

New Executives Installed in Office During Assmebly

Contracts for Construction Work on Pavilion Given By Committee

The new officers of the associated students were installed yesterday by Walter Malcolm, retiring president, at the last student body meeting of the school year. Before stepping out of office Mr. Malcolm told of his appreciation of the co-operation of the student body during the past year, and of the work of the various committees during his term of office.

Hugh Biggs, incoming president, in his brief address, did not attempt an outline of plans for the coming year, since he feels that two weeks is not long enough to become thoroughly familiar with conditions and to formulate a definite program.

He called to the notice of the students a few immediate questions, one of which is the selection of the Greater Oregon Committee, which will be made within a short time, and which will continue the successful policy adopted by the committee of the past year.

Biggs expressed his approval of student activities. He feels, however, that while such activity is very important, there is also a danger of over-emphasis by many students. He asked that the new officers have the support of the student body throughout the coming year, and urged students or faculty members to present ideas for the consideration of the administration whenever they wish.

Ted Larsen, chairman of the Student Building Committee, told of progress being made in the plans and construction of the new basketball pavilion, which was started May 1 and will be ready for use by November first, according to present plans. The seating capacity, when finally complete, will be 9,000 with standing room for 3,000. Contracts have been let for construction amounting to \$187,401. A \$150,000 bond issue has been made to finance construction of the building.

E. F. Abercrombie, coach of swimming and tennis, presented awards in swimming to Lloyd Byerly, Don McCook, William MacGregor, Robert Boggs, and Robert Gardner. Walter Malcolm presented varsity wrestling sweaters to Perry Davis and Burl Betzer.

Winners of awards in basketball were "Swede" Westergren, Jerome Gunther, Howard Hobson, Roy Okerberg, and Charles Jost. William J. Reinhart made the awards.

Awards in forensics and music were announced and will be presented later, as they did not arrive in time for presentation yesterday. Those winning awards in music were named by Rex Underwood, director of orchestra. Those to receive awards in orchestra include Vendela Hill, Tess McMullen, Alice McClellan, Beulah Brockman, Beatrice Wilder, Marcus Woods, Norman Johnson, Mack Simonton, Mae Tobin, Ronald Robnett, Elliot Wright, Adrian Schroeder, Francis Taylor, Harold Baughman, Barbara Edmonds and Arthur Larsen.

Men's Glee Club members eligible for the award are: Alton Bassett, Elmer Halstead, Winston Lake, Donald Ostrander, Walter Jones, John Mohr, Ronald Kretzer, Cecil Matson, Harold Socolofsky, Ward McClellan, Ernest McKinney, and Siemon Muller.

It's Saturday Night For Senior Bench

MEMBERS of the class of '26 wish to leave a clean bench as well as a clean slate when departing from the University out into the great open spaces. The green and black paint and ink on the sacred senior bench is being eradicated by the University painters.

Blow torches and lye were used in the elimination process yesterday and the concrete coloring of the bench is slowly coming into view.

The order for the cleaning of the bench was received by A. P. McKenzie from the senior class. The work will continue tomorrow, and it is expected that the other half of the bench will be brought back to its original if not its normal color, ere another sun goes down. The cost of the cleaning has not yet been determined but it should not exceed the capital of the senior treasury.

Woodside, Leota Biggs, Margaret Fasching, Adelaide Johnson, Janet Pierce, Mary Benson, Edna Ellen Bell, Meta Michelson, LaNita Gaskill, Esther Wright, Marion Horsfall, Mary Clark, Alice Carson, Dorothy Black, Ruth Helms, Josephine Ralston, and Daisy Parker.

Harold Brumfield, general manager; Don Jeffries, Glee Club manager; Emerson Haggerty, orchestra manager and Bob Hart, Artist Series Concerts manager, will also receive awards for their services during the season.

Due to the absence of the debate coach, J. Stanley Gray, Jack Hempstead, forensics manager, gave the names of those students who have earned the emblem "O" awards in that activity, and told of the work done and of the promise in debate for the coming year. The twelve men who will receive awards are: Beryl Ludington, Benoit McCrosky, Jack P. McGuire, Mark Taylor, Dudley Clark, Max Robinson, Donald Beeler, Jack Hempstead, James Johnson, Hugh Biggs, Roland Davis, Ralph Bailey.

Women to receive forensics awards are: Mildred Whitecomb, Cecile McKecher, Margaret Blackaby, Frances Cherry and Helen Hellwell.

Shields for three years work in forensics will be presented to two men, Herschel Brown, who has been a varsity debater for three years and Elam Amstutz, who was general forensics manager for three years.

