

OREGON AND O. A. C. TIE FOR NORTHERN LEAD

Idaho and W. S. C. Out of Race; Calif. Leads South

Coast Conference Standings:

Northern Section			
	W	L	Pct.
Oregon	8	0	1.000
O. A. C.	4	0	1.000
Idaho	2	3	.400
Washington	2	4	.333
W. S. C.	1	5	.167
Montana	1	6	.143

Southern Section			
	W	L	Pct.
California	3	0	1.000
Stanford	3	1	.750
Southern California	0	5	.000

The latest conference standings find Oregon and O. A. C. nominally tied for the northern leadership with a joint percentage of 1000. However, the Webfeet are virtually the leaders as they have won eight games to four for O. A. C.

The main feature of last week's play was the elimination of Washington State and Idaho from further consideration, as these teams lost the majority of their road games. Washington was similarly ousted from the running the week before.

In the south, Stanford drubbed Southern California in two straight games. The Cardinals still have a chance against California for southern honors as they were only nosed out, 19 to 18, in their first encounter with the Golden Bears.

This week's conference schedule: Friday—Idaho vs. Montana at Missoula. Saturday—Oregon vs. Oregon Aggies at Corvallis; California vs. Southern California at Los Angeles. Results of Oregon games to date: Oregon 40, Montana 19. Oregon 34, Washington 20. Oregon 35, Montana 17. Oregon 34, Idaho 24. Oregon 34, W. S. C. 22. Oregon 26, Washington 21. Oregon 37, Idaho 17. Oregon 34, W. S. C. 23.

ELECTION OF OFFICERS TO TAKE PLACE TODAY

A president and a secretary for the club for unaffiliated University women will be elected at a meeting to be held today at 5:00 in Room 105 Commerce building.

At a meeting last week a nominating committee was selected by ballot. They will report today on the girls they have chosen as candidates for the officers. A definite time and place for future meetings will be discussed and other plans will be considered. Miss Florence Magowan, Y. W. C. A. secretary, who is interested in the undertaking and is helping to make it a success, urges all women not belonging to organizations to attend this meeting, as the future of the club depends largely on the action taken at this time.

NEW FIELD SOUGHT FOR DO-NUT SPORTS

Appropriation of \$10,000 for grading the present R. O. T. C. drill field for use as an athletic field for intramural sports and extra practice work was asked of the board of regents building committee by the student body committee yesterday. The regents committee considered the proposal favorably, and will bring it before the next session of the regents.

The plan as proposed conforms to the general design of the University's physical education plant as drawn up by Dean E. F. Lawrence of the school of architecture. Dean Lawrence's plan calls for three distinct terraces in this section, the lowest including Hayward field and the football gridiron; the intermediate terrace lying between the athletic fields and the R. O. T. C. barracks, and the third and highest including the site of the new basketball pavilion. It is the partial grading of the middle terrace for athletic purposes that was asked of the committee yesterday.

Board of Regents Give Final Approval to Plans For Basketball Pavilion

(Continued from page one)

building. It will be equipped with cloak rooms for dances, as well as dressing and shower rooms and other features of a modern basketball gymnasium.

Larsen States Plans

Ted Larsen, chairman of the building committee, last night explained the reasons for the construction of the building this year rather than last. He said that "the committee found it impossible to build such a structure without a great deal of consideration and investigation. Such a plan, with practically no other buildings in the country constructed exclusively for this purpose and with a limited cost, cannot be rushed either in design or construction with any satisfactory results."

The financial and building plans were presented for the consideration of the regents committee by Walter Malecqn, president of the student body; Ted Larsen, chairman of the building committee, and Ken Stephenson, chairman of the finance committee. Members of the regents committee are Mrs. G. T. Gerlinger, Fred Fiske, and Colonel W. S. Gilbert.

