

Five Lettermen Raise Chances Of Track Team

Tuck, Cleaver, Holder, Stars of Last Year, Will be Missed

Six Meets Scheduled for Hayward's Men

Professor William Hayward, Oregon track mentor, has had his cinder men working all winter, and will have them in the pink of condition by April 30 when they take part in Relay Carnival at Seattle.

This year's team will be built around the five returning lettermen of last year's varsity. Proctor Flanagan, captain-elect, will carry the Oregon colors in the broad jump and possibly the sprints. Jerry Extra, sprinter, has a good position but expects to re-enter school next term. Joe Price, quarter miler; Ed Crowley, pole vaulter; and Vic Wetzel, weight man, are the other returning lettermen.

Hurdlers Needed

Men will have to be developed to fill the places left vacant by Ralph Tuck, Walter Cleaver, and Walt Kelsey in the hurdles, Tom Holder in the two mile, and several other events. John Neidermeier looks like the most likely prospect in the long distance event, but to date no one has shown any outstanding stuff in the hurdles.

The varsity has definitely scheduled six meets and it is possible that others will be added to the list before the season opens. The first competition comes at Seattle April 30 when the annual Relay Carnival is held there.

A dual meet between the Oregon varsity and the Washington State Cougars takes place May 7 at Eugene. The following week the Webfoot aggregation lines up against the Washington Huskies at Seattle, May 14.

Aggies Here This Year

The next Saturday, May 21, the Oregon Aggies send a track team to Eugene for the annual dual meet. This meet has been won for the past two years by Webfoot cinder artists. The one last season was taken by a one point margin, the final score being 66 to 65.

The northern section of the Coast Conference meets at Corvallis May 27 and 28. The last contest on the schedule is the Pacific Coast Intercollegiate at Los Angeles June 4.

BERKELEY.—

In an attempt to gain maximum efficiency at their early season workouts, Coaches Ky Ebright and Russ Nagler have made decisive changes in their varsity and freshman crew shells at the University of California.

Four sophomores have been moved up to the varsity shell for trial workouts this week. The personnel of the first boat at present is: Donald, stroke, Graham, Thompson, and Fredericks at his back, with Toll, Hutchison, LeJone, and Von Tullock forward to the bow in the order named. Blessing is holding down the box position.

On the freshman first shell five new boys have replaced the former first boatmen. Bivens, Gilmore, Baily, Smith and Ely were moved up by Russ Nagler. Blonhorn, Thornally and Fontanna were able to hold down their positions through the change.

UNIVERSITY OF IDAHO, Moscow.—

(PIP)—Seven representative students will compose a committee which will formulate a revised A. S. U. I. constitution and a set of statutes to be presented to the student body late this spring, it was announced Thursday by Harry Baughman, student body president.

UNIVERSITY OF IDAHO, Moscow.—

(PIP)—Dr. Francis W. Shephardson, national president of the Beta Theta Pi fraternity and national vice-president of the Phi Beta Kappa, honorary scholastic fraternity, was on the campus conferring with fraternity men Thursday and Friday. Dr. Shephardson addressed upperclassmen and the interfraternity council, and conferred with the Tau Kappa Iota fraternity. He discussed fraternal matters with Dr. J. A. Kostalek and Dr. Miller at the Beta Chi house. Dr. Shephardson was the guest of the Beta Theta Pi fraternity during his stay.

UNIVERSITY OF WASHINGTON, Seattle.—

(PIP)—When Governor Roland H. Hartley presented his state budget to the legislature for consideration he included in it requests totaling \$4,226,524 for the University of Washington. This provides for the proposed building program and operating expenditures. In the construction planned for the campus, as outlined in the execu-

tive's budget, are: men's gymnasium and athletic pavilion, \$100,000; women's physical education building \$110,078; physics hall, \$464,922; total \$675,000.

UNIVERSITY OF WASHINGTON, (PIP)—

In an effort to stimulate interest in University athletics, the University of Washington Daily plans to stage an all-University golf tournament to be run on a handicap basis. A cup will be given to the winner, while merchandise awards will go to the other three finalists. Besides the golf tournament a similar tennis tournament open to all students will be started within the next month.

UNIVERSITY OF WASHINGTON, Seattle.—

(PIP)—With the cooperation of the Women's Athletic Association and the coaching of Lieut. Hildebrand and Sergeant Hanson, the women's rifle team of the University of Washington begins its intercollegiate rifle tournament this week with a heavy schedule ahead of them. Between now and March 12, they will shoot off matches with nineteen different colleges all over the country. The women's rifle team is also competing in the National Rifle Association matches for the national women's rifle championship.

Massachusetts Institute of Technology has a registration and tuition fee of \$900. Most of the fraternity houses on the campus serve baked beans for Saturday dinner.
