

Class Baseball Teams for Girls Are Selected

3 Freshman Teams; But Only Two for Sophs; Others Have One

Two-Week Series Schedule Began Yesterday

Baseball for the Oregon Co-Ed has been materially speeded up this year. Already all practices have been run off, teams picked; and the first game was played last night at 5 o'clock. All games will be run according to schedule, notwithstanding any pranks of Ol' Jupiter. Five o'clock is the time; the baseball fields west of the Woman's building, the place.

The freshman have three teams to compete; the sophomores, a first and second; and the juniors and seniors one apiece. Several of the classes had more representatives out than could be handled on one team, and yet not enough for an additional team, so some deviation had to be made from the strict class roster.

Schedule Given

Changes which were made under this placed three juniors on the third freshman team. These girls, Bristol, Ernst, and Meek, will be entitled to second team junior points, however. Likewise will Richardson, junior, and Pierce, senior, secure second team credits, although their names appear as eleventh members of their respective class teams. The schedule of games will be short and snappy this year. It follows:

- Tuesday, April 20: Sr. 1-So. 11; Jr. 1-Fr. 11.
- Wednesday, April 21: So. 1-Fr. 11; Fr. 1-Fr. 111.
- Thursday, April 22: Sr. 1-Jr. 1.
- Friday, April 23: So. 1-Fr. 1; So. 11-Fr. 111.
- Monday, April 26: Sr. 1-Fr. 11; Jr. 1-Fr. 1.
- Tuesday, April 27: no games; W. A. A. mass meeting.
- Wednesday, April 28: Sr. 1-So. 1; So. 11-Fr. 11.
- Thursday, April 29: So. 1-Fr. 111; Jr. 1-So. 11.
- Friday, April 30: Fr. 11-Fr. 111; Fr. 1-So. 11.
- Monday, May 3: Sr. 1-Fr. 1; Jr. 1-So. 1.

CAMPUS Chat

E. Ruth Rockwood, reference librarian of the Portland library association, was on the campus yesterday checking over the University publications.

Miss Rockwood is preparing for publication a check list of all the publications of the departments and institutions of the state of Oregon.

Anna Jerzyk, '25, was in Eugene Monday on a business trip. She is now general reporter for the Banner Review and has charge of the building up of country news for that paper.

While on the campus last year, Miss Jerzyk was a day editor on the Emerald. She is a member of Theta Sigma Phi, women's national honorary journalistic fraternity.

Seniors, Juniors Win Easily From Underclass Teams

Class baseball for the Oregon co-ed got off to a flying start last night. The flies, however, were much too one-sided to result in exciting battles. Two games were played, with the Senior 1 lined up against the Sophomore 2, and the junior 1 batting against the freshman 2.

The juniors, after being held tight by their freshman opponents in the first, tore loose and sped around the bases so many times in the second that the more inexperienced first-year women gave up the ghost at the end of that inning. The final score was 21 to 3, the freshman playing without their regular twirler and minus a fielder and shortstop. Batteries: junior, Best and Hatten; frosh, Hileman and Seydel.

The senior-sophomore fracas was also a good track practice—for the seniors. Final count: 12 to 42. The four-year team played comparatively air-tight ball along side the fumbblings of the sophomore seconds. Lounsbury and Knips did the busy end of the mix for the seniors; while Forrest, on the mound, and Raser, supporting her, composed the sophomore battery.

Games are scheduled each night, except next Tuesday, until May 3, and it is predicted that as the players swing into the competitive spirit the contests will become more lively.

Varsity and Frosh Baseball Schedules Make Appearance

Complete schedules for both the varsity and freshman baseball teams, released from the graduate manager's office yesterday, find the yearlings opening their play this afternoon with a tilt against Eugene high school at 3:30 o'clock on the fair-grounds field.

A return mix with the Eugene preppers on the varsity lot, and four contests with the O.A.C. rooks round out the yearling season. The Aggie yearlings will be met here April 30 and May 1 while the varsity is in Seattle, and May 21 and 22 at Corvallis. The second encounter with Eugene high is slated for May 19.

