

### OREGON CLUB LOSES TO PHI DELTS, 15 TO 9

#### Big Crowd Sees Basketball Semi-Final Game

The Phi Delta Theta basketball team gave the Oregon club its first defeat of the season yesterday afternoon when they slicker their way to a 15 to 9 victory. This was the second game of the round robin tournament and the largest gallery of the year was present to cheer on their favorites.

The Club jumped into the lead soon after the game opened and continued to get points until the score stood 7 to 2 in their favor. At this stage the Phi Deltos got together and did some tallying themselves, with the direct result of placing them in the lead which they held at half time. Score 8 to 7.

The Phi Deltos continued their drive in the second half, getting a seven point lead. Oregon Club weathered this attack and in the closing minutes of the game reduced the lead to 5 points.

The game was fast and clean. Both sides missed numerous short shots, which, as it turned out, proved the Clubmen's undoing. Hard luck overtook the "galloping ghosts" of the clubmen when their star guard, McCormick, contracted blood poisoning and was unable to play.

Ridings, the stellar player of the Phi Deltos was held scoreless and "Tuffy" Chastain took the spotlight when he collected three baskets and one free throw for high point honors of the game. Orr, guard, starred for the clubmen by doing some nice defensive work and gathering 4 points.

Saturday afternoon at 3 o'clock Beta Theta Pi and Phi Delta Theta will play the third game of the series. If the Phi Deltos win they have undisputed claim to the title. On the other hand, should the Betas breeze under the wire as winners, the tournament will be in a three cornered tie and a play off will be necessary to decide the winner.
