The campus social season was formally opened on Saturday night with the annual open house at which the men of the campus were entertained at each of the women's living organizations. This completed a busy week-end, including the church receptions on Friday night, the underclass mix and the football game with Pacific University on Saturday afternoon.

First among the social affairs of the season was the fashion luncheon sponsored by members of Chi Omega sorority Thursday at the Eugene hotel between the hours of twelve and two. Costumes provided by Densmore-Leonard, including everything of interest for the fall and winter wardrobe, were displayed by the active members. The luncheon was even better attended than the one last year, which was the first affair of the kind ever given here, and which proved a great success. Reservations were made for three hundred.

Among the alumnae who were in charge of the luncheon were Mrs. Jack Benefield, Miss Julia Burgess, Mrs. Lynn McCready, Mrs. H. D. Sheldon, Mrs. Ralph Bailey, Mrs. Leland Johnson and Miss Mildred Seufert.

On Friday afternoon members of Delta Delta Delta sorority were hostesses at a benefit bridge tea at their chapter house from two until five. Thirty tables of bridge were enjoyed during the afternoon. The committee arranging the affair was headed by Miss Delia Sherwood, and Miss Alice McKinnon was in charge of the serving, which was done by the freshmen girls. Patronesses included Mrs. James H. Gilbert, Mrs. Carlton E. Spencer, Mrs. Beatrice Fitzsimmons, Mrs. D. J. McKinnon and Mrs. Frank Carl.

The Women's League entertained with a reception for the freshmen men and women on Friday afternoon from four to six in Alumni hall, honoring President and Mrs. Arnold Bennett Hall. The musical entertainment, which included several piano, violin and vocal solos, was in charge of Olga Jackson. Pauline Stewart acted as chairman of the refreshment committee and Alice Douglas of the decorations. Active and old members of Kwama, sophomore women's honorary organization, assisted about the rooms and took charge of the serving.

In the receiving line were Kathryn Ulrich, president of the Women's League; Virginia Judy Esterly, dean of women; President and Mrs. Hall; Hugh Biggs, president of the student body; Katherine Struplere, president of Pan-Hellenic; Myrtle Mast, president of W. A. A.; and Beatrice Peters, president of the campus Y. W. C. A. Dean Walker, dean of men, Mrs. Walker, John Straub, dean emeritus, and Mrs. Straub also assisted in receiving the freshmen.

A recent Portland announcement of interest to Oregon students is that of the engagement of Miss Julia Groo, daughter of Mr. and Mrs. Jay S. Groo, to Mr. Robert Pelouze. Miss Groo will be remembered as having come into nationwide prominence a year ago when she won the national electrical essay contest and was awarded a beautiful home in Eastmoreland as a prize. She was a student at the

University of Oregon last year. Mr. Pelouze is a well-known football player and former Stanford University star. The date for the wedding has not yet been set.

President and Mrs. Arnold Bennett Hall were honored last Saturday night by a reception given by the retiring administrative committee at Alumni hall from 8:30 to 11:00, at which members of the faculty and their wives were guests. The retiring committee, which had complete charge of plans for the occasion, consisted of Dean H. D. Sheldon, L. H. Johnson and Karl Onthank. Supper was served later in the evening in the sun parlor, which was beautifully decorated with American Beauty roses and autumn flowers. In the receiving line were Dean Virginia Judy Esterly, President and Mrs. Hall, Dean and Mrs. H. D. Sheldon, Mr. and Mrs. Karl Onthank, Mr. and Mrs. L. H. Johnson, Judge and Mrs. Skipworth and Mr. and Mrs. Sam Kozer.

Zoology Classes Show Increased Enrollment

Zoology classes this fall are overflowing. Dr. A. R. Moore, new head of the zoology department, is compelled to hold one freshman class in the lecture room of Villard hall because of lack of space in Deady hall. Other classes, too, are crowded but are being accommodated as well as possible. There is a total of 448 students enrolled in the department more than last year.

Hazel Hayden, who graduated from Oregon last year, is a graduate assistant in the botany department.

Village School Master Wants News of Oregon

Miles from nowhere, away up in the California mountains, is a small hamlet that goes by the name of San Andreas.

In this secluded spot, forty miles east of Stockton, is a little red school house.

Seated at a desk in front of a class, ruler in hand, is a man who, not long ago, was an Oregon student. His name is V. Pierpont Husband.

Solitude and the enforced seclusion weighed on him heavily, so he wrote to the editor of the Emerald, including in his plea for relief and the Emerald: "I want to keep up with the football activities; all the news in general that keeps the circles of the University frictionally sparkling with sport."

Every day he can now read what's what on the campus and the small villa will no doubt take on a brighter shade in his eyes.

Campbell Biography Price Jumps a Notch

A change in price from \$2.00 to \$2.50 for Professor Joseph Schafer's biography of late President Prince L. Campbell has been decided upon by the senior class, which is marketing the book. After seeing the book it was decided that it is the sort that according to the custom of the book trade sells for \$2.50 or \$3.00.

All orders at the price of \$2.00 made previous to the change in price will be honored, and the privilege is offered to faculty members and the staff of the University to order the book at the original price today and tomorrow.

Bible Week Under Auspices of Y. W. Y. M. Starts Today Noon

At the beginning of each school year, the Y. M. C. A. and the Y. W. C. A., with the co-operation of the local churches, set aside a week in which to enroll the students into the various churches. This week is known as "Bible Week" for it is primarily not only to enroll the students in the churches but to get them interested and coming to the Bible classes which precede the regular church services, said H. W. Davis, head of religious work on the campus.

Bible week commences today at noon when the various teams of the churches will hold a luncheon in the Y. M. C. A. hut to present a plan by which they will be able to get in touch with the students.

This is only one of the many activities which the two Christian associations of the campus are planning for the coming year.
