

Play Day Plans To be Discussed By Girls Tonight

Equestrians Hold Affair On O. A. C. Campus This Year

Grant of W. A. A. Honors To be Explained

The equestrian plans for Play Day will be worked out this evening at a meeting at 7 o'clock in the Woman's building, room 121, for all girls taking horseback riding. Play Day is an annual meet staged by the Women's Athletic associations of O. A. C. and the University of Oregon.

This year the event will take place at Corvallis, as in 1926 the program was given here. The plans include a number of sports contests and as a finale, a horseback drill by both schools.

Riding Drills Set
The riding drills are being worked out by the O. A. C. riding academy for both groups. They include a number of difficult feats such as right into line, column formation, wheeling with horses at full gallop. This work is being supervised by Mr. Charles Boyd, campus riding instructor.

Elinor Glass, junior in the physical education department and the W. A. A. representative for horseback riding this year, urges that every girl in the classes attend the meeting. Miss Glass will discuss the honors to be granted, for the first time this year, to girls who pass certain tests which will count toward women's athletic awards. These tests will include the ability to mount and dismount correctly, saddle and bridle a horse, know the names of the various riding equipment and be able to handle a horse well.

110 Girls Registered
This course has received this recognition from W. A. A. because of its popularity as a sport. At present there are 14 classes with an enrollment of 110 girls.

Water Polo Is Listed As Swimming Activity

As Sherman once remarked, "War is . . .". But he had never seen a game of water polo. The new goal nets were put up today and the "wrestling swimmers" were out in force, practicing for the season opening on April 23. From all

indications it will be a successful do-not sport. At least twenty casualties a game is predicted. If enough interest is shown in polo this spring, Coach Ed. Abercrombie is going to make it a regular fall term activity. According to him it will serve as excellent conditioning for swimmers. It will also give him an opportunity to get a line on material before the season starts.

The schedule will stand as it now is. Although Phi Kappa Psi has dropped out, the Beta Theta Pi house will take the vacated place so there will be no necessity for a re-drawing.

Inter-Fraternity Net Semi-Finals Set for 3:15 This Afternoon

Semi-final round of inter-fraternity tennis will be played on the University courts this afternoon at 3:15 o'clock. Friendly hall will meet Sigma Pi Tau, and Phi Delta Theta is matched with S. A. E. The play should be fast and superior to any produced so far.

The results of the first round of play, in the upper bracket, was: Alpha Beta Chi defaulted to S. P. E. Friendly hall beat Alpha Tau Omega 6-2, 6-2. Kappa Sigma won from Delta Tau Delta 6-4, 6-3. Sigma Pi Tau defeated Beta Theta Pi 6-1, 7-5.

The lower bracket results were: Phi Delta Theta beat Sigma Nu 7-5, 7-5. The Oregon club defaulted to Chi Psi. Phi Kappa Psi defeated Theta Chi 6-4, 6-2. S. A. E. won from Phi Sigma Kappa, 6-2, 6-1.

The second round of play brought victory to Friendly hall over S. P. E. 6-0, 6-4. Sigma Pi Tau won from Kappa Sigma 6-3, 6-3. Phi Delta Theta took two sets from Chi Psi 6-1, 6-2. S. A. E. beat Phi Kappa 7-5, 6-1.

April 13 to 23 Dates Set for Fee Payments

University students, suffering a financial strain will have 10 days, beginning Wednesday to anticipate a check from home with which to pay spring term fees.

April 13 to April 23 are the dates when fees may be paid without penalty. Late payment necessitates a fine of \$3 for the first day and 25 cents a day thereafter, for one week only.

Early payment is advocated by E. P. Lyon, cashier in the comptroller's office, to avoid the stampedes which usually take place near the end of the allotted time.

Durgan to Head College Oratory Group of Oregon

University Men to Appear In Two More Contests This Year

Walter Durgan, University of Oregon, men's varsity debate and forensics manager, was elected president of the Inter-Collegiate Oratorical Association of Oregon at its annual meeting held in Newberg last Saturday.

The association conducts three contests annually, which are open to all Oregon colleges. This year Oregon has entered only one of the contests, the State Peace Contest, which Donald Beelar won last Saturday with his oration, "Democracy, the Hope of Peace." Jack Hempstead, who won the national oratorical contest last year, is retiring vice-president of the association.

The I. C. A. O. was instituted with the belief that the colleges of the state should be brought into closer relationship and that an inter-collegiate association should be formed for the purpose of creating fellowship among the higher institutions of learning of the state.

Since the association was established Oregon has had a representative in one or the other of the contests; and in nine years of competition in the Peace Oratorical contest has taken four first places and three second places. There are nine schools represented; Pacific College, Oregon Normal School, O. A. C., Willamette University, Pacific University, Eugene Bible University, and the University of Oregon.

Oregon debaters will take part in two other oratorical contests, both of which will be held here, this spring. Jack Hempstead will enter the E. F. Blaine Northwest Orator-

ical contest to be held May 4. "The Tide of Crime" is the subject of his oration. Benoit McCroskey will represent Oregon in the Intercollegiate Constitutional Oratorical Contest on April 29.

Sox and Jones Before Moot Court Tonight

Ed Sox, student in second year law, and Jack Jones, sophomore in pre-law, will face trial in moot court this evening at 7 o'clock, charged with illegally disintering a body from a graveyard.

The prosecution will be handled by Hymen Samuels and Bob Mautz. The attorneys for the defense are Edward Kelley and Margaret Woodson. All attorneys are students in third year law in the University.

Gordon S. Wells, deputy district attorney for Lane county, will act as judge. The trial is to be held in the circuit court room of the Lane county courthouse. The public is invited.

Wesleyan College Men First in Glee Contest

NEW YORK—(IP)—The Wesleyan (Connecticut) Men's Glee Club won the national glee club contest held here recently under the auspices of the National Glee association. Second place was accorded to the University of Missouri, while Yale was given third.

THERE ARE NO FEATHERS IN OLD GOLD CIGARETTES SO THEY CAN'T TICKLE YOUR THROAT

1. Hi Spy, the Human Ferret, crawled out of the haystack, a beaten and baffled man. "I'll tell the cockeyed world that you can't find a needle in this haystack," he declared.

2. "I'm going to look for something easy now," he added, "a cough in an Old Gold cigarette."

3. Eight days later, he crawled out of another pile . . . a pile of Old Gold cigarettes.

4. "There's 8,932,158 cigarettes in that heap of smoking enjoyment," he announced. "But not the sign of a cough in one of them."

5. "I'm going back to the haystack," he continued. "I may have overlooked the needle, but I'm convinced you can't find a cough in a carload of Old Golds."
