Picture Show Today At University High

Reginald Denny in "Sporting Youth" will be shown at the University high school auditorium at 2 and 7:30 p. m. today. The senior class, instead of giving the usual class play, have chosen a new scheme for raising money. The class was divided into 11 committees. Each group is to get at least \$5.00.

One group, headed by Robert Allen, has procured this Universal film, one of Denny's latest, along with a two reel comedy, and two machines, which will eliminate unnecessary waits between pictures.

age, because at that time a man had to be forty years old to be given official recognition. "We can't understand life without Jesus, and you must demand your right to formulate a new life in terms of the New Testament," he said.

Education Is Need

A young girl, a native of India, once asked an American, "Why do you incrust the Christ?" She had studied the Bible and had found or rediscovered for herself the New

Testament and the life of Jesus. "We have incrust the Bible and Christ with 1900 years of interpretation by fallible people," Dr. Curry said.

Glenn Frank, president of the University of Wisconsin, said, "The greatest need we face today is to rediscover Jesus and to substitute that for our Christianity."

Edward Best, junior, played two violin solos, accompanied by Barbara Edmunds, junior in the school of music.

The Reverend H. W. Davis, head of United Christian work on the campus, introduced the speaker. Assembly was closed with the singing of "Mighty Oregon."

Dean Straub, dean emeritus of men, presided.

ROLLINS HOSIERY

Miles of Wear in Every Pair

"Answers the Gift Question"

When selecting a gift, whether it is for Birthday, Shower, Prize, Christmas, Graduation, Mother's Day, Easter, Valentine Day, or Anniversary, it is well to keep in mind that there is nothing so appropriate as hosiery. No matter how many pairs of stockings one may have, a gift of hosiery is always welcome. Hereafter, why not let hosiery - - answer the gift question.

What to Expect from Rollins

For thirty-five years Rollins Hosiery has had a reputation for being one of the best wearing hose on the market. This reputation has been built by using only the very best of raw materials. Good materials, combined with the Rollins careful process of knitting, the use of pure dyes and the close inspection, result in a product that always gives excellent service.

Important Things to Remember

When laundering silk stockings watch these five things very carefully and you will double the life of your hosiery.

1. Launder hosiery promptly after each wearing. Perspiration rots silk.
2. Do not apply soaps direct to the fabric. Make a suds and dip the hose up and down.
3. Do not twist or wring stockings. Always squeeze out the rinse water.
4. Do not dry by artificial heat, or in the sun.
5. Use only luke warm water.

Things to Keep in Mind at the Hosiery Counter

1. Always buy a size that is large enough. Hosiery that is too small never will give satisfactory wear.
2. Hosiery is guaranteed against manufacturing imperfections only. Never expect a merchant to replace stockings after they have been worn.
3. Chiffon hosiery is never guaranteed. Rollins Hosiery is sold only by reliable retail merchants—never by house-to-house canvassers.

It's Fashionseme Leg—Notaseme Foot Hosiery

Notaseme introduces a new idea in all hosiery weights, not only in foot lengths, but in leg widths. Heretofore, hosiery has only been made in foot lengths—no thought of widths. The tall and slender woman stretched them in length. The stout woman stretched them in width. Either way the fabric was strained; therefore, it did not fit and it did not wear.

The makers of Notaseme Foot Stockings have perfected an exclusive process to knit seamless foot hosiery in slim, medium, and large leg sizes.

The slender woman and young girl can secure perfect fit and wear in the slim model Notaseme. The stout woman will find the large model Notaseme to answer her every requirement for modishness and service. For the woman of average size who has never found extreme difficulty in securing correctly fitting hosiery, Notaseme offers undreamed of comfort, ease and distinctive appearance.

SHAPE PROOF—WASH PROOF—WEAR PROOF—GARTER RUN PROOF

Laraway's Department Store is exclusive dealer in Eugene for NOTASEME Hosiery and is authorized to exchange for new ones, any pairs that are found imperfect or that do not give satisfactory service to the wearer.

No wonder choice has swung 'round to Chesterfield. NATURAL TOBACCO TASTE —that's reason enough!
