

ORATORIO SOCIETY HAS FIRST PRACTICE SOON

Applications For Tryouts May be to Committee

The Eugene Oratorio Society, which practiced last Monday evening at eight o'clock, in the auditorium, for an oratorio this spring, is the work of John Stark Evans, director of the group. All those who were members of last year's society are urged to be present and to bring their copies of the "Creation" with them. Any others who are interested in joining should get in touch with either Madame Rose McGrew, John Siefert or Prof. John Stark Evans, who will try their voices to determine their qualifications.

"It is not necessary to be a soloist to become a member of the society," said Professor Evans, "but a good ear is the chief requirement. Persons who have had experience in choir work make very good material for an oratorio society, and any who have that training are especially urged to try out. Vacancies will be filled in order of precedence in applying to any of the committee, and there will undoubtedly be a number of vacancies." The Eugene Oratorio society is composed of 150 Eugene and campus people.

WRESTLER BACK IN SCHOOL

Robert Jones, a junior in business administration, and a member of last year's wrestling team, has entered school after staying out during the fall term.

Oregana Staff Urges Artists To Hand In Contributions for Book

(Continued from page one)

There are still a number of organizations and clubs on the campus that have not reserved their space in the year book. The heads of these organizations should see Betty Cady or the manager at once. No space will be held after January 12, it is announced. All Oregana pictures must be

taken by the Kennell-Ellis studio, as no others can be used. The final date for getting pictures in is January 15, and those not already having appointments should attend to this at once.

Work on the final dummy is progressing nicely, it is announced. No definite date has been set for the publication of the 1926 Oregana, but it will be sometime in the latter part of the spring term as in previous years.

HAVE YOU SEEN THIS WOMAN?
Age apparently 25 in reality she is almost 40

Men admire and women marvel and say: "How does she do it?" There are thousands like her who enhance their beauty and retain their youthful charm by using a preparation almost magical in its effects.

Without it you are stopping just short of complete success in developing all of the inherent loveliness that Nature gave you. This preparation is Boncilla Classic Beautifier. It is not intended to supplant the use of face creams, which are excellent to soothe and protect the skin. Its purpose is more fundamental—more important. It conditions the skin so that creams are more effective.

Boncilla Classic Beautifier, Boncilla Cold and Vanishing Creams and Boncilla Creamed Face Powder constitute the complete Boncilla Beauty Method.

The consistent use of this method is guaranteed to clear the complexion and give it color and exquisite texture. It lifts out the tiny lines which presage wrinkles, eliminates blackheads, pimples, enlarged pores and excess oiliness. It imparts radiance to plain uninteresting faces.

MILLIONS OF MEN AND WOMEN NOW USE IT. Thousands daily testify to the pleasing results from using Boncilla. If you are not satisfied with results after a fair trial of Boncilla Classic Beautifier, return the empty container and your money will be refunded.

Boncilla Pack-O-Beauty 50c Contains generous introductory packages of all four items in the complete Boncilla Method. At all toilet goods counters.
