served by Frances Bourhill and Chalmers Nooe.

Edith Sorenson was general chairman of the luncheon committee and was assisted by Edith Shell, Katherine Reed, Adelaide Johnson, Kirk Bollinger, Roland Davis. About 85 people helped make the luncheon a success.
