

### Seniors to File Applications for Degrees at Once

#### October 9, Is Final Day To Register, or Add New Courses

All seniors expecting to graduate this year are advised by the registrar to fill out applications for their degrees as soon as possible. Only 50 of the 340 possible applicants have so far filled out cards. No degrees will be granted to seniors expecting to graduate in January or June who have not applied for them.

October 9 has been named as the last day to register or add a course, a one dollar fee being charged for the latter. Graduate students have until next Friday to file registration cards. A penalty of one dollar was charged for late filing of registration blanks, beginning yesterday, and a 25 cent fee will be added, thereafter. Students may withdraw from a course at any time.

Freshmen are warned not to carry registration material around in their pockets, as some have formerly done.

The student directory will be compiled as soon as the names and addresses are correctly recorded, according to Edith Sorenson, who is in charge of the publication. Miss Sorenson requests that all students who have changed their addresses since coming to the University inform the registrar's office.

### Eyler Brown Designs Cottage on Mirrace

The designing of a six-room cottage for Mr. and Mrs. Charles S. Williams has been among the recent tasks just completed by Eyler Brown, instructor in the school of architecture.

The house, which is now nearly completed, is situated on the bank of the mirrace adjoining the residence of Mr. Brown.