The officers who took the oath of office yesterday are Hugh Biggs, Lowell Baker, Frances Morgan, Sol Abramson, Anne Runes, Fred West, Wilfred Long, Tom Graham, Bill James, Glenna Fisher, Maurine Johnson, Clifford Kuhn, Dudley Clark, Mary Clark, Joe Haliday, Jack Seabrook, and Frances Bourhill.

Ellen McClellan received the fifty dollar prize given each year by Phi Chi Theta, women's honorary commerce fraternity, to the best all-round senior woman in the business administration department.

Dean John Landsbury To Give Final Concert

The concert to be given by Dean John Landsbury of the school of music next Wednesday evening is to be the last of the series of six faculty concerts sponsored by Mu Phi Epsilon, national honorary music organization. Admission for townspeople will be fifty cents, and for students thirty-five; season tickets will also be accepted.

Freshmen Meet Salem Baseball Sluggers Today

Improvement Made Since First Contests; Infield Shifted About

Coach Harry Ellinger's Oregon freshman baseball nine swing into action this afternoon against the strong Salem, high school nine on the new varsity diamond at 3:30 o'clock. Tomorrow afternoon the Washington high school baseballers of Portland will form competition for the yearlings.

The first year men's opposition this week-end is nothing to be taken too lightly. Salem and Washington high have reputations as fence busters. Salem, several times state champion, has played the O. A. C. Rooks in several practice games and held them to a closer score than the local team. The Colonials are batting up near the top of the Portland inter-scholastic league.

According to Coach Ellinger his team has quite recovered from the two decisive defeats at the hands of the Oregon Aggie Rooks. "The infield is working like a clock and the boys have found their batting eyes," said the coach. Since the two Rook encounters, Ellinger has shifted his infield around somewhat. On the initial sack this afternoon will be found Don McCormick in place of Green.

Les Johnson will cavort around the keystone sack. In the two previous games he held down the short patch position but Scott plays this position today. "Gord" Ridings and his chatter will be found on third, Lewellyn at left field, Gould at center and Benson in right will round out the outfield combination. The battery for today's contest will find McDonald on the mound and Woodie behind the windpad. Woodie has proven a success as a back stopper and with a little more experience should develop into good varsity material. Lefty Schoeni will be on the bench ready to work on the hillock if it becomes necessary.

Dr. Rudolf Ernst to Leave This Summer

Dr. Rudolf Ernst, associate professor of English, is planning to leave Oregon the last of this month, to be gone for the summer months. His classes will be given their term examinations before Dr. Ernst leaves.

Celebration Program To Be Fixed Monday

Choosing of the inaugural day and the arrangement of the program for the Semi-Centennial has been deferred until the meeting next Monday night because members of the Alumni association were unable to attend Wednesday night's meeting.

Troubles Forgotten As Junior Workers Meet for Last Time

Eat, drink and be merry for tomorrow you will be forgotten seemed to be the thought of the fifty-some juniors who attended the banquet given for the Junior Week-end committee last night at the Campa Shoppe.

With Junior week-end past and class elections over the members put everything from their minds but the desire to enjoy themselves and they did.

A three course dinner and synecopation between the courses furnished by the Aggravators was all that was needed.

Ralph Staley, general chairman of the Junior Week-end committee addressed the group thanking them for their cooperation and good work.

James Johnson, junior class president, gave a short talk in which he declared that the work of those present had made the week-end the success that it was. The idea worked out in this year's events have set a precedent which will undoubtedly be followed on future occasions, he said, and those to whom is due the credit for the success of the event can look back with satisfaction on the part they had in making it so.

Yale University Has School of Nursing

A school of nursing was established at Yale University in 1923 through a gift from the Rockefeller Foundation. The school requires two years of approved college work for admission which is the highest requirements for any school of nursing.

The aim of this school is to interest the college girl in modern, scientific agencies of social service rather than in the practice of medicine. An opportunity is given to study the factors contributing to mental and physical deviations from normal health.

The student nurses have the privileges of Yale university and all the benefits to be derived from the various departments of this famous college.

Last Year's Frocks are Passé. So are Last Year's Corsets

THE straightline frock which reigned so long has at last been completely overthrown and the princess back, the fitted bodice and the flared skirt have reminded women how charming feminine clothes can be. But not unless the figure, revealed after so many seasons of obscurity, is attractive! A Corsetette such as this model, is firm, is clinging, is svelte, enough to be the foundation for the most daring of the new frocks.
