

H. S. CONVENTION HEADS ARE NAMED

Carl Dahl, Chairman States Plan Of Organization; Program Being Prepared

Delegates' Names Received; Houses Wishing Certain Guests Report To Staley

A full high school conference committee to handle the details of the convention, which is to be held on the campus December 4 and 5, was announced last night at a meeting of the conference directorate.

Plans for the conference are rapidly taking shape, according to Carl Dahl, general chairman of the conference. Preliminary arrangements looking to the annual sessions have been made and each committee is now at work preparing the various parts of the program and entertainment.

The housing committee has already begun to receive names of delegates who will represent the high schools. Ralph Staley, chairman of the committee, urges that houses wishing to state their preferences as to the delegates they wish to entertain, should communicate with him before November 25.

Following is the full committee with its chairmen: welcoming, Bob Benjamin, chairman, Stan Tomlinson, Harry Leavitt, Eugene Gray, Kasten Follman, Calvin Horn; College Nite, Vivian Harper, chairman, Lucille Brown, Jean Harper, Hal Westphal, Al Clark, Clarence Toole; Booklet, Adrienne Hazard, chairman, Mary Conn, Wayne Leland; Housing, Ralph Staley, chairman, Bob Henningsen, Bob Overstreet, Lowell Hoblitt, Louise Buchanan, Betty Beans, Ruth Miller; Banquet, Kathryn Ulrich, chairman, Mary Clark, Aleska Groves, Dorothy Straughan, Dorothy Koepke; Greater Oregon Committee, Bob McCabe, Hal Lundburg; Woman's League, Anna DeWitt, chairman, Louise Inabnit, Catherine Strupler, Janet Wood.

The full committee will meet tonight at 4:15 in room 1 of the Administration building. Chairman Dahl urges that all of the committee be present.

FRESHMAN AND JUNIOR FIRST TEAMS VICTORS

The first class swimming teams got in some valuable practice last night when they competed with second teams. The junior first team won from the junior second team with a score of 33 to 24, and the freshman first from the freshman second by a score of 50 to 16.

Although these scores do not accurately indicate the strength of the first teams, they do show that there is good material in the first teams. This promises to make the matches between the first class teams hotly contested affairs.

The high point swimmers of the two meets are Dorothy Brown, freshman, 18 points, and Margaret Peppoon, junior, 16 points. The freshman team is showing up well. Olive Banks, freshman swam the length of the tank side stroke in 16.4 seconds, while the time for the winner in the junior meet, Helen Cunningham was 16.8 seconds. Dorothy Brown, freshman won the breast stroke event in the freshman meet in 17.7 seconds; the winner in the junior meet, Frances Morgan took 18.9 seconds for this event. Katherine Kershaw won in the crawl in 12.1 seconds, one second less than the junior winner, Margaret Peppoon. The freshman winner in the free style, Dorothy Brown, did the length of the tank in 12.8 seconds, 1.8 seconds less than the junior winner, Margaret Hatton.

On November 30 these two teams, the junior first and freshman second will compete. Unless the juniors put in a lot of extra practice, the prediction that they will be defeated by the freshmen will probably stand good. November 30 will be a stellar night in the swimming meets, since two more first teams will compete then, sophomore first and senior first.

The high point team of Monday's swimming meet was the senior second with a score of 40 points. The freshman third amassed 38 points, senior third 23, and sophomore second 21. Johanna Patterson of the freshman third team, and Nellie Johns, sophomore second, each scored 15 points. Margaret Vincent, senior second team came in second with 13 points, and Anna DeWitt of the same team, third, with eleven.

When it's Thanksgiving—and the teams are drawn up for battle on the gridiron—when the first touchdown goes over and the grandstands rock with frenzy—have a Camel!

WHEN the rival bands are playing to make your blood tingle. And the cheers and answering songs sweep back and forth between the opposing thousands of rooters. When, following that tense hush, a swift player darts out from the flashing formations on the gridiron and races across the goal for the first touchdown—oh, man, or superman, when the taste of joy is too keen to endure—have a Camel!

For Camel is the boon companion of your joys. Roam as far as you will from the prosaic things of every day, Camel will be the truest smoke friend you ever had. Not a tired taste, not a cigarette after-taste, not a regret in a million Camels! Just full and fragrant smoke contentment, just added zest in living.

So when your own college's team tears through for its first smashing goal this Thanksgiving Day—when life seems fullest of the frenzy of happiness—joyfully apply the fire and taste the smoke that's loved by millions.

Have a Camel!

Into the making of this one cigarette goes all of the ability of the world's largest organization of expert tobacco men. Nothing is too good for Camels. The choicest Turkish and domestic tobaccos. The most skillful blenders. The most scientific package. No other cigarette made is like Camels. No finer cigarette can be made. Camels are the overwhelming choice of experienced smokers.

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price. R. J. Reynolds Tobacco Co.

THE COLLEGE COFFEE CUP

When you drag yourself out of a warm bed on one of these cold rainy mornings and rush around to get off in time for an eight o'clock you don't always have time to eat but you do stop for a cup of hot coffee. That coffee always seems to hit the right spot and give the day a good start.

Then at night just before you settle down to work, a cup of coffee served with your dessert at dinner gives you a good feeling all through

and makes the evening easier. Concentration shorter, and studying isn't hard after the mild stimulation coffee brings.

Coffee is the finishing touch for everyday dinners as well as for guest dinners. A meal is never quite right without its cup of coffee if the coffee is good. But nothing is worse than a poor brand of coffee.

We keep in stock for you coffee that is fresh and delicious—and at the same time, inexpensive.
