

### Sphinx Wins From Sig Eps In Tight Fray

#### Phi Delta Theta Victorious Over Friendly Hall in Second Game

#### Potter, Sig Ep Looper, High Pointer With 10

#### Ex-Eugene High Stars Shine for Phi Dels

The Sphinx rose from its bed of sand yesterday afternoon and fought to a 26 to 22 victory over the Sigma Phi Epsilon forces. At the end of the war, the score stood 20 all, making a five minute additional skirmish necessary.

In the second crusade of the day, Phi Delta Theta cohorts administered defeat to Friendly hall, the final count being 27 to 17. "Wig" Fletcher and Stearns, veterans, led their three freshmen to a crushing win.

More about the Sphinx and Sig Ep tangle. Kashuba, guard for the order of the graven image, looped two baskets in the overtime period and did his stuff in general. As if Kashuba's four extra points weren't enough, Polcar added a basket in the extra period for good measure.

**High Point Man**  
The crown of high-point man goes to one of the vanquished, Potter, Sig Ep forward. He came out of the fray with 10 points hanging to his belt. Potter is from Arizona and all-state forward of Tucson high school. When a man shoots a basket from a corner while running away from the basket and twisting in the air at the same time, he is lucky. When he does it twice he is luckier still. Mr. Dutton, forward for Sigma Phi Epsilon is the

culprit. He garnered 9 points during the game.

From Horner to Calkins is the combination that beat Friendly hall. Both of these Phi Delt freshmen were members of the Eugene high state champions last year. Horner was all-state forward.

**Friendly Fights**  
Friendly hall got first blood in this joust and led Phi Dels 3 to 0 for the first few minutes. The first half ended with the hall boys beating a rapid retreat. They came back the second half, and at one time the score was nearly tied. Friendly's desperate rally did not hold out long enough to regain the lead, and Phi Delta Theta put them on the run again.

All four teams that played yesterday were members of league B of donut basketball. Today both leagues A and B will cavort on the maple court. The striped Zebras will attempt to kick Phi Sigma Kappa at 4:15, and Psi Kappa and Alpha Tau Omega will tangle at 5:00. These games are to be held in the men's gymnasium.

### Homecoming Discussed At Meeting of 'O'

#### Henry Neer Is Elected New Vice President For Tennis

A program committee for the letterman's banquet, which will be held during Homecoming, was appointed at the meeting of the Order of the "O" yesterday afternoon in the men's gymnasium. It consists of Henry Neer, Scott Milligan and Clare Hartman. These men will immediately begin work on the program for the annual dinner.

Homer Dixon, Lester Johnson and George Reade were asked to make an investigation of the possibility of establishing tennis as a major sport on the campus. A proposal to make the senior manager of major sports a member of the "O" was defeated.

The advisability of the University's giving complimentary tickets for athletic contests at Oregon to lettermen after their graduation was discussed. Joe Stannard, Bill Powell and Bert Kerns were appointed on a committee to communicate with other colleges and letter-

men's organizations in the east conference and find out if they follow this policy or are in favor of it. Definite action will be taken by the group when the various college's attitudes on the subject become known.

Gridgraph orators were selected who will go to the various houses on the campus tonight to tell the students of the gridgraph game which will be held in McArthur Court this Saturday at three o'clock.

Henry Neer was elected vice-president of tennis for the remainder of the year, and Harry Dutton was made publicity man for the Order of the "O." The winner of the Spalding cup for last term will be looked up by Melvin Cohn. The matter of giving a letter for golf was postponed until the next meeting of the group.
