

Smith Describes Former Eruption Of Active Volcano

Hawaiian Goddess of Fire Madame Pele Punishes Island People

Party of Scientists Viewed Volcano During Tour

The Hawaiian goddess of fire, Madame Pele, who has been revolting recently was also active in 1920 when Dr. Warren D. Smith, of the geology department, visited the islands with the first Pan-Pacific Scientific Congress as a delegate from the University of Oregon.

Pele is supposed to dwell in the crater of Kilauca, a pit in the center of a huge basin located at an altitude of 5000 feet above sea level on the side of Mauna Loa.

Good Roads Constructed The United States government has constructed good roads over this portion of the island in order that tourists may conveniently travel about and view the peculiarities of nature.

Japanese Scientist Companion "When walking along near the rim of the fiery pit I could see through wide cracks in the solid rock red-hot lava, more than that I could feel it, my feet being blistered.

Volcanic Glass Collected Specimens of what are commonly called Pele's hair, and are really dark amber masses of spun volcanic glass that are scattered in the air by the wind after an eruption, were collected by the scientist.

The only volcano conservatory in the world is located on the edge of the great sink. Here eminent scientists such as Professor Thomas A. Jaggar have spent years trying to determine why the volcanoes are active at certain times.

Vodvil

Wonder Where My Baby Is Tonight, and "That Certain Party." The act is a fine combination of classical dancing and chorus work, making a cleverly worked out revue.

Warner-Mutzig to Dance Besides the acts put on by Lillian Bennett, and Anona Hildebrandt, there will be a "A Terpsichorean Shortcut," put on by Robert Warner and Katherine Mutzig.

Those taking part in the Vodvil have been doing hard and steady work on their rehearsals.

gram, according to those who have been present.

Seat Exchange Closes at 5:00 The ticket sale has been very successful and a full house is expected at the McDonald theater tonight, tomorrow afternoon, and tomorrow evening.

Baseball

Life. Freedom, Miss Handsaker said, is essential to develop personality.

Youth Said to be Drifting Miss Helliwell declared that youth on the contrary is not searching for a better way but is drifting along without active endeavors to solve the problems of life.

For the past week Coach Billy Reinhart has been driving the varsity nine hard for today's game. In speaking of last Saturday's fracas Reinhart said, "The boys looked pretty weak at bat but Libke was the first curve-ball pitcher that they've faced this season.

Bill Ashby on Mound This afternoon will find Bill Ashby on the mound for Oregon. Ashby worked the first six innings of the St. John Bear game and pitched good ball considering the fact that it was the first game of the season for Oregon.

The rest of the varsity's line up will be the same as in the first tilt. Reinhart, center fielder, is lead-off man. "Plunks" didn't connect with the ball last Saturday but succeeded in getting two walks.

Herman Gloebe Is Named Assistant In Mathematics

G. Herman Gloebe, who is receiving his B.A. degree in mathematics from Inter-Mountain Union College of Helena, Montana, this year, has been engaged by the University as a graduate assistant in mathematics for the year 1926-27.

Tennis Honors Sought by Men; Last Tilt Monday

Friendly, Alpha Tau Omega Meet Today For Elimination

The third and last round of the intramural tennis tournament was completed yesterday and the teams now go into semi-final round for the elimination of the group down to the two duos who will battle for the honors.

The games this afternoon are between Friendly hall and Alpha Tau Omega. Kappa Delta Phi drew a bye and will play Phi Gamma Delta on Saturday morning for the honors in the semi-final round.

In the games yesterday afternoon Kappa Delta Phi represented by Skipper Brooks and Heinie Stevens scored the outstanding win of the afternoon by romping through Bill Parker and Roger DeBusk of the Sigma Nu team for two sets 6-4 and 6-2.

Friendly hall represented by Arlie Reed and Al Veazie scored two easy sets over Bob Gardner and James Harding of Phi Kappa Psi, the scores of 6-4, 6-0. The losers broke in the last match and were completely outclassed.

