Every dog has his day according to the old saying and it seems that "dog days" are at last arriving. The wonderful weather of the last week-end turned the thoughts of many to picnics, swimming, and sports of any kind that were not too strenuous. Many informal gatherings resulted in impromptu tea dances and the like. This was also the week-end in which the senior women had a chance to repay any grudge they might have entertained for four years or more.

Senior leap week, the usual celebration held every spring term for all seniors on the campus, started out with a bang on Wednesday night when all the men's organizations held open house. Many of the senior women were able to understand the tortures which men endure every year at open house. Sore feet and aching backs were some of the results but all seemed to enjoy themselves.

The Bow-Wow Brawl which is staged every year by the Delta Delta and Alpha Chi Omega sororities occupied the seniors Thursday afternoon from 3 to 5 and was followed by a sports dinner dance held at the Gamma Phi house under the auspices of Gamma Phi Beta and Kappa Alpha Theta.

The annual Kappa Koffee was held at the Kappa Kappa Gamma house from 3 to 5 on Friday and this entertainment was followed by a barroom bust given by Hendricks and Susan Campbell halls. At midnight the party progressed to the Country club, breaking up about 3 o'clock, a late hour privilege much deserved by the members of the class of '27.

As a fitting ending, seniors of the Alpha Delta Pi house serenaded all the men's living organizations Saturday night.

Anne Wentworth was general chairman of the undertaking and the members of the committee were Janet Fenstermacher, Lucille Pearson, and Della Sherwood.

The annual Seven Seers costume ball was held at the Campa Shoppe Saturday night. The ball was primarily intended for those whose names had been mentioned in the famous Seven Seers column of the Emerald, but many slipped in without the supposedly necessary qualifications. Usually one of the couple was notorious, however. The dance was sponsored by five of the Seven Seers: Paul Luy, Ruth Corey, Donald Johnston, John Butler, and Joe Sweyd.

Patrons for the ball were Dean and Mrs. Eric W. Allen, Captain and Mrs. J. J. McEwan, Mr. and Mrs. W. F. G. Thacher, Mr. and Mrs. Ralph Casey, Mr. George Turnbull, Mr. William P. Maddox, Mr.

Raymond D. Lawrence and Mr. Stephenson Smith.

Dancing, singing, and stunts of all kinds were given between the dances. Among the students taking part in the program were: Bob Warner, La Veda Jones, Billy O'Bryant, Louise Stolar, Jack Coolidge, Ted O'Hara, Gretchen Kier, Al Clark, and Scotty Kretzer.

The marriage of Miss Katherine Rade to Dr. A. H. Ross of Eugene, was solemnized in Denver, Colorado, on Wednesday, April 20. Miss Rade graduated from the University of Oregon in June 1925, and was a member of Delta Delta Delta. The couple will make their home in Eugene.

Mrs. Arnold Bennett Hall is to be the honor guest at the Founder's Day banquet which the alumnae of Pi Beta Phi are to give in Portland Thursday, April 28. Mrs. Hall is a member of Indiana Alpha chapter of Pi Beta Phi at Franklin college, Indiana.

On the evening of Wednesday, May 4, President and Mrs. Hall are to be honor guests at a reception which Mr. and Mrs. George T. Gerlinger are giving at their home in Portland.

The marriage of Miss Lylah McMurphy to James G. Harding was solemnized Tuesday evening at the First Congregational church. The event was one which attracted the attention of many college people. Mr. and Mrs. Harding were former students in the University and Mrs. Harding has lived in Eugene all her life.

A large reception was held at the home of the bride's mother following the ceremony. Mr. and Mrs. Harding will make their home in Eugene after their return from a short trip. Both young people are graduates of the University and Mrs. Harding is affiliated with Alpha Phi sorority and Mr. Harding is a member of Phi Kappa Psi.

The announcement of the engagement of Miss Mary Haselton to Hugh Taylor of New York was made at the Alpha Omicron Pi house last Wednesday night. The news was told by little cards attached to corsages which were placed at each place. The color scheme of pink and white was carried out by pink tapers and spring flowers as a centerpiece.

Mr. Taylor is a graduate of Reed college where Miss Haselton went to school for 2 years.

The Eugene mothers and alumnae of Alpha Delta Pi gave a benefit dinner at the chapter house on Friday evening from 5:30 to 7:30. Tables were set in the house and on the porch. Gwendolyn Lampshire Hayden played several violin numbers.

Miss Zelle Ruble was hostess at a dinner party last Tuesday evening in honor of Mr. Carlos Miron. Mr. Miron is touring the country before sailing for his home in Guatemala

on April 30. The party was given at Hendricks hall.

