

### Freshman Track Squad to Meet Rooks Tomorrow

### Competition on Hayward Field to Wind up Successful Season

The freshman track squad wound up one of the most successful seasons that a Frosh track squad has had for several years when they met the O. A. C. rooks yesterday afternoon on Hayward field.

The Frosh squad met with plenty of hard luck due to scholastic failures. Two star sprinters and a quarter miler were unable to compete. Many good men were developed out of the large squad that turned out, and they will fill up the gaps on the varsity next year. Creed Cheshire and Alex Scott were the mainstays in the 100 and the 220 yard dashes. They have improved greatly and should have a good season next year. Joe Standard, Bunar Rasmus and Jack Jones have been doing good work in the quarter mile. Joe should be running the quarter around 50 seconds next year.

In the half mile Ernest McKittrick was a real star. Harold Little has been running the mile in great style as has his teammate Ed Jensen. Little has run the mile in 4.33.

The hurdlers were slow getting started but they finally found themselves and showed up well in the dual meet with the University of Washington Frosh. Loye McGee, Bob Foster and Bill Crawford showed more improvement than any on the squad. Bill Crawford and Ralph McCulloch were the star high jumpers. Both have been doing consistently around 5 foot 9 inches all season.

Mark Sanderson, George Stager and Bob Byington improved greatly in the shot and discus. This was especially true of Sanderson in the shot and Stager in the discus. Sanderson threw the 16 pound shot around the 40 foot mark and Stager dropped the discus out around the 130 foot mark. These two will surely be valuable assets to the varsity squad next year. Bob Byington has improved greatly and should be up amongst them next season.

The javelin throw was ably handled by George Burnell and Bob Foster. Burnell's best throw was 168 feet but at throwing he should be a world beater next year. The real "dark horse" of the squad was Joe Brown who did the pole vaulting. Coaches Bill Hayward and Earl Leslie worried along for half of the season looking for a freshman pole vaulter, but Joe came along and soon settled their worries. All that Brown lacks is experience which he will get next year. In the broad jump Arthur Ord and Loye McGee jumped consistently around 21 feet 10 inches. Both have improved wonderfully.

The Frosh had their initial meet against Jefferson and Franklin of Portland and Corvallis high. The Babes showed their superiority winning by 40 points. The relay carnival against the Aggie rooks was lost by the score of 4-1. The Frosh could not stand the gaff but the carnival was closer than the score indicates.

The Babes lost a heart breaking meet to the University of Washington freshman by 3 1/2 points. Oregon took ten first places but did not have second and third place men to win the meet.

### Ex-Army Star

(Continued from page one) in the international competition. In 1924 he acted as coach and trainer of the American decathlon performers. He is an all-around athlete, according to Captain McEwan, whose coaching staff he worked for

three years. In 1921 he returned to West Point as instructor in the physical education department and was track coach as well as backfield coach. "Vidal is one of the few really good backfield coaches in the country," said Captain McEwan. "He is not only an expert instructor but an expert demonstrator. He knows how to coach backfield men from his considerable experience as backfield coach at the military academy for three years."

Vidal was conducting business matters in Florida when the position as backfield coach at Oregon was offered him by the athletic committee on the recommendation of Captain McEwan and he readily accepted. His interest in football compelled him to get back in the game.

### Baseball

(Continued from page one) hard struggle. In the first contest, Bill Ashby pitched some of the best ball of the season for the varsity, but poor support lost the game for him, 4 to 3, Ashby had the Huskies in hand most of the time, allowing them only three scattered hits during the nine innings. A number of boots in the first inning gave the Huskies a two-run lead which the Webfooters could not overcome.

In the second, Bill Baker got off to a poor start. For the first five innings he failed to display his usual control of the ball. Coupled with superb pitching of Elmer Tesreau and the erratic chucking of Baker, the Oregon varsity tasted defeat for the second time, 5 to 1.

As a fitting part of the Junior Week-end the Oregon varsity nine came through with the right spirit and defeated the Oregon Aggies 7 to 3. Bill Ashby, pitching for the varsity, had things practically his own way for the entire nine innings. Winter started on the mound for the Aggies but his offerings were knocked everywhere by Reinhart's sluggers. He retired in favor of Lefty Strikmader.

In the fastest game played on the local diamond this season, it took the University of Washington Huskies exactly one hour and fifty minutes to hand the Oregon nine an 8 to 2 beating.

In this encounter the Huskies got next to Ashby for nine hits which they made count for the eight runs. Big Elmer Tesreau for the winners had an easy time of it. "Plunks" Reinhart, varsity center fielder, carried off the batting honors for the Webfooters with three safe hits in four trips to the plate. The Oregon varsity came back the next day determined to defeat the Huskies and they did it, 10 to 9. Lefty Jones, pitching for the visitors, wobbled along until the eighth inning with an apparent 6 to 4 victory but received a great surprise in the eighth when the lemon-yellow batsmen began touching him for safe hits that resulted in 6 runs before the onslaught could be stopped. Bill Baker on the mound for the varsity pitched good ball.

On Saturday, May 22, the Oregon varsity turned tables on the St. Johns Bears in the second game between the two teams on Reinhart field and gave them a 16 to 0 drubbing.

To start the season off, Coach Billy Reinhart had nine diamond lettermen back in school: Bliss, Adolph, Hobson, Jones, West, Reinhart, Minnaugh, Williams and Harrison. With the nine lettermen and several recruits from last year's freshman team Reinhart has turned out a team that the University may well be proud of.

Prospects for next year are without doubt the brightest since baseball was inaugurated at Oregon. Coach Reinhart loses two star men, Hobson and Bliss. "Hobby" Hobson rounds out his three years this sea-

son and is one of the most talented ball players on the team. His positions have alternated from second to third. Hobson's batting average is another item in his favor. Jack Bliss, the man so familiar behind the windpad, will be sadly missed. For three years Bliss had dominated in this position. Not only is he a good catcher and hitter, but his knowledge of baseball has been of assistance to Reinhart. He has the knack of developing young pitchers. Cavorting around first base next year Rex Adolph will again be found. He has one more year on the varsity. This year Adolph's batting average has increased and he is one of Reinhart's most dependable batsmen.

The later part of this season big Lynn Jones was transferred from the field to third base, where he will probably be found next year. The big problem of finding a shortstop has been apparently solved. Arnie Kiminki who has held down this job most of the season has proven his ability. He has two more

years. **Many to Return**  
In the outfield George Minnaugh and Frank Reinhart will be back for one year more of competition. In right field this season, Ray Edwards from last year's freshman nine has played a quite consistent game.

The pitching job was easily remedied by the varsity mentor this year. Bill Ashby, star right hander from the 1924 yearling team, returned to school and took care of

his job in good shape. The rest of the pitching rests upon the young shoulders of Bill Baker, late of last year's frosh team. Baker, another right-hander, pitched good consistent ball all season. Both mounds-men have two years more playing ahead of them.

Perhaps being a little too much hopped up or too optimistic—but it would be safe to predict that Coach Billy Reinhart's Oregon varsity nine would capture the northwest title next spring.
