O. A. C. Rooks Win Fast Game From Frosh Hoopers

Late Rally Led by Robie Fails to Tie Count; Score 23-21

Line-up:
 Rooks (23) f (21) Frosh
 Hart (3) f (6) Robie
 Price (4) f (3) Clark
 Torson (4) c (3) Potts
 O'Bryan (3) g (4) Cheney
 Drager (3) g (2) Coleman
 Substitutes: Rooks, Mills, Cordy (4), Tippery (2), Frosh, Chastain (3), Dowsett (3).
 Referee, Paluso. Umpire, Mulligan.

The O. A. C. rooks' basketball team nosed out the Oregon frosh by two points in the game played Tuesday night in McArthur court, the final count being 23 to 21. The frosh, however, were on the short end of a 20 to 7 count at one stage during the last half.

The starting line-up for the frosh was playing listless ball, and at half time the score stood 11 to 5 against them. Spike Leslie, frosh mentor, tried out a new combination in the second half when he ran in two benches, Dowsett and Chastain.

The diminutive Dowsett showed his stuff by dropping the oval through the net from close in. This got Robie excited, and he scored a one-hander while going away from the hoop. Torson, rook pivot man, retaliated, but Chastain, Cheney, and Coleman counted for the frosh in rapid succession, making the score 22 to 17.

O'Bryan, rook guard, was fouled and converted from the gift line. This was the last time that the Aggie youngsters tallied.

Robie was playing a flashy game and swished the hemp twice more. With the score 23 to 21 Coleman tried to pitch in a long one but it fell short. The ball was in the frosh's territory as the gun ended the game.

Ed Cheney, frosh guard, who had been out of the line-up for the past three weeks, started the game and played a good floor game throughout the entire contest. His team mate, Ken Robie, was high point man with six markers.

Ed Abercrombie, but whether or not they will perform at their best in Saturday's meet is a question that only time and Del Oberbauer, judge, can decide.

Temporary bleachers to seat about 150 persons were installed in the Woman's building some time ago, and although these relieved the seating situation for a time, they failed to accommodate the crowd that turned out for the Multnomah club meet. Therefore, a second deck of temporary seats at the opposite end of the pool have been promised to be ready by Saturday.

In the preliminary meet between the Rooks and the Frosh, the yearlings should score an easy victory, as they defeated the Corvallis first-year men in the O. A. C. pool by a large score. The feature race of the meet will probably be the 100-yard dash in which Johnny Anderson, frosh record-breaker, will oppose Tom Sheehan, the Aggie ace, who won the 50-yard event in the Corvallis meet.

Varsity Finmen To Meet O. A. C.; Frosh to Swim

Byerley Out; Aggies Doped To Win Varsity Mix; Frosh Good

Climaxing a fairly successful water season for the varsity swimmers and a very successful one for the Frosh, both swimming teams will engage in a dual meet with the O. A. C. squads in the Woman's building Saturday afternoon.

The first-year mix will begin at 3:15 and should be over shortly after 4:00. The varsity meet will follow immediately.

The varsity's Abercrombie chances of staging a comeback to avenge the 42-27 defeat at the hands of the Beavers several weeks ago, are considerably lessened by the loss of Lloyd Byerley, star diver, who was injured in practice last week. However, Davis and Thompson have developed so fast lately that Davis may carry off first place against Jourdan of the Aggies.

The Oregon swimmers in past meets, have bettered the best Aggie time in sufficient events to win the meet Saturday, according to Coach
