

Runners Begin Hard Work on Cinder Track

Return of Jerry Extra Strengthens Hopes in Sprints

First Meet With Huskies On April 30

The prospects for a winning varsity track team raised yesterday when Jerry Extra, veteran sprinter, enrolled for the coming term. With Extra and Proc Flanagan, track captain, in the sprints this should be one of the stronger events of the team.

The addition to the squad of Ralph McCulloch and Bill Crawford, experienced high jumpers, will make that event above the average in strength. Bob Foster, who hurdled for last year's frosh team, has donned a suit and will give the other candidates competition for a berth on the team.

Vaulter Going Good
Ed Crowley, letterman vaulter, has been working well this year, and has already equalled the height of 11 feet 6 inches at which he won first place in the Oregon O. A. C. meet, and bettered the 11 feet 3 inch mark at which he won the Washington meet.

The half mile affair has Coach Bill Hayward worried. He was depending on McKittrick, of last year's frosh team, to carry the colors in this event, but to date he has not reported. Bob Overstreet, who ran the four furlong last season for the varsity, did not return to school this term.

Veterans in Weight Events
In the weight events Vic Wetzel, Bob Stager, and Mark Sanderson, will probably represent the Oregon varsity. Last year it was through the efforts of Vic Wetzel with the javelin that Oregon was able to win the dual meet with the Oregon Aggies. As it was, the lemon-yellow

squad only won by a single point, the final score being 66 to 65. Schedule for the season follows: April 30—Washington Relay Carnival at Seattle. May 7—W. S. C. Oregon dual meet at Eugene. May 14—Washington-Oregon dual meet at Seattle. May 21—O. A. C. Oregon dual meet at Eugene. May 27-28—Northwest conference meet at Corvallis. June 3-4—Pacific Coast Intercollegiate.

Verne Blue, Former Professor, Honored

Verne Blue, an instructor in history at Oregon last spring and formerly a member of the University of California faculty in history, has just been elected to the Society of Modern History in Paris, according to word received here. Mr. Blue is reading history and studying source material in Paris and Madrid on the Oregon country.

Room for More Girls in Life Saving Classes

Any girl who is interested in working for her senior life saving emblem, or Red Cross examination, should sign up for the class at 3 o'clock on Monday, Wednesday or Friday, says Miss Ernestine Troemel, swimming instructor. The class so far is quite small.

Pledging Announcement
Alpha Gamma Delta wishes to announce the pledging of:
Florence Beardsley
Dorothy Roise.

Water Polo Is Added to Roster of Donut Sports

Hayward to Give Silver Cups to Winners of Carnival

With the beginning of spring weather the donut sports mill comes out of hibernation with a big program for the new term.

Inter-organization tennis doubles, baseball, water-polo, relay games and track meet and fre lance golf tournaments are chalked on the spring calendar.

The Great Unknown

Coach Ed Abercrombie, tennis and swimming coach, will be in charge of the tennis meet and the water-polo games. The latter sport is an innovation in donut sports at Oregon and Abbie expects it to be one of the leaders as it affords lots of rough and tumble action without the damaging effects of football. A meeting of house representatives is to be held in the men's gym

Thursday at 7 p. m. to get action started. Last year Theta Chi defeated Friendly hall's tennis doubles team in the finals but the 1927 aspirants still repose under a cloud. Inasmuch as the varsity conference season starts soon, Abercrombie plans to start the matches off early and will announce dates and drawings in the near future.

Donut baseball will be run on a similar scheme to the basketball tourney this year. Losing teams will enter a consolation tournament and fight it out among themselves for another chance at the title.

Virgil Earl will have charge of baseball and promises two fields for play so that the fraternity nines can run off their games faster.

Alpha Tau Omega defeated Phi Gamma Delta in a herculean struggle for the title of the highlands last year and figure to repeat their coup when bats and balls start to fly in donut warfare.

Golf, another new sport, was added to the spring ticket under direction of Bob Giffen. It will be a free lance tournament and with the prospect of using the Eugene Country Club's links, many adherents of the clout-and-chase-it game are expected to sign up when dates are announced.

Intramural relay games and a track meet will also be run off spring term under Bill Hayward's supervision. Bill has donated five silver cups to be given away to win-

ners in the relay carnival, the tentative date of which has been set at April 13.

In this competition only relay races will be run but in the track meet which will follow a few days

later both track and field events will be included. Donut authorities caution men who plan to compete in the races that they must sign up now in order to be eligible. They must also go

out for practice three times a week between now and the time of the meets in the middle of April.

HE WAS NEVER INVITED TO ANY PARTIES... UNTIL HE TOOK UP OLD GOLD CIGARETTES

1. Henry could not figure out why he was a social outcast. There was no trace of Halitosis in his family. And though he was no Collar Ad, he wasn't hard to look at.

2. Yet, whenever there was a Classy Affair in town, Henry was always on the outside, looking in. Even his best friends seemed to prefer his company over the telephone.

3. One day he overheard some Nice People referring to him as "Hacking Henry." At last, the truth struck home. They were giving him the "razzberry" because of his Constant Cough.

4. That very day Henry switched to OLD GOLD Cigarettes... and a miracle took place. Henry found a Smoke without a Choke; a cigarette that tickled his taste but not his throat.

5. Today, Henry is as welcome, everywhere, as a Visiting Prince; and as popular as a Movie Star. Since he lost his cough, he never gets "raspberries," excepting for breakfast.

Books-Spring Term Sunshine and College Girls

Once again the Old Oregon campus is filled with chattering students, happy and light hearted—looking for a wonderful spring term. Everything is beautiful beyond compare, but without the co-eds and their brightly colored spring clothes that dance in the breeze and make Joe College bat his eyes, the scenes might be more doleful.

"Coolies"

Something New in Co-Ediate Dress!

You can read about China in newspapers but what you think about China will change mighty quickly when you see the colors and decorative designs on the "coolies"—for spring wear on the campus.