The varsity-Pacific tilt has been advanced from April 24 to April 23 because of conflicting dates, the Badgers being billed to meet both Oregon and O.A.C. next Saturday. The complete varsity schedule follows:

- Oregon-Pacific at Eugene, April 23; Oregon-Washington at Seattle, April 30; Oregon-Washington at Seattle, May 1; Oregon-O.A.C. at Eugene, May 7; Oregon-O.A.C. at Eugene, May 8; Oregon-Washington at Eugene, May 17; Oregon-Washington at Eugene, May 18; Oregon-O.A.C. at Corvallis, May 28; Oregon-O.A.C. at Corvallis, May 29.

Hall

(Continued from page one)

was one of the most successful, one of the greatest teachers, that I ever had.

"His mother was a rather unusual woman also. At the time I was in college her time was taken up with the raising of her children. If I remember correctly there were six of them with Arnold. She was a woman of force, power, and character, and had considerable literary ability. She was a fine writer.

"At the age of fifteen I went up to Franklin to take my work in preparatory college, and my first glimpse of our new president was that of Arnold looking through the picket fence at some of us college boys. I was impressed with him, for he was a very attractive boy. I did not know him personally while he was in college or Chicago, although I followed his career with interest. He has been a loyal alumnus of Franklin, and was interested in the institution in which his father spent so many years teaching. He has a great heritage back of him.

"Judging by what I have read, both of his scholastic attainments and his administrative ability, I am greatly pleased with Dr. Hall's appointment," said Dr. C. L. Traywin yesterday. "He is still a young man in the prime of life, and has unbounded energy and initiative, as is indicated by what he has already accomplished.

"I knew the family quite intimately," he continued. "I knew his father as a teacher of Greek who had the very great ability of inspiring his students to study, and brought out the best of their ability.

"When I was in college he passed from the age of ten to fifteen, so I knew him as a boy. I saw him during the growing years of his life, and he always impressed me as a sturdy, energetic, manly boy. I used to see him in his home and about the yard as I went to school."

Freshman Baseball Nine to Play Again Eugene High Tonight

Competition with a heavy-hitting high school baseball team, in a stiff afternoon's work, will furnish the entertainment for the freshman nine today.

Promptly at 4 o'clock, the new members of the University diamond cohorts will swing into action against the Eugene high school squad on the fair ground field. This was made official by a statement from Harry O. Ellinger, head mentor and his assistant Don Parks.

Also the pitchers, catchers, infielders and outfielders who aspire to wear the uniform of the freshman are to report at the men's gymnasium this afternoon at 3 o'clock or as soon thereafter as possible, First Assistant Parks stated.

Promptness at this hour may mean the drawing of a uniform or obtaining a blank, he stated, as there are but 24 suits to be distributed. These are expected to go to the chosen few, though.

A hot sizzling infield and hitting practice was held last night on the new frosh diamond and ended with all the candidates taking a tired run toward the shower. At present Coach Ellinger is at a loss as to who will make up his nine but with the game today and a few more afternoon workouts he will have a line on his heavy artillery and fielders.

Arthur Hicks, who was elected graduate assistant for next year, has already done one year at the University and returns to complete his course. Mr. Hicks is a member of Phi Beta Kappa. After teaching at the University, Mr. Hicks studied music in Baltimore and has taught in eastern Oregon since.

Old Oregon Will Be Sent Out to Alumni First of Next Week

Nearly all material for the April issue of "Old Oregon," alumni magazine edited by Jeannette Calkins, has gone to press and it is expected that the magazine will be distributed the first of next week.

One of the leading articles in the new issue will be written by Dr. Philip A. Parsons and is entitled "The Unsolved Problem of Crime." Another story is by F. H. Young, '14, president of the Alumni association, telling of the trip he and Coach J. J. McEwan made over the entire state during spring vacation. The law class of 1911 is holding a reunion in Portland, June 18 at the Multnomah, with Clarence Hotchkiss as chairman. An article telling about the reunion appears in "Old Oregon" and, in addition to the plans, the present occupations and activities of the members of the class are mentioned.

Following the series of "Under the Gargoyles," a personality sketch of Prof. Alfred H. Schroff, will appear. It was written by Nancy Wilson, of the class of '24. Another former student, Raymond

Lawrence, has written an article on the University's new president, Arnold Bennett Hall. Among regular features of the alumni publication will be sports, news of the classes, "Family Mail Box," campus notes, medical notes and editorials.

Truth Terry-Biddle, of Portland, visited at the Alpha Chi Omega house last week. She attended school here three years ago and was a major in the English literature department.