Alpha Tau Omega represented by Archie Knowles and Ted Gillenwaters won the hardest fought matches of the afternoon and worked harder for their victory than any of the others which were for the most part lop-sided.

The Phi Gamma Delta team made up of Claire Scallon and Ben Southy won two easy matches, 6-4 and 6-1 from James Forestell and Marsh Brown representing Chi Psi. The

RESOLUTION

Whereas Almighty God in his infinite wisdom has seen fit to remove from our midst our late friend and fellow student Landa Gillette, and

Whereas, by his death the University of Oregon has lost one of the most earnest and respected students; therefore, be it

Resolved by the Associated Students of the University of Oregon that to his sorrowing family we extend our deepest sympathy, and be it further

Resolved that a copy of these resolutions in behalf of our beloved friend be sent to his family, and that a copy be transcribed on the records of the Associated Students of the University of Oregon, and that a copy be published in the student publication.

Adopted April 22, 1926. ASSOCIATED STUDENTS, By DeLoris Pearson, Secretary.

Why Walk?

games were one-sided after the first set, and the winners took the last by a wide margin.

The final games of the tournament will be played next Monday according to Ed Abercrombie, in charge of the intramural event.

Debate

(Continued from page one)

ed, and then asked this question: "Is this sort of life developing a higher type of character and personality?" She answered it by saying that leisure is driving youth pleasure mad.

Eloise Gray for Affirmative

Eloise Gray, second affirmative speaker cited specific examples of influential youth movements in the world that indicate a more commendable character on their part. "Young people of England are now working intelligently for a better order of the world that is too come," she said.

Increased freedom, according to Miss Cherry, last negative Oregon speaker, has caused great numbers of crimes and vices, has increased the number of divorces, and has led to a twentieth century skepticism which hampers personality and character development.

Marriage Taken Lightly

"Marriage is no longer considered seriously," said Miss Cherry. "One divorce is granted in this country every four minutes. Two women of the University were convicted recently for shoplifting. Five University men were expelled on charges of drunk and disorderly conduct. These things result in overthrow of restraint and here in this attitude of skepticism the old order rests the whole danger of the present problem."

Miss Cherry closed the debate by saying: "Youth has renounced re-

RESOLUTION

Whereas Almighty God in his infinite wisdom has seen fit to remove from our midst our late friend and fellow student, Harold Moshburger, and

Whereas, by his death the University of Oregon has lost one of the most earnest and respected students; therefore, be it

Resolved by the Associated students of the University of Oregon that to his sorrowing family we extend our deepest sympathy, and be it further

Resolved that a copy of these resolutions in behalf of our beloved friend be sent to his family, and that a copy be transcribed on the records of the Associated Students of the University of Oregon, and that a copy be published in the student publication.

Adopted April 22, 1926. ASSOCIATED STUDENTS, By DeLoris Pearson, Secretary.

ligion and in its place they have put nothing. It is easy to revolt, hard to construct; and in following this path of least resistance, mad youth is paving the way to retrogression."

Oregon Women in Seattle

At Seattle last night, Margaret Blackaby and Cecil McKecher, Oregon affirmative met University of Washington negative in a similar type of open-forum contest. Washington affirmative clashed with the Reed negative co-ed speakers at Portland.

Mr. J. Stanley Gray, head of the department of public speaking presided at the contest held here. This was the first intercollegiate forensic event in which Reed has entered a woman's team and a commendable showing was made in this first attempt of the visiting team last night according to Robert D. Horn, coach of the Oregon women.

Junior Girls Take Game from Seniors

The junior baseball team added another bead to its string of victories last night when it defeated the crack senior girls by a score of 24-11. The juniors whacked out 11 runs in their half of the first but the seniors showed up so well in their game that the end of the inning found the winners with only a two run lead.

Thereafter Nellie Best, junior pitcher, was well supported in the field and the entire aggregation managed to hold the
