Open House Over; Class Dances Set

New students were formally introduced to the social side of the University Saturday evening, October 1, when Open House was held at all women's living organizations. Seven o'clock was the hour set for the men's groups to begin making their calls and ten minutes was the time allotted to stay at each place. The coming week-end will be a full one as far as social activities are concerned. The class dances are to be given Friday night and are scheduled as no-date affairs. On Saturday afternoon, Hayward field will be the scene of the Oregon-Idaho football game, and in the evening, Alpha Phi and Delta Delta Delta are giving their pledge dances.