WOMEN'S LEAGUE TEA POSTPONED THIS WEEK

There will be no Women's League tea this afternoon on account of the Dime Crawl in the evening is the announcement issued by the officials of Women's League. However, the teas will be resumed next week.

TRACK SEASON OPENS WITH MEET TODAY

Varsity and Frosh Contest To be Weekly Event

The first track competition of the year is slated for this afternoon at 4 o'clock on Hayward field, and will bring together 60 aspirants for the five events which will be run off. The meet was held over because of rain at the scheduled time last Saturday.

The meet this afternoon starts the spring training with a bang and begins things in earnest for varsity and freshmen track men. The loafing days are over, for from now on the work will be continuous and snapped up every week end by competition in most of the events. The competition will get keener every week until the tryouts for the Stanford meet, which will be held at the beginning of next term.

"Anyone who is not entered on the list given out can enter the races on the field," said Bill Hayward yesterday.

The track on Hayward field has been rained on for the past week but has not shown any bad effects—or enough to hinder the track competition today.

The meet today will be followed by the next event on the training schedule, with the competition in all events slated for next Saturday afternoon.

The 75-yard dash for all varsity and freshman sprinters will be run off in heats, and the best two men out of each group selected for the finals. Twenty-one men are entered in the half mile.

The entries for the meet are: 880 yards—Varsity: Arnold, Armond, B. Nelson, Oehler, Howe, Ross, Mauney, Kelly, Fisher, Jeffries, Mauney, Price, Ager, and P. Clarke. Frosh: Getty, Maxwell, Larner, W. A. Woods, Walker, Jensen, and Leinkamper.

75-yard dash—Varsity, first heat: Royal, Whittlock, J. C. Nelson, Renshaw and R. Moore; second heat: Fansett, Palmer, Brown, Kuykendall, and Allen.

75-yard dash—Freshmen, first heat: Blum, Mattson, Hunter, Woodyear; second heat: Cheshire, Mead, Reavis, McGee, and Haines; third heat: Christie, Weaver, Barron, Post and Bishop.

60-yard hurdles—Beard, Tuck, Jackson and Burns.

Pole vault—Crowley, Richmond, Bunn, Canterbury, and Enke.

High jump—Crawford, Boyden, Draper, Grantham, Davis Symington.

Broad jump—Renshaw and Staley.

Officials—Physical education department staff.

FRESHMAN BECOMES WEST POINT CANDIDATE

Announcement of the selection of George W. Jackson, freshman pre-law major, as a candidate for entrance in the United States Military academy at West Point was officially made yesterday by special bulletin from Washington, D. C., and confirmed by appointment notification from Governor Pierce. He was one of the two recommended last fall by ninth corps area war department officials, and took the preliminary examination last November.

In order that he may have time to do the intensive studying for the rigid entrance examination on March 2, Jackson today withdrew from the University. He is a pledge of Theta Chi.

Jackson at present holds a corporale in the howitzer company, 162nd infantry of the Oregon National guard. Previous military training has been limited to summer drill camps, army drill with the O. N. G., and brief connection with the local unit of the R. O. T. C.

CLARA JANE STEVEN'S EXHIBIT OPENS TODAY

Contrary to former plans, Clara Jane Stevens, Portland artist, will not be on the campus for the opening of her exhibit in the museum of the art building today. A tea, planned to precede the formal opening this afternoon, and to which all faculty and art students had been invited, will be postponed until her arrival either Thursday or Friday of next week.

However, the exhibit will open today and remain up for public inspection until Friday, February 19, in the half mile.

RUMMAGE SALE FOR Y. W. C. A. SCHEDULED

The advisory board of the Y. W. C. A. a group of Eugene women, is supervising a rummage sale to be held in the Hampton building across from the postoffice February 12 and 13.

Sales in past years have been quite successful, Miss Florence Magowan, Y. W. C. A. secretary, said. Proceeds are used to help finance the campus organization's activities.

Students wishing to contribute articles are requested to bring them to the Bungalow, or leave their addresses.