The wedding of Miss Julia Groo and Mr. Robert Pelouze will take place on June 18 it was announced at a tea given in honor of Miss Groo by Miss Regina Darr. Miss Groo was a student on the campus last year and is affiliated with Alpha Phi.

The wedding of Miss Theodora Stoppenbach to Mr. Arthur James Smith of Vancouver, B. C., was solemnized in Portland Wednesday afternoon. Only relatives and intimate friends were present. The young couple left immediately for British Columbia. Mrs. Smith is a graduate of the University of Oregon and was a member of Kappa Alpha Theta sorority.

The underclass group of Alpha Gamma Delta entertained the upperclassmen at a Hobo Hop Saturday evening. Decorations consisted of lanterns, pickaxes, shovels and other hobo equipment and the entrance to the house was lighted by a "fusee" such as used by railroads to give warning of passing trains. The programs were pictures of little hoboes. Mrs. Abie Marsh and Mr. and Mrs. Homer P. Rainey were patrons and patronesses.

The engagement of Miss Nellie Jacqueline Zurcher to Mr. Robert Boyd was announced at the Alpha Xi Delta house Friday evening. A wise old owl with a mortar board cocked at a jaunty angle on his head, held a scroll in his beak which when unrolled bore the announcement of the engagement.

Mr. Boyd is a graduate of Amherst college and is now doing post-graduate work at the University of California. He is a member of Phi Delta Theta. Miss Zurcher graduated from the University of Oregon last winter quarter.

The upperclassmen of Beta Theta Pi were hosts at a formal dinner dance at the chapter house Friday evening. The house was decorated with palms and spring flowers, and because of the warm weather there was dancing on the porch. The patrons and patronesses were Mr. and Mrs. Nisch Chapman, Mr. and Mrs. Delbert Oberturner, and Mr. and Mrs. Walter Snyder.

The Girl's Oregon club were hostesses at the Eugene hotel at a formal dinner dance on Saturday evening. The tables were decorated with spring flowers and candlesticks.

Patrons and patronesses were Dean and Mrs. H. D. Sheldon, Mr. and Mrs. Robert T. Horn, Miss Margaret Daigh, Mr. John H. Mueller, and Mr. Hugh C. Frame.

The marriage of Miss Marian Bonney to Mr. Charles Kauffman Wiggins was an event of Monday

night in Portland. Mrs. Wiggins is a graduate of the University of Oregon and a member of Chi Omega. Mr. Wiggins attended the University of Washington and was there a member of Sigma Alpha Epsilon.

A. R. Himbert Resigns Position to Study Law

Arthur R. Himbert, associate professor of business administration for the past two years, has resigned his position and will study law at Stanford University during the next two or three years. Mr. Himbert expects to teach business law after he receives his degree.

R. J. Bullock, of the graduate school of business administration at Harvard University, has been selected to succeed Mr. Himbert as professor of marketing, according to Dean E. C. Robbins, head of the school. Mr. Bullock received a degree in business administration at Doane College, Nebraska, Dean Robbins said, and for the past two years has studied in the Harvard graduate school.

of the University, the retiring president and the president-elect of the Associated Students.

6. The basis of democratic government is representative control—not autocratic power, unchecked, in the hands of one individual.

7. There is no check on the Emerald or the editor at present for the student paper is supported by compulsory subscription, and the circulation is thereby guaranteed.

8. There is no analogy between the Emerald and a public newspaper for the editor is not the owner. The ownership of the Emerald is vested in the greater portion of its subscribers.

9. A recall is not a logical method for exercising control because it is called into use only after injury has occurred.

10. The executive council of the A. S. U. O. is officially and legally responsible for acts of the Emerald.

For these reasons the committee on the amendment feel that the best interests of the student body will be served by the amendment for the functions of the publications committee are not altered and the constitution is clarified by the amendment.

The adoption of the amendment is therefore recommended to the student body.

Respectfully submitted,
Committee on amendment.

Morris Gives Tax Talk To Eugene Lions Club

Victor Morris, professor of economics, addressed the Eugene Lions club at its regular luncheon at the

Eugene hotel Wednesday noon, on the subject: "Present Problems in Assessment of Personal Property." Mr. Morris explained to the business men the problems of making statements of intangible property to the assessor. He analyzed the general property tax and explained the so-called "blue blanks" which business men are required to fill out.

Dear friends:

Speaking of watches, a man came into the store yesterday and said he wanted a watch that would keep time. Struck me kind o' funny, because that's what a watch is for.

However, his old one had gone on a strike and had refused to tick another tick.

The boss sold him a new one for \$28.50. It was a dandy. And I heard the boss tell him when he went out, "If that watch isn't keeping good time in ten years, bring it back and I'll make it right."

Sounds fair enough, doesn't it?
