

**Scrimmage is Program for Football Men**

**McEwan Putting Squad In Shape for Badgers On Saturday**

**"Live Tackles" Used to Train Runners**

Spectators admitted to Hayward field on visitor's day Wednesday saw Captain McEwan drive his regulars and subs through an afternoon of grueling practice which ended in one of the toughest scrimmages on record this season.

Another strenuous workout this afternoon and McEwan will have his grid warriors on a fighting edge for the Pacific contest Saturday. After the Willamette melee last week, the Badger game can be regarded as a practice tilt. Oregon will no doubt roll up another string of touchdowns, but the contest will serve to iron out the wrinkles and polish off the rough edges for the big game against the Huskies on October 9. This hurdle looms as the acid test of whether Oregon will take a place on a level with other colleges in the conference.

**Jones Doing Kicking**

There may be no rest for the wicked, but there is less for a football player, as Gene Vidal, Ellinger and "Spike" Leslie hammered the backs and linemen through an unrelenting period of practice. Mautz kept his ends busy catching passes.

Wetzel, Jones, and Fred Harrison vied with one another in kicking practice. The punting of the three backs was fairly consistent and averaged over 40 yards. The forward pass is not being neglected by Vidal and Mautz. Woodie and Minnaug doing the throwing, and the backs, Wetzel, Vitus, Jones, and Burnell, alternating with the wingmen, Sherm Smith, Slauson, Pope, Greer, Jamison, Riggs, and Hughes, grabbing the pigskin out of the air, are becoming proficient in the aerial phase of the game.

**"Live Tackles" Used**

Under the leadership of Ellinger the entire squad went through a brief series of calisthenics, and that not sufficing, they circled the gridiron at a fast pace. "Live tackling," with backs carrying the ball attempting to evade tacklers arranged across the field in rows, superseded the dangling canvas dummies.

Coach McEwan has made no announcement of a starting line-up.

**Tryouts for Glee Club And Orchestra Today**

There will be a continuation of yesterday's try-outs for membership in the men's and women's glee clubs this afternoon from 4:30 to 6:00 o'clock in the school of music building. All girls who have not tried out, and wish to do so, are urged to report at this time, according to Eugene Carr, who is in charge. About forty girls were present yesterday. The men's Glee club is under the charge of John Stark Evans.

Old members of the women's glee club are asked to report at the second and third try-outs, to assist. The second try-out will be held Friday at 4:30, and the third Monday at the same hour. Try-outs will be held today and tomorrow from 4:30 to 5:30 for the university orchestra, which will be composed of fifty pieces. Far more material has turned out than ever before, according to Rex Underwood, director, but there is more material of ability on the campus that has not yet reported, especially among those who play the stringed instruments.

against Pacific university, but it will probably be approximately the same that over-ran Willamette last week, with a few substitutions made.

**Open House Schedule Ready at Dean's Office**

A representative from each men's house should call at the Dean of Women's office today to get their schedule for open house, is announced by Kathryn Ulrich, president of Women's league. The committee has been working on the program for several days.

All houses will receive in their usual places except Chi Omegas who will occupy the Kappa Sigma house.

**Law School Majors Increased This Year**

Registration in the law school shows an increase of 38 per cent this year. Thirty-six law majors were signed up this term.

Dean W. G. Hale says there is a very marked tendency to prolong the period of preparation for the law school. The department encourages this tendency, as the wider background of general knowledge promotes the possibilities for greater future success in the field of law.

Coach McEwan has made no announcement of a starting line-up.

**Debate Schedule Includes Contests With Australians**

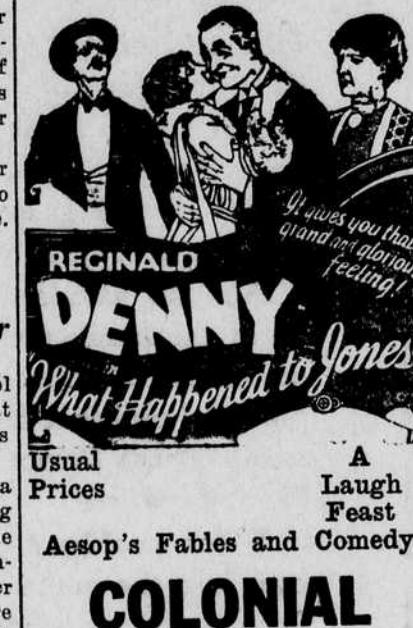

**Hempstead, McCroskey Selected as Oregon Representatives**

Oregon's debate season will open with a contest between the University of Sydney, Australia, and the Oregon varsity, Friday, October 15, at the Methodist church at Eugene. Oregon has the negative of the question: Resolved: That it is to the best interests of the United States to adopt a cabinet form of government. The following night the same opponents will debate at Portland, by radio from station KGW. The subject will be the liquor question.

The University of Sydney representatives will make a debating tour of the United States. The debates here and at Portland are two of the many they will give. The Oregon debaters who will act as their opponents were selected by University authorities during the summer. Jack Hempstead, junior in journalism, and Benoit McCroskey, junior in pre-law, will uphold the negative for Oregon over the radio. Ralph Bailey, first year law, and Donald Beeler, junior in pre-law, meet the Australians in Eugene.

General plans for the debate here have been made by debate coaches J. K. Horner and J. Stanley Gray, and are already under way, according to Jack Hempstead, general forensic manager. The triangle, the

dual and the single methods of debate will be continued.

The new Oregon system, originated last year by J. Stanley Gray, and tried out in the Utah-Oregon debate, will be used by Oregon varsity debaters throughout. The individual characteristic of this system is that it allows to each side the privilege of firing short decisive questions at the other side.

On January 20 there will be a dual debate with Stanford, and September 24, the annual northwestern tri-

angle. The complete list of the oratorical contests, including subjects and dates, will be given later.

Managers in addition to Hempstead are: men's debate, Walter Durgan; freshman debate, Joe McKeown; women's debate, Frances Cherry.

It is expected that a record-breaking list of varsity men and women and freshmen men and women debaters will take part in the coming try-outs at which teams for the entire year will be chosen.
